INTRODUCTION:

This event guide contains information in reference to the conduct of the 2019 Youth Pathway Cup (YPC) to be held at Newport Beach, NSW and supported by Newport SLSC on Thursday 24 January 2019, alongside the Interstate Championships (conducted by SLSA).

A final event memo will be released 1 week prior to the event. The purpose of this document is focussed on the competition aspect however information will be distributed to the States regarding the camp and joint training/development sessions separate to this event guide as required.

EVENT INFORMATION:

States will be responsible for the selection of their representative teams and make their own arrangements regarding equipment and outfitting, transportation of teams to Sydney.

Insurance for all competition equipment including tents, trailers and surf craft is the responsibility of the individual competitors or State Team Management. SLSNSW and/or Newport SLSC will not accept the responsibility for loss, damage or theft of equipment.

ENTRIES AND ENTRY FEES:

The entry fee for each competitor is \$20 (incl GST) per competitor.

SLSNSW will invoice each State \$20x 20 = \$400 (incl GST)

SLSNSW will manage the funds to assist with event logistics to stage the event in conjunction with SLSA

Entry fees are to assist with the delivery and logistics of the YPC on top of the Interstate event

Entry fees are not refundable if members do not take part in the YPC or if the event is cancelled or suspended.

ELIGIBILITY TO COMPETE:

All competitors must hold a proficient **Surf Rescue Certificate** and meet their States requirements with regards to SLSA Policy 5.04. It is a States requirement to ensure that all competitors are compliant.

Reference is made to: 35th Revised Edition Surf Sports Manual (SSM) revised July 2018

2019 YOUTH PATHWAY CUP COMPETITION COMMITTEE:

The 2019 Youth Pathway Cup Competition Committee (CC) will direct all matters relating to the actual conduct of the competition. The Competition Committee may, subject to the rules in the Surf Sports Manual (35th revised edition) and event rules, any subsequent amending bulletins and this Circular, postpone, cancel and/or alter any or all events, and alter the venue of the competition.

Carnival Referee (Chair)	Dave Thompson
Local Organising Committee, Newport SLSC	Glen Borg
Sport Manager, SLSQ	Stu Hogben
Sport Manager, SLSNSW	Rob Pidgeon

2019 INTERSTATE & YOUTH PATHWAY CUP SAFETY AND EMERGENCY COMMITTEE:

The 2019 Interstate and YPC Competition Safety and Emergency Committee (SEC) will direct all matters relating to the safety of the competition.

A Safety Operations Manual (SOM) is in place to ensure appropriate procedures are in place if an emergency occurs during a competition.

The objectives of the plan are to:

- Outline the facilities that will be utilised during the event.
- Identify those persons with the authority to initiate the plan.
- Outline command and control functions.
- State the activation methods for internal and external agencies and services.

The SEC shall determine the response to hazards as they occur, or otherwise as required and provide safety advice to the Competition Committee. The sole responsibility for suspension, cancellation, postponement or relocation of part or all of the competition rests with the Competition Committee.

The decision to enact the Contingency Plan is the responsibility of the Competition Committee. The Safety and Emergency Management Coordinator is solely responsible to the Competition Committee for recommendations concerning competition safety.

Surf Life Saving Australia will appoint the SEC for Interstate. Youth Pathway Cup Competition Committee will report to the Interstate SEC on safety matters only.

Safety & Emergency Management Coordinator / Committee Chair	Stephen Leahy
Deputy Referee	Michael Bate
First Aid/Medical Coordinator	TBC
Powercraft Coordinator	Peter Hogarth
Newport SLSC Representative	Glen Borg
Female Athlete Representative	TBC
Male Athlete Representative	TBC

EVENT CONDITIONS:

The general competitive conditions as detailed in the current edition of the SSM and any subsequent Bulletins shall apply to the conduct of these events except where amended by these Championship rules.

All events where possible and, conditions permitting, shall be conducted as finals.

