Volunteer Quota (Pool Setters & Time Keepers)

While Officials have been appointed to coordinate the event, a shift ratio (pool setters and timekeepers) has been developed based on the number of participants per club from the number of entries. This is required to ensure the efficient running of this Championship event and SLSNSW appreciates your involvement.

Please note these volunteers will not receive event catering (morning tea or lunch). Only appointed accredited officials will receive catering.

Pool Setters are reminded to bring:

- Lunch,
- Swimmers,
- Towel,
- Goggles and
- Fins

Time keepers will not be required to bring their own stop watches as these will be supplied by SLSNSW.

Please refer to the following link to see your Clubs quota and allocation for Pool Setting and Time Keeping.

Heat Sheet

The Heat Sheet will be uploaded on Monday 9 July on the Pool Rescue Championships Event Page ([Click Here](#)). Please refer to the Heat Sheets generated from team entries submitted from Team Entry Files. Please check the competitors and events are correct. This will reduce the administration burden on Saturday and Sunday morning.

For any updates/changes please submit these by Thursday 12 July by 12 noon via email to cnowland@surflifesaving.com.au

The Psych Sheet can be downloaded from - <https://www.surflifesaving.com.au/downloads/2018-pool-rescue-championships-full-psych-sheet>

Heats / Lane Draws

Heat/Lane draws will be available on the day for the competition and provided to Team Managers at the Team Managers Meeting.

Due to the number of NT (no time entries) and the transfer of the meet file to the Electronic Timing Pad Computer system, bugs and errors are created and can affect the random draws.

Team Managers are asked to check the event start lists and record any changes or scratchings via the 'Team Changes Notification Advice' In an effort to minimise the number of people in the administration room - Team Managers are asked to submit changes on the forms supplied and can also be accessed from the following link:

<https://www.surflifesaving.com.au/downloads/2018-slsnsw-pool-rescue-championships-team-changes-notification-advice>
