Subject:	Order form for Official Competition Lycra Vest supplied by SLSNSW for the 2019 State and Country Championships.

All competitors entered into the 2019 NSW Country and State Championships will be issued an official high visibility pink competition lycra vest. It is a requirement for all competitors to wear the supplied Lycra vest in competition at the 2019 NSW Country and State Championships. See SSM (12.1, d, xviii). Clubs must ensure that competitors wear the approved lycra vest in competition, no other branded vests may be worn. Competitors may be requested to wear the approved lycra vest as part of medal presentations.

Please do not order more than realistically required for the number of competitors that your club has entered in each event. SLSNSW will verify the order against the actual number of entries received and Clubs may be liable for the cost of excessive orders.

If you complete this form and need to update the information, please just complete the form again with the new total lycra vests required. SLSNSW will use the most recently completed order form in the system.

If your Club has not submitted an order by the closing date, you will be allocated a default number and sizing of lycra vests.

Before you start the order form, you will need;

1. Estimated number of athletes and their sizes
2. Authorisation from your Club. It is highly recommended that Clubs communicate internally and submit the form once per Championships. I.e.; SLSNSW is aware that some larger Clubs handle their administration in different ways; however we require a single club total (per Championship).
