E-Learning:

All successful team management members will be required to complete both the [ASADA Level 1 Anti-Doping](#) and [Match Fixing](#) e-learning courses. Moving forward, SLSNSW strongly believe this is a great additive to the structure of any touring team and/or squad and is vital for elite competition and athlete development.

SLSNSW fully supports the SLSA Anti-Doping and Match Fixing policies (SLSA Members Portal> Library /Governance /SLSA /Policy 5.01 & 5.02). Following the completion of each course, a completion certificate must be forwarded to Chiara Nowland cnowland@surflifesaving.com.au. SLSNSW have organised with SLSA to have these courses uploaded on to SurfGuard as an award. Once completed, the courses do not have to be completed again, unless there is an update in information from the organisations.
