3. Safety:

The purpose of this section of the circular is to provide awareness of the various safety components related to IRB competition. To be clear, competitors & team management shall refer to the appropriate sections of the current Surf Sports Manual for full reference.

3.1. Safety Essentials

WARNING: IRB competition can be inherently dangerous. IRB competition participants acknowledge that they are exposed to certain risks during IRB competition including but not limited to leg, spinal and neck injuries, physical exertion, contact with the IRB, temperature, weather and water conditions and even drowning. IRB competition participants acknowledge that accidents can and often do happen which may result in IRB competition participants being injured or even killed. All members through their participation in IRB events agree with, acknowledge and understand this warning and accept and assume the inherent risks in IRB competition.

3.2. Personal Protective Equipment (PPE)

Note: In all training and competition it is compulsory for competitors to wear high visibility (conspicuous colour) SLSA approved level 50 Australian Standard (AS4758) lifejackets or Type 2 (AS1499-1996) lifejackets. (Level 50S lifejackets unless listed on the SLSA Approved Gear and Equipment List are not approved.) It is not required for high visibility safety vests to be worn over the top of lifejackets. See also Section 2 of the Surf Sports Manual.

SLSNSW will not be issuing lifejackets – this is the responsibility of the individual/club.

3.3. High Visibility Garments

Due to lifejackets being required, pink high visibility vests are not required if wearing a lifejacket as stated above.

Handlers are required to wear a competition cap and shall be required to wear a distinctive high visibility pink coloured vest if entering the water beyond knee depth. Alternatively, handlers may wear a high visibility (conspicuous colour) SLSA approved level 50 Australian Standard (AS4758) lifejacket or Type 2 (AS1499-1996) lifejackets. (Level 50S lifejackets unless listed on the

SLSA Approved Gear and Equipment List are not approved.) It is not required for high visibility safety vests to be worn over the top of lifejackets.

SLSNSW will not be supplying High Visibility Garments – this is the responsibility of the individual/club.

To assist with judging coloured rash shirt sleeves or belts for each lane will be worn with the lifejacket. This will apply to the IRB Driver only. SLSNSW will be providing these garmets.

3.4. Helmets

The wearing of approved helmets is compulsory for patients in all events (other than the Rescue Tube Race). IRB patients are to wear helmets in both training and in competition. See also Section 2 of the Surf Sports Manual.

SLSNSW will not be issuing helmets – this is the responsibility of the individual/club.

3.5. Safety Infringements

(a) A strong emphasis will be placed on safe driving, crewing, patient and handlers' safety practices. All competitors shall compete in each event in a safe manner with controlled speed and may face disciplinary action which can consist of immediate disqualification from the event, and/or issue of a safety infringement and consideration for further penalties.

(b) A safety infringement shall be issued to any competitor deemed to have committed an unsafe practice. This may result in immediate disqualification of the competitor and their entire team (i.e. crew and patient/s) from the event in which the infringement occurred. The name of the competitor and the details of the infringement shall be logged through the safety infringement register of the relevant State and National Office.

(c) If a competitor receives more than one safety infringement in any one competition they shall be disqualified from the entire competition.

(d) Should a history of safety infringements be identified by an SLSA office or official in a twelve month period, the matter shall be referred to the relevant state or national officer/s for consideration of further penalties or disciplinary action.

3.6. Warm Up Areas

Competitors who enter the competition area and 'warm up' will be deemed to have committed an unsafe practice in terms of section 3.5 above. A designated 'warm up' area will be communicated closer to each event.

3.7. Unmanned Aerial Vehicles (UAVs) and Drones

SLSNSW prohibits the use of drones or Unmanned Aerial Vehicles (UAV) at IRB competition by members and/or public unless approved by SLSNSW, 7 days prior to the event. The operator must supply an operations manual (including risk management plan), provide public liability insurance and comply with all Civil Aviation Safety Authority (CASA) requirements.

4. Approved Gear and Equipment:

Team Managers shall refer specifically to the following sections of the SSM:

- 3.3.2.4 Competitor Pre-Requisites (a-e)
- 3.3.2.5 Entry Limitations (a-g)

All entrants must meet SLSNSW award and proficiency requirements as detailed in the 2017/18 Proficiency Requirements. **It is a Clubs responsibility to check and ensure that all members comply.**

6.2. Rookie Division

Note: Formally known as the novice division.

