Youth Engagement Program

YEP, we're about youth members who want to make the most of what Surf Life Saving has to offer. By saying yep and having a go at all surf club activities and opportunities available, you will clock up 'surf creds' which result in national recognition awards along with your log of all the amazing skills and experiences you have gained.

Youth Engagement Program provides you with the perfect excuse to have fun, try new things and spend more time at the beach. You will gain valuable skills, keep fit and active; while doing your bit for the community.

C'mon, challenge yourself. Its time to say YEP!

Find out more at sls.com.au/youth, or contact your State Centre or club YEP coordinator.