The primary amendments are:

a) Water Courses:

With the exception of the Board Rescue Relay all individual and team water events will be conducted around the buoy courses, and distances, set for the individual legs of the Ironperson event (as per the current edition of the SSM) e.g. All Surf Races/Teams will be conducted only around the string of nine set at a minimum distance of 120 metres, conditions dependant

The Board Rescue Relay event shall be conducted as per the standard courses outlined in the current edition of the SSM.

b) Water Event Starts:

Unless otherwise advised, all water events, with the exception of the Board Rescue Relay and Run-Swim-Run, shall be started on the beach approximately 15 metres from the water's edge (run start). Craft will be placed in front of the start line and as close as practicable to the water's edge. Handlers are not required for the start of events.

c) Water Event Finishes:

Unless otherwise advised, all water events, with the exception of Board Rescue Relay, Surf Teams and Run-Swim-Run, shall finish as per the Ironperson races (run finish). Craft may be abandoned after rounding the last turning buoy of the swim course. Handlers are to be used to remove craft from the course.

d) Change Over Area and Tagging for Relay Style Events:

In all relay style events (except the Board Rescue Relay) the Carnival Referee will designate a Changeover Area. In the Changeover Area only the incoming competitor must tag the outgoing competitor. The tag can take place on any part of the outgoing competitors' body. Any breach of the Changeover Rule may result in disqualification.

e) Entry Condition:

If a Member has been injured & processed through iCare (WorkCover Authority New South Wales) & wishes to compete in a SLSA Competition or returning to SLSA Surf Patrol Duties etc, then they MUST complete & submit a Return to Surf Duties Form BEFORE returning to ensure full medical clearance.

f) Board Rescue Relay:

Due to composition of 2 teams per State resulting in 12 lanes, events 37 & 38 will each be split into two (races) finals of 6 – e.g. #37 final 1, final 2, #38 final 1, final 2.

The procedure to determine this will be as follows;

1. States will have their two named Board Rescue Relay Teams in a hat.
2. A States' first team drawn will be in final 1
3. A States' second team drawn will be in final 2
4. Placing's will be determined by 1 – 6, 7 – 12 in the respective Finals.
5. The two placings are added together to give the Team placings and the points will be allocated as per p.10.

6. At the discretion of the Referee, the event may be run as a straight final of 6, if this occurs, States will be able to determine their own best configuration (ie; it will not be a random draw).

Each race to be conducted as follows: with U14 & U15 Male, event as an example:

1. The event is conducted over the normal board rescue course as laid out in the SSM.
2. The race commences with the U14s completing a Board Rescue event as per the SSM.
3. On both U14 competitors crossing the start/finish line in contact with their board, the U15s will then complete a Board Rescue event as per the SSM. (Both U14 competitors must cross the start/finish line between the 2 coloured flags only. It is not a requirement they cross the start/finish line adjacent to their designated marker however the outgoing U15 swimmer and paddler must start from their designated marker. It is the responsibility of the U15 swimmer not to cross the start/finish line until both U14 competitors have crossed the start/ finish line in contact with their board. Any breach of this rule may result in disqualification.)
4. The finish of the event will be judged on the first U15 team to cross the finish line as outlined in the SSM.
5. If surf and weather conditions permit the event will be conducted utilising 9 cans with each State being designated a can and marker at the commencement of the event.
6. If surf and weather conditions do not permit the event to be conducted utilising 9 cans. Heats and finals will be conducted at the discretion of the Carnival Referee.

g) Beach Sprints

Due to the composition of 2x competitors each State = 12 competitors, each event will be split into an A&B final. There is still the opportunity for a state to have both their competitors in Final A, but the points will be more fairly allocated based on true final placings across all 12 competitors.

