

Surf Life Saving Australia - Circular

Title: BRP Powercraft Equipment Grant
Document ID: 44/15-16
Department: Coastal Safety
Audience: Clubs, support operation services, State & Territory centres
Summary: Notification to clubs and services of the BRP equipment grant

Bombardier Recreational Products (BRP) is the preferred powercraft supplier and national partner of SLSA providing Surf Life Saving (SLS) affiliated clubs and services with side-by-side all-terrain vehicles (ATVs), rescue water craft (RWC) and outboard motors (OM).

The 2016 BRP Powercraft Equipment Grant is an initiative developed by BRP and SLSA to enable SLS affiliated clubs and services to purchase heavily subsidised equipment for lifesaving operations.

The 2016 BRP Powercraft Equipment Grant includes a total of **\$360K + GST** worth of equipment.

Grant application:

SLS clubs and services seeking equipment from the grant are to submit an online application at: <https://apps.sls.com.au/BRPGRANT>

Applications open: **Monday 25 January 2016**

Applications close: **Monday 22 February 2016**

SLSA will notify all applicants on the status of their application by **Monday 7 March 2016**.

Payment

Clubs/services will be invoiced for the remaining discounted amount directly by BRP by **7 March 2016**. Payment is to be made to BRP by **14 March 2016**.

Terms and Conditions:

- Applications must be completed in full by the close date above; no late applications will be received.
- The successful applicants are selected by their respective SLS State/Territory centre and decisions are final.
- Clubs/services selected by their respective SLS State/Territory centre to receive a subsidised unit that wish to withdraw their grant application must inform their State/Territory centre and SLSA prior to **14 March 2016**.
- If BRP have not received payment by the **14 March 2016**, BRP will inform SLSA and allocation will be passed onto another worthwhile applicant under consultation with the respective State/Territory Centre.
- 15 SSVs (ATVs) and up to 8 RWCs in the grant will be used for the Australian Surf Life Saving Championships (Aussies 2016) in Queensland (QLD) 2016. Successful applicants whose equipment is used at the event are responsible for the collection of equipment post event.
- Price includes pre-delivery costs and fitting to SLS specification.

- Prices do **NOT** include State/Territory specific registration fees - this is the responsibility of the club/service after collection of the equipment.
- Prices do **NOT** include freight to the local dealer or from Aussies 2016 (QLD).
- The successful applicant is responsible for freight to local dealer
- The successful applicants will be required to promote the grant through their club channels and may also be required for media that could be generated through the program.
- BRP equipment must be retained by the successful applicant for a minimum of 12 months.
- SLSA will provide the club/service details and the club/service contact details of the club/service representative completing the application form for the purposes of this grant only.
