For Champion Lifesaver and Patrol Competition car parking is available at Swansea Belmont SLSC or in the surrounding streets. Please be respectful of the local residents and only park in designated areas. Parking will be enforced by Lake Macquarie City Council with fines issued to those people that do not park in the designated areas.

For First Aid competition parking will be at the Blacksmiths Soccer Club, Blacksmiths Public School and in surrounding streets (Note: As this is also the Age Championships weekend the area will be busy).

On arrival, rescue boards and rescue tubes can be dropped off and left on the grass at Swansea Belmont SLSC.

Competition Area

The competition area will be made up of 2 areas – Water 1 and a Beach Area. Theory papers and resuscitation will be completed upstairs at Swansea Belmont SLSC.

Theory Paper

This year Surf Life Saving NSW will again use the grading software known as 'Grade Your Test' to help speed up the process of marking for Champion Lifesaver and the Patrol Competition. You will be given instructions on the day on how to complete the answer paper. Answer papers will be scanned and uploaded to the grading software in which it will automatically mark the paper and Officials will then double check the results.

Team Managers Meetings

7.45am on the morning of each Championships prior to competition.

Contingency Location:

The contingency location for the Carnival is Caves Beach (approximately 10 minutes' drive south of Swansea Belmont SLSC). Should the contingency location be activated, this will be communicated to competitors.

Water Warm up Areas

No competitor should be within 50m of the water areas whilst the courses are being set by the SLSNSW IRB Powercraft team. This is not only a safety issue but it ensures that the courses are correct. Any members/clubs that do not adhere to this may face a disciplinary committee.

It is recommended that all clubs continue with their risk assessments prior to entering the water for warm up activities.

Social Media and Results Updates

SLSNSW will be posting results and uploading pictures from the event on our website and social media accounts.

No competitor, team manager, official or spokesperson for a club shall make media statements which could bring the Country Championship, its sponsors, or officials into controversy or disrepute. Such statements will be a breach of policy and could potentially result in sanctions against members involved. Drones:

For the safety of competitors, officials and spectators SLSNSW prohibits the use of drones or Unmanned Aerial Vehicles (UAV) at these Championships by members and/or public unless approved by SLSNSW, 7 days prior to the event. The operator must supply an operations manual (including risk management plan), provide a copy of public liability insurance and comply with all Civil Aviation Safety Authority (CASA) requirements. SLSNSW may be utilising the services of Little Ripper and Lifesaving UAVs to conduct aerial surveillance and monitor hazards.

Behaviour/Misconduct:

Misconduct before, during and after the Championships will not be tolerated. Offending members risk disciplinary action against themselves and their Clubs.

Please refer to Surf Sports Manual sections 2.26 SLSA Code of Behaviour and 2.27 Abuse/Inappropriate Behaviour and the Policy 6.5 – Member Protection Policy (available online at Members Portal > Library > Governance > Policy > SLSA > Policy 6.5).

All protests shall be lodged with the appropriate Liaison Officer in each Area in accordance with the procedures set down in the current edition of the SLSA Surf Sports Manual and any subsequent bulletins, and shall identify the specific sections/clauses in the Competition Manual and or event rules upon which the protest is based.
