Section 3: Additional Information

If you are sick, stay away from others! Do not attend the event!

- If an event attendee even slightly suspects they may be sick, they should not attend the event. Competitors should notify their team manager. The team manager and officials should notify SLSNSW.
- Anyone attending the event will have to complete a declaration regarding whether they are unwell or have been exposed to somebody with COVID-19 prior to entering the carnival area.
- All individuals must self-isolate for 14 days if they have been in close contact of a confirmed COVID-19 case or arrived in Australia after 15 March 2020 or have been to Victoria and must provide evidence they have tested negative to COVID-19 at the end of the 14 day period. If they have not been tested, they must wait for a further 10 days and remain asymptomatic before attending any SLSNSW event.
- All individuals who have travelled to a [hot spot area](#) must wait 14 days and provide evidence they have tested negative to COVID-19 at the end of the 14 day period. If they have not been tested, they must wait for a further 10 days and remain asymptomatic before attending any SLSNSW event

- If someone suspects they have COVID-19, they must isolate immediately for 14 days, advise their team manager or SLSNSW and call a doctor (or COVID hotline).

3.1.1 Handwashing and Hygiene

- Sanitiser will be readily available at all beach defined entry and exit points and throughout the carnival area and hands should be washed frequently. Hand sanitiser stations will be indicated on event site maps.
- Hand wash areas may also be available
- All persons entering SLSNSW administration or carnival area are required to hand sanitise every time they enter
- All attendees are encouraged to frequently sanitise, using alcohol-based hand sanitiser or wash their hands with soap and water, especially before and after eating.
- All attendees should cover their cough and sneeze by
 - Covering their mouth and nose with a tissue when coughing or sneezing and disposing of used tissues in the trash
 - Or if a tissue is not available, coughing or sneezing into their elbow, not their hands
- Individuals should ideally only use their own equipment and **not share** with anyone else. Where this is impossible, equipment needs to be thoroughly wiped with disinfectant by the person who last used it.
- Attendees are advised to clean personal equipment regularly with disinfectant, e.g. Mobile phones, sunglasses etc.

3.1.2 Physical Distancing at the Events

- There may be maximum number of attendees allowed to attend the event, in accordance with government mandate at the time.
