If a State is unable to substitute from the reserve list, the nominating State may substitute a replacement from that State/Territory irrespective of whether they are on the reserves list. Where a State/Territory is unable to fill a vacancy then the vacancy will be filled by the next available reserve on the list.
3. If States/Territories do not fill their quota, positions will be filled from the reserves offered by other States/Territory.

MASTERS EVENTS - CLARIFICATION

Clubs are responsible to ensure they comply with directions set out in this Entry Circular and SLSA Policy 5.9 - Masters Competition (available online at [Member's Portal](#) > Library > Governance > Policy > SLSA > Policy 5.9). The following items should be noted when nominating to participate in these Masters Championships:

MASTERS AGE GROUPS – Individual competitors can only compete in their own age group and team competitors can only compete in one combined age category in each team event. Further, teams are only permitted to compete in their eligible age group. This includes where individual/team events are cancelled/postponed/relocated.

- **Board Rescue & Double Ski** – Team age category is determined by youngest competitor in the team.
- **All other Team Events** – The aggregate ages of the team members will determine the age category.
- **Surf Boats** – The aggregate ages of the four rowers will determine the age category. The sweep is not included in the team's aggregate age, nor does the sweep need to be over 30 years old (all other proficiencies still apply including Bronze Medallion, applicable patrol hours, Surf Boat Sweeping accreditation and SLSA Surf Coach accreditation). Sweeps are the **ONLY** exception that may compete in

multiple age groups as a sweep. However, Masters aged sweeps may compete as a rower in one age category only.

NOTE: Where limited starters are entered the sectional referee may combine age groups in events to ensure the program is completed in reasonable time.

INTERNATIONAL COMPETITORS

Conditions of entry for international competitors:

1. SLSA reserves the right to invite and/or accept entries from international competitors and club teams to compete in any event at the Australian Championships.
2. Limited Entry Events – only one entry from each country may be accepted into an event. If more than one individual or club team nominates, only the national champion or highest ranked individual/club team from that country (as advised by the governing body to SLSA) will be allowed to compete.
3. Youth Championships entry restrictions apply to any international Club entries. All other events (unrestricted) in Masters and Opens have no limits on international competitors or club teams entering.
4. International club teams must be a genuine club team (not composite) and must compete in club colours to be eligible to compete.
5. International individual competitors may compete in their club caps or, with the permission of their country, compete in their national colours.
6. All international competitors and club teams must gain international clearance from their governing body and must be submitted to SLSA prior to competition to compete at the Australian Youth, Masters and Open Surf Life Saving Championships 2016.

HANDLERS

Ironman/Ironwoman/Boat Race events/Belt Races (reel handlers) handlers should be members of the same club as the competitor. Exemptions may be given by the Referee for a member of another club to be a handler as long as the handler is entered at the competition and meets all proficiency requirements. Handlers must be listed and identified in the events in which they are to participate.

NAMES OF TEAMS IN TEAM EVENTS

Where the club has one or more teams entered in an event, then that particular event code number for each competitor in each team shall be subtitled “**A**” for the first team or “**B**” for the second team, etc., as applicable. Note: SLSA reserves the right to change any team name deemed inappropriate.

DRESS OF COMPETITORS

In all events, competitors must wear approved competition dress as detailed in the [Surf Sports Manual](#) (Sport > Surf Sports Manual) and any subsequent Bulletins or Circulars. To promote competitor safety and assist with competitor identification, competitors and handlers entering the water beyond knee depth are required to wear the provided pink Lycra singlet as the top layer of clothing. Refusal to comply renders the clothing, competition apparel or equipment ineligible for the competition and the competitor and/or team would be ineligible for further participation in the Championships.

Approval may be granted by the Championship Referee for a club or competitor to wear a singlet different to the supplied singlet provided it complies with the SLSA Competition Sponsorship Policy 5.8 (refer [Member's Portal](#)). This approval is subject to colour and visibility of the club/competitor singlets being fluoro pink **ONLY**. These must be presented for approval at the Team Managers' briefings. The approved Lycra singlets may only then be worn during the heats. For the Quarter Finals, Semi Finals and Finals the SLSA branded event Lycra singlets must be worn; **NO EXCEPTIONS**. Competitors will be checked at the start line and no competitor will be allowed to compete unless they comply.

SLSA Staff, the Championship Referee, Area Referee and/or Sectional Referee reserve the right to order the removal or covering of signage, ID or logos in conflict with the Championships sponsor and/or the SLSA Competition Sponsorship Policy, in this case the SLSA branded event Lycra singlet shall be worn.

LYCRA SINGLET SIZING & DISTRIBUTION – To collect Lycra singlets at the Team Managers’ briefings, Team Managers are required to fill the [Team Manager Declaration & Lycra Singlet Form](#) with numbers and sizes of Lycra singlets required for that club. Lycra singlet sizing chart is below. Team Managers are responsible for distributing Lycra singlets to all competing club members. SLSA makes every effort to provide the clubs with the requested allocation of Lycra singlets (via the online [Team Manager Declaration & Lycra Singlet Form](#))

Please note, if a club is competing in Youth, Masters & Opens Championships, the club’s entire Lycra allocation will be provided at the first Team Managers briefing attended.
