

NSW Surf Life Saving Age Championships

Inclusive Events

An overview for clubs and members

SLSNSW is committed to the inclusion of people of all abilities, and will stage for the first time at the 2019 Age Championships an inclusive surf, board, sprint and flags events. Beach relays will be run if numbers suffice.

Who can participate?

Any members with a disability can participate in these events!

Members of any age and any ability can participate – you just need to be a current financial member of a Surf Life Saving Club. Members may be part of a Club's inclusive program, or may participate in Club nipper activities (in any age group).

How to Enter

Entries are submitted by emailing Claire Bevis by Friday 25th January 2019.

No entries via carnival manager.

Please email the following information for each member:

- Name, age, gender, club
- Events the member may participate in and any access requirements / additional information
- Please also advise the name and contact details of the person from your Club who will be supporting these members and act as our 'go to' person on the day.

Members are asked to bring along whatever they need to compete on the day – swimmers, goggles, a club or fluoro cap.

An 'Event Details' flyer will be provided to clubs and members participating in the State Age Championships inclusive events outlining additional event information. This will include information on what to expect on the day, what to bring, parking and drop off zones, a site map and contact details.

Aden Clarke, North Cronulla SLSC, supported by his mates at the 2018 State Champs.

Spirit of Inclusion at State Champs

With more than 2,000 Nippers competing at the 2018 NSW Surf Life Saving Championships at Swansea Belmont SLSC, there was no shortage of stories of great sportsmanship or displays of camaraderie. But perhaps none was more uplifting than seeing young Aden Clarke from North Cronulla SLSC, surrounded and supported by his mates, competing at his first State Champs. [Continue reading](#)
