SECTION 3. EVENT DETAILS

3.1 EVENT RULES

The Australian Pool Rescue and Interstate Championships 2019 will be conducted under the pool event rules as set out in the [Surf Sports Manual](#) plus any amending Bulletins and Circulars, which can be located within the Members Area. The event will also operate under the [ILS Competition Rule Book 2015 – 2019 \(revised 2017\) Edition](#). The eligibility conditions for age categories, substitution and other required provisions to compete are also provided within the Surf Sports Manual along with all other subsequent bulletins or circulars.

Variation to Swim Fin Specifications for U12 and U13 Events

Following consultation with coaches, competitors, clubs and States the specification for swim fins to be used by U12 and U13 age competitors has been reviewed for this Championships to include the current common designs for fins used by swimmers in their training.

Accordingly, the specifications detailed in section 11.3.1 have been set aside for this competition and replaced with:

“The swim fins used in events for U13 and under aged events are restricted to soft/flexible rubber type fins used for swimming training similar to the styles depicted below:

Please note that fins that do not meet this general profile or are specific purpose diving or surfing/bodyboarding fins and/or with stiff and/or elongated blades, will not be permitted for use in U13 and under aged events.

The swim fins shall comply with the following dimensions:

- Maximum 50cm overall length including the shoe.
- Maximum 25cm width at the widest point of the blade.

Swim fins are to be measured with the shoe or ankle strap extended but not stretched. Swim fins will not be permitted to be used if they do not conform to the specifications or if they are considered to be safety hazard.

Note: Fins are measured while not being worn.

Please note that fins that do not meet this general profile or are dedicated dive fins and those with stiff and/or elongated blades will not be permitted for use in U13 and under aged events.”

It is planned to make amendments to the Surf Sports Manual in due course to reflect the revised fin specification.

States/Territories are permitted to select “State of Bronze Medallion Origin” athletes based on where the member first gained their Bronze medallion award **OR** for the state/territory where the member’s current club is if the member so wishes. Each state will be required to confirm which eligibility status each athlete is being selected under on the team registration form. SLSA will complete an audit of each team to ensure all teams are complying with these rules.

Note 1: *“Current Club and State”:* This means the club and state in which the member currently has his/her competitive rights.

Note 2: *It is the individual member’s choice whether they wish to be considered for selection by their “State of Bronze Medallion origin” or their “Current State of Membership”. It is the role of the State to confirm this with athletes. This must be included in the Pool Rescue Interstate Team Details sheet.*

All team selections and individual event allocations will need to be received by SLSA no later than close of business (AEST) **Thursday, 1 August 2019.**

5.7 DRAFTING

Drafting is only permitted for the Relay events. SLSA will facilitate an athlete draft to ensure:

- Each affiliated State/Territory has a full team roster for the relays (where possible).
- That non-selected (from primary nomination) athletic talent is spread around teams requiring draft athletes.

The draft process shall be as follows:

- Athletes may elect to nominate into the drafting for relay events should their primary nomination for a State team be unsuccessful.
- SLSA will release athlete entries to State/Territory centres by **Monday 29 July 2019**.
- State/Territory centres shall forward all athlete nominations and drafting requirements to SLSA by **Monday 29 July 2019**

- No relay team changes are permitted unless an injury occurs or evidence of an exceptional circumstance is provided.
- There shall be no penalties for drafting. States/Territories are advised there may be reducing draft athlete allowances in the coming years.

5.8 POINTSCORE

All events conducted shall be of equal points and the State/Territory with the highest aggregate of points being declared the SLSA Interstate Pool Rescue Champions 2019.

Point score points shall be allocated on a 7, 6, 5, 4, 3, 2, 1, basis for the positions 1st – 7th for each event contested. Nil points will be earned in the case of disqualification and/or a “did not enter” and/or “did not finish” results.

The Interstate Relay events will be conducted separately to the Club Relay events.

Note: Teams with drafted athletes may earn 100% of their placing points in relays.

The individual events will be conducted as part of the Club Championships. States will be required to nominate **one** athlete only from their selected team to represent them in the above events. The nominated athletes will compete concurrently for both their club and state in individual events and will accumulate placing points for both.

Note: To achieve this, two separate scores will be kept - one for the Interstate and one for the inter club. As an example if a state team nominated athlete was 6th place overall in a race but was place

third among other states nominated athletes they would be 6th in the interclub and 3rd in the interstate event and would be awarded placing and points for both accordingly.

Dead heats in events shall be declared as such with teams sharing the placing points for the placing attained, e.g. equal 3rd receives 5 points each with 5th placing receiving 3 points.

The occurrence of a tie at the conclusion of the competition will result in a count back of best finishes (that is, number of 1st's, if still equal, number of 2nd's and so on until a winner is declared). If this method cannot separate States/Territories, joint winners will be declared.

5.9 TROPHIES AND PRESENTATIONS

Teams will be competing for the Interstates Pool Rescue Trophy (a cumulative point score for all events). No interstate medals will be awarded for placings in individual or relay events.

State teams placing 1st, 2nd, and 3rd in the Interstate Pointscore shall receive Interstate Championship medallions for all team members.

The Alan B Whelpton AO Perpetual Shield (for the overall point score of Ocean, Pool, Surf Boat and IRB Interstate Championships) shall be awarded at the 2020 Ocean Interstates Championships. The pointscore for this Shield shall be determined by the overall placing result recorded by States/Territories in each of the Interstate Championships. In this regard States/Territories shall be allocated points on a 7, 6, 5, 4, 3, 2, 1, basis for their relative 1st – 7th placing in each Interstate Championship (Beach/Ocean, Boat, Pool, IRB). The State/Territory with the highest aggregate of points shall be declared winner of the Shield.) In the event of tied points a count back of best overall results in the four championships (Beach/Ocean, Boat, Pool, IRB) will determine the winning placings and so on until a winner is declared). If this method cannot separate States/Territories, joint winners will be declared.