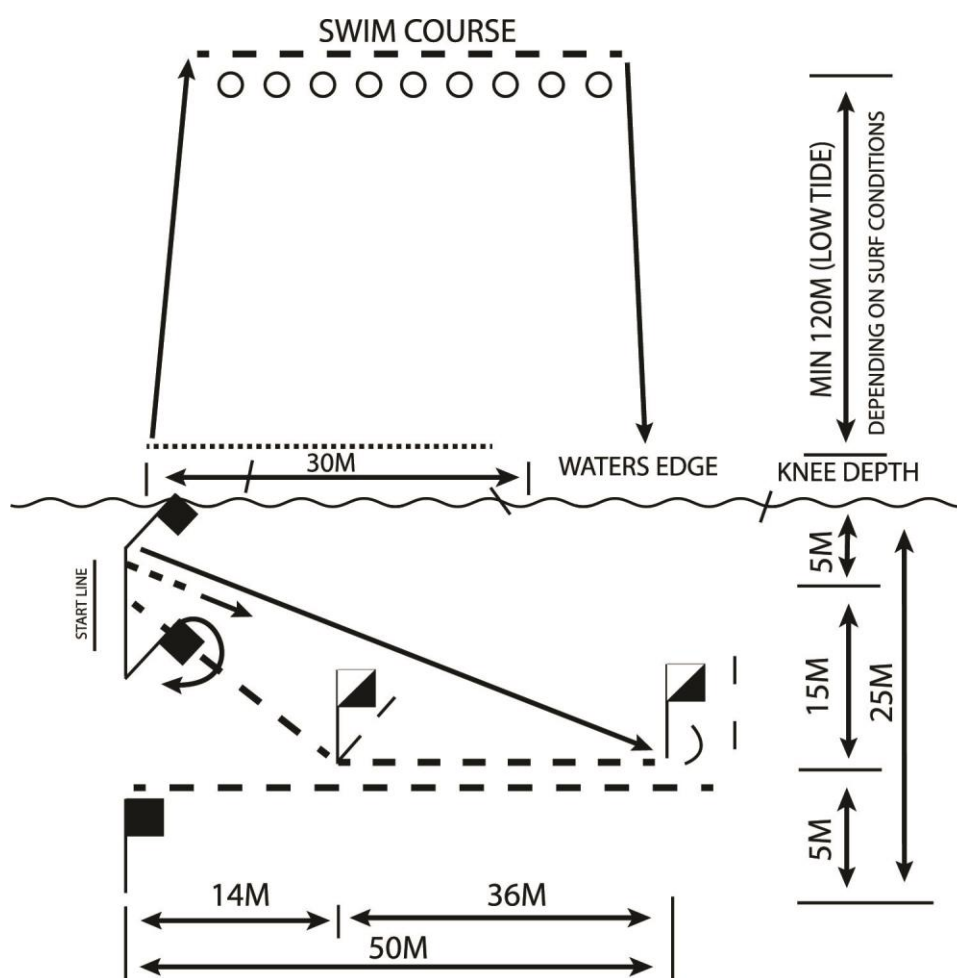

The procedure to determine this is as follows:

- 1) The two competitors from each State will have a random draw to place them in Semi Final A or Semi Final B with 6 competitors in each.
- 2) The top 3 of each Semi-Final will be put into Final A, which will consist of 6 competitors – these competitors will compete for the placings 1 to 6
- 3) The bottom 3 competitors will be put into Final B, which will consist of 6 competitors – these competitors will compete for the placings 7 to 12
- 4) The two placings are added together to give the Team placings and the points will be allocated as per p.10.

h) Run – Swim – Run

Run-Swim-Run event will utilise the traditional iron course turning flags and swim course with race details listed below. Start line will be placed in line with the finish flags on the water side of the Green & Gold Turning flags.

1. Competitors will line up on the Start line facing towards the southern Green and Gold turning flag. At the starters command the competitors will run towards the southern green and gold turning flag and round the flag heading back towards the northern green and gold flag.
2. Upon reaching the northern green and gold turning flag the competitors will make a right hand turn and proceed to the waters edge and proceed around the designated swimming course. Upon rounding the final turning buoy the competitors will return to shore.
3. Upon reaching the shore competitors will finish the race as per standard Iron course by rounding the southern green and gold turning flag and finishing between the green finish flags.

Notes

Team managers will be required to submit their Team Configuration prior to the first race at the latest.

Note 1: The minimum Team Management composition should contain both Male and Female appointees. In this regard it is recommended that States appoint males and females proportionate to the team management size. There is no limit on the Team Management however only 2x State representatives will be nominated and permitted to act as Team Managers (for meetings etc.).

Note 2: Refer to SLSA Policy 5.04. All selected competitors must be proficient to the relative SLSA Award for their age group and, as appropriate, have satisfied the patrol requirements as specified by their Clubs. Competitors and Team Management must also be current financial members of their respective surf club.

Note 3: All Competitors must have their appropriate age group clearly marked on their arms, (i.e. U14 or U15) as well as their unique competitor number on the back of their hand. These competitor numbers will be sent to Team Managers in the week leading into the Championship.

