Subject:	Order form for Official Competition Lycra Vest supplied by SLSNSW for the 2018 State and Country Championships.

All competitors entered into the 2018 NSW Country and State Championships will be issued an official high visibility pink competition lycra vest. It is a requirement for all competitors to wear the supplied Lycra vest in competition at the 2018 NSW Country and State Championships. See SSM (12.1, d, xviii). Clubs must ensure that competitors wear the approved lycra vest in competition, no other branded vests may be worn. Competitors may be requested to wear the approved lycra vest as part of medal presentations.

More information will be made available soon regarding the distribution for lycra vests.

While it is difficult to ensure all competitors are issued with a perfect fit lycra vest, within your club you will have enough to swap among competitors. SLSNSW will also have a limited supply of spares at the Championships to exchange.

Please do not order more than realistically required the number of competitors entered in this event. SLSNSW will verify the order against the actual number of entries received and Clubs may be liable for the cost of excessive orders.

If you complete this form and need to update the information, please just complete the form again with the new total lycra vests required. SLSNSW will use the most recently completed order form in the system. SLSNSW will endeavor to send a confirmation, however due to the time frames, this might not be possible.

If your Club has not submitted an order by the closing date, you will be allocated a default number and sizing of lycra vests.

Before you start the order form, you will need;

1. Estimated number of athletes and their sizes
2. Authorisation from your Club. It is highly recommended that Clubs communicate internally and submit the form once per Championships. I.e.; SLSNSW is aware that some larger Clubs handle their administration in different ways; however we require a single club total (per Championship).
