Clubs are asked to set club tents along the beach in front of the dune area (where indicated by signage on beach) and by referring to the overview map. Please do not set up tents within the dune area unless otherwise indicated by signage and be aware of the dune systems by limiting your impact on the dunes.

Assessment of Conditions and Investigation of Alternative Venues:

The Competition Committee is responsible for assessing the situation and making a decision as to whether part or the entire event is relocated.

Relocation Timings:

The decision to relocate part or all of an event will be made as early as possible.

If the event is to be relocated, a decision must be made as to the following:

- The events to be moved
- The timings to commence the relocated events
- The alternative location to be used

TRAFFIC FLOW / PARKING

Please refer to the overview map on page 7.

It is highly recommended that traffic coming north bound (from Sydney) takes the Gommara Street intersection at the lights and not the intersection prior (Bali Street). There will be a VMS board advising of this upon approach.

Strictly no parking will be available at the designated car park areas close to the Club as these will be reserved pre-approved persons holding the correct pass.

Please be respectful of the local residents and only park in designated areas. Parking will be enforced by Lake Macquarie City Council with fines issued to those people that do not park in the designated areas.

Drop Off Area

There will be a designated drop off area close to the Club.

All trailers, including gear left on trailers is the responsibility and care of Clubs. SLSNSW does not recommend craft being left on these trailers, especially overnight.

SECURITY

There will be security on site for the duration of the carnival. Although security is present, any valuables and/or craft should not be left in Club tents or in the vicinity of the Club house. All craft are to be taken with you at the end of the day.

Any person/s found stealing signage or any equipment owned by SLSNSW or its sponsors will immediately be brought before a Carnival Disciplinary Committee or a SLSNSW Judiciary for further action.

CLASHING OF EVENTS

Competitor Liaison Officers have been appointed in each area to assist competitors.

Clashing of events is not anticipated in the finals however, some clashes may be experienced during the heats. Any competitor who finds that their event clashes with another event should consult their Team Manager, who in turn should consult the Competitor Liaison Officer in the relevant area.
