### Background

The 2016 Sanyo Bussan Cup is more than competition, winning medals and crowning champions, it's about meeting fellow global lifesavers, renewing friendship and exchanging ideas. It's a method of improving lifesaving skills and engaging people in the global drowning prevention effort.

Australia are the reigning Sanyo Bussan Cup Champions after retaining the cup in 2015, and are looking to maintain this with competitions in the surf and on the beach. It is also an opportunity for the Australian Team to create pathway opportunities for athletes to compete at an international level and begin the campaign to [Rescue 18](#)

### Nomination process

As with all SLSA high performance nominations, applicants are unable to be considered for selection unless the correct nomination form is completed by the advertised due date.

The nomination form can be accessed using the link below:
