COMPETITION AREA

The overview map of the competition area can be found in this document or downloaded from the event webpage.

Competition areas will be marked with star pickets and bunting to allow periodical movements of the fencing throughout the day.

Clubs are asked to set club tents along the beach in front of the dune area (where indicated by signage on beach) and by referring to the overview map. Please do not set up tents within the dune area unless otherwise indicated by signage and be aware of the dune systems by limiting your impact on the dunes.

Please be aware that there may be limited craft storage areas on the beach to enable adequate competition area.

The Presentation Area will be set-up within the Clubs NSW Activation Area approx. 50m south of the Club. Medals will be available for collection from 1:00pm on Friday and Saturday of competition and from 8:00am on Sunday.

Warm up will be as follows:

- Yellow and Green, Black and White, (two colours) Areas – Board/Ski

No competitor should be within 50m of the water areas whilst the courses are being set by the SLSNSW IRB powercraft team. This is not only a safety issue but it ensures that the courses are correct. Any members/clubs that do not adhere to this may face a disciplinary committee. It is recommended that all clubs continue with their risk assessments prior to entering the water for warm up activities. All competitors warming up must wear Pink High – Visibility Rash Vest. No Warm ups should occur prior to 7am.

TRAFFIC FLOW / PARKING

Please refer to the overview maps.

It is highly recommended that traffic coming north bound (from Sydney) takes the Gommerra Street intersection at the lights and not the intersection prior (Bali Street). There will be a VMS board advising of this upon approach.

Strictly no parking will be available at the designated car park areas close to the Club as these will be reserved pre-approved persons holding the correct pass.

Competitors are encouraged to park at the following sites: (map on the following page)

1. Reserve north of the Surf Club - \$20 per vehicle
2. Blacksmiths Soccer Club - \$15 per vehicle (limited spaces available – 60 spaces)
3. Surrounding back streets

Please be respectful of the local residents and only park in designated areas. Parking will be enforced by Lake Macquarie City Council with fines issued to those people that do not park in the designated areas.

Drop Off Area

There will be a designated drop off area close to the Club. Please refer to the overview maps.

Trailer Parking

An area will be designated to trailer parking however this will be based on a first in first serve basis. Please be aware that this location is in a public area, without security fencing. All trailers, including gear left on trailers is the responsibility and care of Clubs. SLSNSW does not recommend craft being left on these trailers, especially overnight.

Bus Routes

There will be one shuttle bus available for competitors that will assist with drop offs to and from Swansea Belmont SLSC. The shuttle bus will be circling around the suburb of Blacksmiths. This bus will start at 6am and finish later in the afternoon after competition has finished. The bus will leave Swansea Belmont SLSC from the main car park in front of the Club.

A second shuttle bus will be available for Officials to and from Swansea Belmont SLSC. Runs will be happening from Belmont and Swansea starting at 6.30am.

SECURITY

There will be security on site for the duration of the carnival. Although security is present, any valuables and/or craft should not be left in Club tents or in the vicinity of the Club house. All craft are to be taken with you at the end of the day.

Any person/s found stealing signage or any equipment owned by SLSNSW or its sponsors will immediately be brought before a Carnival Disciplinary Committee or a SLSNSW Judiciary for further action. Please note that automatic disqualification of the team/club from the championship may occur if any member is found guilty of theft.

Surf Life Saving NSW and/or Swansea Belmont SLSC takes no responsibility for gear and equipment if left on the beach and it is at your own risk.

CLASHING OF EVENTS

Note:

While every effort will be made by the Event Referees to avoid clashes in the timetable, athletes will have to decide to contest one or the other.

Competitor Liaison Officers have been appointed in each area to assist competitors.

Clashing of events is not anticipated in the finals however, some clashes may be experienced during the heats. Any competitor who finds that their event clashes with another event should consult their Team Manager, who in turn should consult the Competitor Liaison Officer in the relevant area.

Competitor Liaison Officers will liaise with the various Sectional Referees to arrange deferment of heats, if possible, to enable competitors to obtain the maximum possible opportunity to compete. These arrangements will only apply between areas and not between events in the one area.

Events will not be held up for competitors competing outside their age group.

20-29 YEARS AGE GROUP (B-DIVISION)

Please note competitors entered into B-Division events (Surf Race, Board Race, Beach Flags and Beach Sprint) may NOT enter any other Open **individual** events.

However B-Division competitions can and are encouraged to form up in Open Team events (e.g. Beach relay, Taplin, Board Rescue etc). This was seen as a way to enhance the team environment and support small clubs.
