Subject:	Restricted Entry Events – 2019 NSW Age Championships

Following on from the successful introduction of restricted entry events at the 2016 NSW State Age Championships, the Ironperson, Board Rescue and All Age Board Relay will continue to be restricted entry events. The quota was slightly revised in 2018 and the quota (below) remains for 2019.

This enables efficient and effective timetabling of these events from heats to finals with regards to surf/weather conditions.
