Subject:	Restricted Entry Events – 2017 NSW Age Championships

Following on from the successful introduction of restricted entry events at the 2016 NSW State Age Championships, the Ironperson and the Board Rescue will continue to be restricted entry events, with a slightly revised Branch quota.

This change enables efficient and effective timetabling of these events from heats to finals with regards to surf/weather conditions.

Competitors must continue to qualify through Branch, with the number of entries allocated as per table below:

ENTRY QUOTA PER BRANCH		
BRANCH	IRONPERSON (U11 – U14)	BOARD RESCUE (U11 – U14)
FNC	7	4
NC	4	4
MNC	4	4
LNC	3	4
HUN	8	5
CC	8	5
SNB	10	5
SYD	10	5
ILL	5	5
SC	4	4
FSC	3	4
TOTAL	66	49

Note:

- Clubs shall refer to Branch as to how qualification will occur
- Clubs shall complete entries as per normal to ensure that competitors have been entered into the carnival by the close of entries – These two Restricted Entry events will not be visible in Carnival Manager System so Clubs will NOT need to enter competitors into these two events
- SLSNSW will require a list of qualifiers from each Branch, prior to the close of entries for the NSW State Age Championships and only these qualifiers will start