Note 4: Any substitution/s required by a State, can only be made from within the nominated team and can only be substituted from the competitor's same age group. I.e. an injured Under 14 competitor can only be substituted for an existing Under 14 competitor from the same State already entered in the competition.

TEAMS:

State Team

A State Team (20) will consist of the following:

There are to be a maximum of 5 males and 5 females in each age group from U14 to U15 (inclusive).

Competitors must compete for the whole of the Youth Pathway Cup in either U14 or U15 but are not permitted to double dip

Team Management

1x Coach 2x Assistant Coach

1x Manager

(There should be a balance of male and female team management)

Handlers

Each state is permitted two handlers to assist with craft. Handlers must wear a State competition cap and approved high visibility garment.

Drafting Arrangements

There are no drafting arrangements for the YPC.

State of Origin

Due to the emphasis on supporting athlete development, there are no State of Origin selections for the YPC.

Naming of Team

SLSNSW is suggesting that States announce teams by **Monday 17 December 2018**.

POINTS SCORE:

Placing in Finals

Placings in finals will be allocated points on an, 6, 5, 4, 3, 2, 1, basis for the positions 1st – 6th for each event contested.

Team Events

In all events, the results of the 1st, 2nd, 3rd or 4th competitor (if a 4 competitor team event) from each team placings shall be determined by allocating 24 points for 1st place across the finish line down (if 6 State teams are competing) to 1 point for the 24th competitor to correctly finish. Any State who competes with less than the required number of competitors in the events, or who has one of their competitors disqualified, then that State may still earn aggregate points based on the satisfactory completion of the race by the other members of the team e.g. Board Teams Race (6 State teams x 3 competitors each would gain 18 points for 1st down to 1 point for 18th place), State “A” with only two starters – 12 points (7th place) +8 points (11th place) + 0 points (say a non-starter or DQ) =20 aggregate points. The effect of this is that all State teams are eligible to earn points in all races provided they have at least one competitor complete the course. Once the team member aggregate points from each State are added together, the team with the highest points shall be declared the winner of the event. The points will then be allocated to the State teams as detailed in the first paragraph (i.e. 6 for 1st, 5 for 2nd and so on).

Event Dead Heats

If aggregate points result in a dead heat between States, then the State that has all team members finish in front of the other competitors will be declared the winner. E.g. in a 2 competitor event such as Iron Person Teams; State “A” finishes 1st and 7th and State “B” finishes 2nd and 6th, both receive 42 aggregate points, then State “B” would be awarded the higher placing because their second competitor finished in front of State “A” second competitor.

Relay Events

In the Beach Relay, Board Rescue Relay, and Cameron Relay races the results shall be determined as per the finish order of correct completion of the race and points awarded as per the first paragraph.

Overall YPC Pointscore

The State with the highest aggregate of points at the conclusion of the competition shall be declared the winner. Further to this when the event has concluded and if there is a tied pointscore, then the State with the most 1st placings shall be declared the winner. Failing this, the State with the most 2nd placings to the last placing points awarded respectively will be taken into account to determine a winner. If, after this procedure there is no single winner, then the pointscore will be declared a tie and dual trophies will be presented.

PRESENTATIONS:

State YPC Teams will be competing for the Youth Pathway Cup. The trophy has been donated by SLSNSW and was formerly known as the “Warriors on Water” Trophy won by NSW in 2005 in a one-off competition between Queensland and New South Wales at Port Macquarie, Mid North Coast, NSW.

The State Team placing 1st, 2nd and 3rd will also receive Youth Pathway Cup medals for 20 team members and 4 team management.

Presentation of medals and the trophy may occur on the Interstate podium at Newport Beach, prior to the Interstate Championship presentation.

DRAWS AND BALLOTS:

Initial draws will be undertaken for the first event conducted in each of the water area and beach areas of competition. Subsequent draws will be of the ‘rolling draw’ format where all States will move sideways one beach position in each event conducted in the area. Draw for order of the Ironperson and Cameron Relay events will be undertaken at the Team Managers meeting. The Referee will undertake any other ballots required on the beach on the day of the competition.

COMPETITION AREAS:

As the second time that the Youth Pathway Cup is being contested, organisers have been working with SLSA to deliver this event in conjunction with the Interstate Championships.