- 6.2.1. The Rookie Division events are restricted to entry by IRB Drivers in their first 2 seasons of IRB competition.
- 6.2.2. Rookie IRB Drivers are encouraged to utilise an experienced crewperson, however a Rookie crewperson is also permissible.
- 6.2.3. Rookie events will not contribute to the overall point score at any round/event.
- 6.2.4. If you compete in Rookie Division as a **Driver** you cannot compete in any other category/events (as a Driver)
- 6.2.5. If you compete in the Rookie Division as a **Crewperson** or **Patient** you can compete in any other division in the same events as long as it complies with 3.3.2.5 Entry Limitations (a-g).

6.3. Composite Teams:

Refer to SSM Section 12.1 (d) (vii).

In the interest in fostering and developing IRB competition, SLSNSW will allow composite teams in the 2018 IRB Premiership and 2018 State IRB Championships under the arrangements as outlined in this Circular. Please note that composite team arrangements are intended to be temporary to allow for developing and/or emerging Clubs to participate in IRB competition with the longer term view of becoming a standalone club team.

Application process for a Composite IRB Team:

Members considering entering a composite team must advise SLSNSW in writing of the following and be endorsed by the Club (of each composite team member) and Branch:

- a. Full names of all competitors and their Clubs
- b. Full name and contact details of the Team Manager
- c. Events to be entered into
- d. Premiership round(s) attending
- e. Organisation to represent (i.e.; Club or Branch competition cap)
- f. Organisation to receive entry invoice and responsible for payment of entries (e.g. Club or Branch)
- g. Overview of the development plan to transition from a composite team to a standalone club team

SLSNSW requests that applications to enter a composite team(s) are received a minimum 2 weeks prior to the close of entries for the appropriate Premiership round please email lstigter@surflifesaving.com.au

Composite teams **are eligible** for Premiership Points, prizes and medals but are not permitted to contribute to a Club Overall Point Score at any round.

Composite teams **are not eligible** for points or medals or prizes at the NSW State IRB Championships. Composite teams **are not** permitted to contribute to a Club Overall Point Score.

Composite teams are required to wear one consistent cap as per (e) above. Any arrangements for gear and equipment are the responsibility of the composite Clubs.

7. Entry Process:

7.1. Carnival Manager System

Club entries to the 2018 IRB Premiership and State Championships must be submitted using the [SLSA Carnival Manager System](#).

For Carnival Manager Login Usernames, Passwords or entry assistance, **contact SLSNSW on 9471 8000 or contact the SLSA Helpdesk on 1300 724 006**

Entries may be altered by clubs at any time up to the closing date of each round listed in this Circular.

Clubs are reminded to use the '**force surfguard update**' function prior to starting entries for each event, to ensure the most current data from SurfGuard is transferred to Carnival Manager.

Pro-forma Invoice

Club administrators are reminded that it is good practice to generate a 'pro forma invoice' and archive a copy for future reference if required.

7.2. Team Names

Clubs that have more than one team in any event should consider **giving each team a name** rather than a letter or number **for the duration of the Premiership**. TEAM NAMES MUST BE ALPHA CHARACTERS ONLY **AND MUST NOT** CONTAIN NUMBERS OR NON ALPHANUMERIC CHARACTERS SUCH AS EXCLAMATION MARKS OR COMMAS. This affects the reports generated from Carnival Manager and impacts on the calculation of the point score. SLSNSW reserves the right to reject team names deemed offensive.

If a team composition is changed from round to round, it is asked that clubs use the same team names as the previous round. If a new team is created and that team would like to accumulate points from a previously named team, a new team name must be created and entered.

8. Finance:

8.1. Competitor Entry Fee

The cost of entry per competitor is \$38.50 (incl. GST) per Premiership round and per State IRB Championships.

LATE ENTRIES WILL NOT BE ACCEPTED FOR TEAMS AFTER THE CLOSING DATES OUTLINED IN THIS ENTRY CIRCULAR DUE TO THE IMPACT ON THE FIRST ROUND DRAWS.

The only entries accepted after the closing date will be for athletes replacing other athletes that have already been entered at that round.

Entry fees are **not** refundable if members do not take part in these events. Entry fees are not refundable if the events are transferred to a contingency date and/or location.

8.2. Additional entries

Additional entries will incur a fee of \$19.90 per competitor. Entry fees are **not** refundable if members do not take part in these events.

8.3. Invoicing

SLSNSW will forward an invoice to each club after the close of entries. Clubs will be able to view a summary of the fees that are due within the SLSA Carnival Manager System via pro forma invoice report.

8.4. Team Substitutions/Changes

The replacement of a team member who is already entered into the competition is provided for under the General Competitive Conditions in the current edition of the Surf Sports Manual. Notification of any team member replacement MUST be made by notifying the event administration officer by filling out the substitution form no later than 1 hour prior to the competition commencement.

