<b>Subject:</b>	Harcourts Foundation Community Grants Round 27

The **Harcourts Foundation Community Grants Round 27** grant program is now open. The aim of the Harcourts Foundation is to provide grants to community-based organisations which need funding for projects and initiatives designed to benefit as many people as possible.

The Harcourts Foundation have confirmed Clubs can apply for grants of **up to \$5,000**.

Please note the following key points:

- Funding can be applied toward a project or part of a project.
- Projects should focus on the community benefit.
- Clubs should seek a letter of support from their local Harcourts office where possible; if your local Office doesn't do a letter of support Harcourt Foundation has advised this is ok. It should be noted that applications including a letter of support and involvement at a local level from their local Harcourts office is advantageous. Competition to this funding body is high and the GSU recommends only applying if you have the letter of support and commitment from your local Harcourts office <http://harcourts.com.au/Offices>
- Quotes are required to support your application.
- Copies of your Deductible Gift Recipient certificate and 'Notice of Endorsement for Charity Tax Concessions' are required to accompany your application.

The closing date for applications is **30 September 2015**. The application and guidelines can be accessed from the following website: <http://harcourtsfoundation.org/australia/>