All States and SLSA are confident that this will be a successful event, however all involved; from athletes, team management to parents and spectators need to understand that the format of the YPC is different to a standalone event and as such your patience and understanding is appreciated as we all work towards the same goal.

At the time of this event guide, YPC will have a dedicated water area (north or south) while beach sprints and flags will be run by the Interstate Beach Referee. It is the intent for YPC to finish all events in time to allow competitors to support the Interstate Final events.

Some events may be run concurrently with another.

COMPETITION EQUIPMENT AND SPECIFICATIONS:

Each team shall be responsible for the provision of their own surf craft. All equipment used in competition is to comply with SLSA specifications and have been scrutineered.

Please note: Each team member must have a pink high visibility vest to be eligible to compete in any water based event. States are to supply their own pink high visibility vests, these will not be supplied by SLSNSW or SLSA.

VOLUNTEERS:

Water Safety

Supporters from the States are asked to nominate to assist with Water Safety duties to ensure the safety of our members. There is no quota, but please seek availability from supporters once teams are selected. It is anticipated that 2 shifts of 2 hours each are required (2-4pm, 4pm-6pm). Water Safety Personnel must hold their SRC award as a minimum and provide their own High Visibility Orange Rash Shirt and Cap.

Powercraft

Expressions of interest are also sought for Powercraft duties to assist with course setting and water safety. It is anticipated that 2x IRB Drivers and crewpersons are required on 2 shifts of 2 hours approx. (2-4pm, 4pm-6.30pm).

Officials

Accredited officials will be required to assist with the YPC. Given that the Interstate draws a large resource of official, States are asked to seek availability from supporters once teams are selected.

Due to the nature of this event, while it is competitive; the emphasis is on creating a fun and positive environment for our youth and appointed officials are expected to align with these goals.

PROTESTS:

All protests shall be lodged with the appropriate Competition Liaison Officer in accordance with the procedures set down in the SSM and any subsequent bulletins, and shall identify the specific sections/clauses in the Competition Manual and or event rules upon which the protest is based.

Protest Forms will be readily available from the Referee Steward. An "Appeals Fee" of \$110.00 (incl GST) must accompany all protest appeals when submitted to the Appeals Committee for adjudication. If the appeal is upheld, then the Appeals Fee will be fully refunded.

MEDIA:

Media Statements

States will be permitted to promote the event and their team within their State. However, no competitor, team manager, official or spokesperson shall make media statements, which could bring the Youth Pathway Cup event into controversy or disrepute. Complaints regarding the organisation of the Youth Pathway Cup, or any other matters, should be directed through the Competition Committee. All official complaints will be acknowledged.

Photography & Media

SLSNSW prohibits the use of drones or Unmanned Aerial Vehicles (UAV) by members and/or public unless approved by SLSNSW, seven days prior to the event. The operator must supply an operations manual (including risk management plan), provide a copy of public liability insurance and comply with all Civil Aviation Safety Authority (CASA) requirements.

SLSNSW will not be issuing any media/photography accreditation to team members or team management.

ANTI-DOPING:

Members have responsibilities under Policy 5.2 Anti-Doping Policy & Policy 6.23 Illicit Drugs in Sport (both available online at Members Portal > Library > Governance > Policy > SLSA > Policy 5.2 & 6.23). Members have a duty to avoid all prohibited substances and prohibited methods and should be aware of the policy if medication is required. If appropriate, advice should be obtained from medical practitioners, pharmacists, the Australian Sports Anti-Doping Authority (<https://checksubstances.asada.gov.au>) or 13000 ASADA (1300 027 232).

It is strongly recommended that all Team Managers complete the Anti-Doping Level 1 course via the ASADA website at <http://elearning.asada.gov.au/index.php> which will provide information on how to keep Australian sport clean from illicit and banned substances as well as how to keep updated with changes on the banned substances list. If you have previously completed the Anti-Doping Certificate this is valid indefinitely.

MATCH FIXING:

Members have responsibilities under Policy 5.11 National Policy on Match-Fixing (available online at SLSA Members Area > Library > Governance > Policy > SLSA > Policy 5.11). To assist members understand what Match-Fixing is and how it can affect our sport, it is recommended to complete the Match-Fixing online course at <https://elearning.sport.gov.au/> This e-learning program is designed to help you understand what match-fixing is, its consequences, how to recognise it and report it. If you have previously completed the Match Fixing Certificate this is valid indefinitely.