9. Event Cancellation/Suspension

In the event that any Premiership Round and/or the State IRB Championships is cancelled or suspended for any reason, there are no refunds on entry fees after the close of entries.

SLSNSW will endeavor to activate contingency locations or transfer the event to the back of an existing round.

10. Point Scores:

10.1. Premiership Point Score

Points will be awarded from 1st to 8th in each event point score:

(1st = 10 points | 2nd = 8 points | 3rd = 6 points | 4th = 5 points | 5th = 4 points | 6th = 3 points | 7th = 2 points and 8th = 1 point).

In each Premiership, the finals of each event (except rookie events and relay) carry points towards the overall club point score of that Round. Therefore, the club with the highest point score at the end of the Round will receive 10 points towards the Club Premiership.

For Example;

Carnival ABCD

1 st	Club A	154 points	Premiership Points gained	10
2 nd	Club B	97 points	Premiership points gained	9

The winner of the club point score will be determined after the final round at the IRB Premiership. This will be the club with the highest point score.

The top placed crew from each club in the final will only receive points towards the overall point score. i.e. If Forster A finish 1st, Forster B finish 2nd and Windang A finish 3rd, only Forster A will receive points towards the overall point score, Forster B will not and Windang will get points for 3rd. The next highest placed club will be awarded the points for the consecutive places.

If a team is disqualified or fails to finish an event then that team fails to gain points for the event and club point score.

Where a dead heat (as defined in Section 2 of the SSM Manual) occurs in the final of an event the teams will share the placing points. The club of the next teams to finish will receive the relative placing points based on the number of teams finishing ahead of them. E.g. a tie for 4th will see both teams awarded 5 points each.

The overall point scoring winner for each event in the **Premiership** will be the team who accrues the greatest number of points in all the carnivals. In the event of a tied overall point score, a 'count back system' will be enforced where the club with the greater number of first or higher placing positions will determine the winner.

10.2.State IRB Championships Point Score

Points will be awarded from 1st to 6th in each final:

(1st place = 6 points | 2nd place = 5 points | 3rd place = 4 points | 4th place = 3 points | 5th place = 2 points | 6th place = 1 point).

Where a dead heat (as defined in Section 2 of the SSM Manual) occurs in the final of an event the teams will share the placing points. The club of the next teams to finish will receive the relative placing points based on the number of teams finishing ahead of them. E.g. a tie for 1st will see both teams awarded 6 points each.

Unlike the IRB Premiership, if 2 crews from the same club earn points from a final, both teams **will be** eligible for points towards the club point score. If a team is disqualified or fails to finish an event then that team fails to gain points for the event and club point score. The Club with the highest accumulated total at the completion of all finals will be deemed the Overall Champion Club.

11. Prizes:

SLNSW is again providing fantastic prizes throughout the 2018 IRB Competition Season, giving clubs a terrific incentive and reward to all competing in the 2018 IRB season with Clubs in the running to win vouchers to the value of \$150. The overall club point score winners for the Premiership or the State Championships will receive 1x IRB Motor with the support of Lakeside Marine.

11.1. Premiership Prizes

Overall Premiership point score medals will be presented at the completion of Round 4 in each event. In addition, the overall champion club at the conclusion of the Premiership will receive a new IRB Motor that they will be able to pick up from Lakeside Marine.

	1st	2nd	3rd	Random Draw
Round 1	\$150 Voucher	\$100 Voucher	\$50 Voucher	N/A
Round 2	\$150 Voucher	\$100 Voucher	\$50 Voucher	N/A
Round 3	\$150 Voucher	\$100 Voucher	\$50 Voucher	N/A
Round 4	\$150 Voucher	\$100 Voucher	\$50 Voucher	N/A
Final Point Score	IRB Motor*	N/A	N/A	\$150 Voucher

(* Note: The same club cannot win both the Premiership Motor and State Championships Motor).

11.2.State IRB Championships Prizes

Championship Medals will be awarded at the State Championships for each event at the conclusion of competition.

	1st	2nd	3rd	Random Draw
State IRB Championships	IRB Motor* Or \$200 Voucher*	\$150 Voucher	\$100 Voucher	\$50 Voucher

*(Note: The same club cannot win both the Premiership Motor and State Championships Motor. If the State Champion club is also the Premiership Club, then a \$200 voucher will be the prize and the IRB Motor will be awarded to the second placed Club at the State IRB Championships).
