

Memorandum

To:	All Surf Life Saving NSW Clubs
From:	Surf Life Saving NSW
Date:	26 June 2015
Pages:	1
Subject:	Grant Opportunity – Coles Local Community Support Program

Coles is involved in many local clubs and organisations and recognises these grass-roots groups by providing support to help with fundraisers, raffles, community days and other activities.

Coles is providing support in the following ways:

- Donate gift cards to support local events and fundraising efforts
- Volunteer to assist with events and fundraising
- Host store tours
- Provide space at the front of our store to run your own fundraising activity—note this is not possible at all stores, so check with the Store Manager before filling in this form.

There is no closing date and applications are lodged through your local Coles store. For further information as to how Coles could support your Club, please visit their website:
