Re:	Scrutineering - 2016 Country & NSW State Championships

At the 2016 Country and NSW State Championships only random scrutineering of craft and equipment will take place.

It is a requirement that all competitors should have their craft scrutineered through their Branches prior to the 2016 Country and State Championships.

In exceptional circumstances if scrutineering is to take place for competitors at the above events; it will be at a cost of \$110.00 (incl. GST) per craft/equipment and a black and white scrutineering sticker will be placed on the craft. There will also be significant delays in having the equipment scrutineered.

A fee will not be charged in the following situations:

- Craft purchased or won after 18th February 2016, as long as a receipt (proof of purchase) is sighted by the scrutineers.
- Craft damaged after 18th February 2016 that requires repairs where the scrutineering sticker is placed. A receipt or letter from repairer is to be sighted by the scrutineers.

Clubs are advised to refer to their Branch as to when scrutineering will be conducted.
