Drafting Arrangements

SLSNSW will facilitate a competitor draft to ensure:

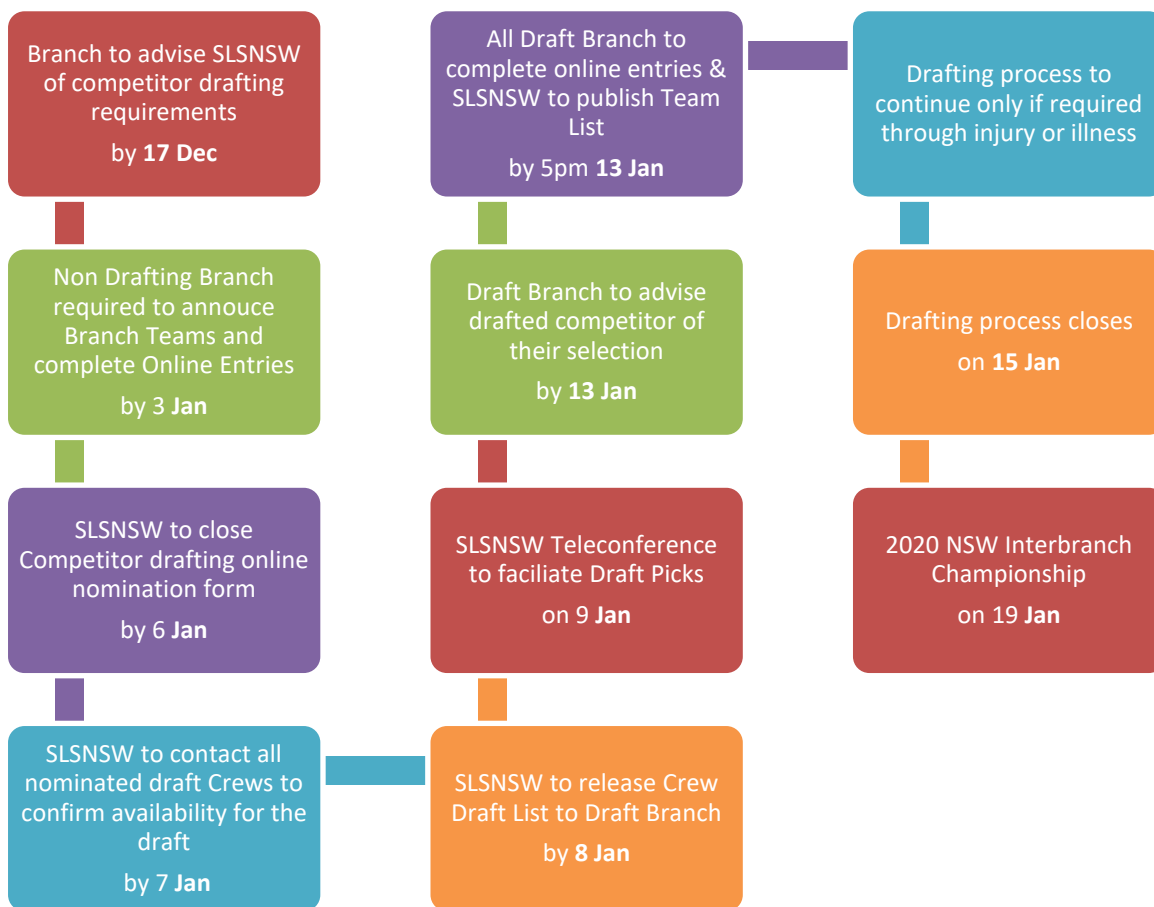

- Each Branch has the opportunity to field a crew in each division
- That non-selected (from primary Branch) athletic talent is spread around teams requiring draft competitors.
- It is desirable; over time Branch teams become less reliant on drafting to fill the team.

The draft process shall be as follows:

1. Branches will need to submit an Expression of Interest to SLSNSW as to their capability to nominate crews in each division. This will allow SLSNSW to plan the draft process.
2. All Branches shall advise SLSNSW of any drafting requirements by **Monday 16 December via the EOI process**. Branches not requiring drafts shall advise SLSNSW of the likely number and availability of crews for the draft.
3. Branches who will not be drafting must announce their teams by **Friday 3 January** Crews not selected for their Primary Branch Team will need to OPT OUT of the NSW Interbranch Draft. To be clear the drafted crews will need to discuss with draft Branch as to which, if any costs are to be reimbursed. Branch shall supply a Team Competition cap as a minimum for use at the Interbranch. SLSNSW will invoice the draft Branch for the entry fee for any drafted crews
4. SLSNSW will create a pool of draft Interbranch crews from Branches and this will close on **Monday 6 January** at 11pm.
5. SLSNSW to email all nominated draft crews to confirm availability for the draft on **Tuesday 7 January**.
6. SLSNSW will release a list of the available draft competitors to each eligible Branch on **Wednesday 8 January**.
7. There will be a teleconference facilitated by SLSNSW Chair of Selectors (or their nominee) on **Thursday 9 January** with eligible Branch Director of Surf Sports and/or Manager to complete their draft picks.
8. SLSNSW will conduct a random draw for Branch order in the draft. With the first Branch drawn having first pick, second Branch drawn having second pick and so forth until the first rotation of picks is complete. The rotation will continue until all Branches have a complete team or until the draft pool is exhausted. If a Branch completes their Team, they will drop out of the draft at that point and the order of picks shall remain the same.
9. Should a drafted crew subsequently not be available the drafting rotation will not be recommenced but the position filled from the next available eligible crew.
10. SLSNSW will publish the list of all Team Lists on **Monday 13 January**. All Branches will need to have completed their online entries by 5pm on **Monday 13 January**.
11. The initial drafting process is to be completed by SLSNSW and crews advised of their selection by their selected Branch team manager.
12. Once a crew has been advised of their draft they will not be able to be selected for their own Branch unless injury or illness occurs. In such circumstances the Branch is to advise SLSNSW in writing of the need to reclaim a crew. The drafted Branch must release the crew to their Primary Branch.
13. It is permitted for the drafting process to continue up until 5pm **Wednesday 15 January**. After this time, any further drafts will be at the discretion of SLSNSW.
14. Any drafted competitors are eligible to earn 100% of their placing points towards their drafted Branch point score.
