Title:	Gear and Equipment Update- Mango Racing
Document Date:	9 May 2016
Document #:	5/ 15-16
To:	SLS Clubs and Services SLS Branches SLS States/Territory
From:	SLSA
Summary:	Clarification to Circular 68/15-16

SLSA are providing an update and clarification in relation to the termination of approvals/endorsements of Mango Racing equipment which is outlined in Circular 68/15-16; *"SLSA is removing all approvals and endorsements of Mango Racing equipment and services from the SLSA Approved Gear and Equipment Manual **effective immediately (6 May 2016)**. This includes; Rescue Boards, Nipper Boards, Surf Ski, Surf Boards"*.

Existing (prior to May 2016) Mango craft can continue to be used in competition and/or lifesaving as long as they meet compliance requirements as deemed necessary (i.e. scrutineering).

Any clubs who have orders prior to 6 May 2016 through Mango Racing can complete the order and notify SLSA on the equipment that was ordered.

New equipment (ordered & purchased post 6 May 2016) are not endorsed by SLSA.
