

Honorary State IRB Team & State IRB Development Team Selections

Annually a State Team and State Development Team are selected to compete at the Australian IRB Championships. Due to COVID restrictions the 2021 Australian IRB Championships were cancelled.

The State IRB Management group have recommended an Honorary Team be selected for the 2021 IRB season, which whilst incomplete did have a reduced season (due to COVID).

We would like to take this opportunity once again to recognise and thank our IRB Premiership Series and State Championships partner, Sharkskin, for their unwavering support of this event and our state team.

Congratulations to the following athletes on selection:
