<b>From:</b> Phil Ayres, SLSNSW COO
<b>Date:</b> 15 October 2021
<b>Pages:</b> 1
<b>Subject:</b> Membership Expiry Dates

Please be advised all individual memberships which have not been renewed for the 2021/22 season will expire on 30 October.

Any returning (or new) member actively participating in club activities after this time needs to be a fully financial member of a club to be covered by the SLSA group insurance cover. This includes Junior Activities. This also extends to all claims against workers compensation (icare), which is only available to financial members.

Please ensure that all returning members have renewed their membership **and been endorsed by the club** prior to taking part in any activities including patrols, education, training, junior activities, club activities. For the avoidance of any doubt, unfinancial members are not permitted to patrol and should be removed from patrol rosters.

New members need to be registered and endorsed prior to participating in any club activities. They are not covered by last year's insurance and need to be fully registered before they start, in order to be insured.

**Please note that members who are still pending in Surfguard and have not yet been endorsed by the club WILL NOT be insured after the 30<sup>th</sup> October.**

**In the event of an incident, clubs will be liable if they allow members to participate without being fully registered.**

***Please note: If your insurance declaration is still outstanding, our Broker has advised your club may not be covered by the SLSA group insurance policy for any claims made by the club under the policy.***