Both the above ASADA and Match-Fixing online courses are free of charge and provide an opportunity to develop a knowledge and understanding of Anti-Doping and Match-Fixing in sport. SLSNSW strongly believe this is a great additive to the structure of any Surf Lifesaving competition and provides vital education for any athlete, coach and official.

BEHAVIOUR/MISCONDUCT:

Misconduct before, during and after the Championships will not be tolerated. Offending members risk disciplinary action against themselves and their Clubs.

Please refer to 35th (Revised) Surf Sports Manual sections 2.27 SLSA Code of Behaviour and 2.28 Abuse/Inappropriate Behaviour and the Policy 6.5 – Member Protection Policy (available online at Members Area)

TIMETABLE:

A draft is supplied below for reference. Timings are approximate only and are subject to change

6.30am	Safety Committee Meeting Competition Committee Meeting

4pm	Interstate finished
4.15pm	YPC Presentation starts
4.30pm	Interstate Presentation starts
5.00pm	Interstate Presentation finish
5.15pm	Teams depart

*** Approx. timing conditions dependant**

EVENT COMPOSITION:

#	Event	Details
1	U14 Female Surf Teams	1 team per state (4 competitors per team)
2	U14 Male Surf Teams	1 team per state (4 competitors per team)
3	U15 Female Surf Teams	1 team per state (4 competitors per team)
4	U15 Male Surf Teams	1 team per state (4 competitors per team)
5	U14 Female Board	3 competitors per state
6	U14 Male Board	3 competitors per state
7	U15 Female Board	3 competitors per state
8	U15 Male Board	3 competitors per state
9	U14 Female Beach Sprint	2 competitors per state
10	U14 Male Beach Sprint	2 competitors per state
11	U15 Female Beach Sprint	2 competitors per state
12	U15 Male Beach Sprint	2 competitors per state
13	U14 Female Beach Relay	1 team per state (4 competitors)
14	U14 Male Beach Relay	1 team per state (4 competitors)
15	U15 Female Beach Relay	1 team per state (4 competitors)
16	U15 Male Beach Relay	1 team per state (4 competitors)
17	U14 Female Iron	3 competitors per state
18	U14 Male Iron	3 competitors per state
19	U15 Female Iron	3 competitors per state
20	U15 Male Iron	3 competitors per state
21	U14 Female Board Relay	1 team per state (3 competitors per team)
22	U14 Male Board Relay	1 team per state (3 competitors per team)
23	U15 Female Board Relay	1 team per state (3 competitors per team)
24	U15 Male Board Relay	1 team per state (3 competitors per team)

#	Event	Details
25	U14 Female Run-Swim-Run	3 competitors per state
26	U14 Male Run-Swim-Run	3 competitors per state
27	U15 Female Run-Swim-Run	3 competitors per state
28	U15 Male Run-Swim-Run	3 competitors per state
29	U14 Female Flags	2 competitors per state
30	U14 Male Flags	2 competitors per state
31	U15 Female Flags	2 competitors per state
32	U15 Male Flags	2 competitors per state
33	U14 Female Cameron Relay	1 team per state (5 competitors, 2 board, 2 swim & 1 runner)
34	U14 Male Cameron Relay	1 team per state (5 competitors, 2 board, 2 swim & 1 runner)
35	U15 Female Cameron Relay	1 team per state (5 competitors, 2 board, 2 swim & 1 runner)
36	U15 Male Cameron Relay	1 team per state (5 competitors, 2 board, 2 swim & 1 runner)
37	U14/U15 Female Board Rescue Relay	2 teams per state (8 competitors)
38	U14/U15 Male Board Rescue Relay	2 teams per state (8 competitors)

Contingency Program

If on the day of competition that conditions are likely to increase the timeframe of events being conducted and the competition not being completed by 6pm, the following events due to their timing length will be considered by the Competition Committee and may or may not be held.:

21 – 24 Iron Person

33 – 36 Cameron Relay

The Competition Committee will undertake standard processes to postpone, cancel and/or alter any or all events, and alter the venue of the competition.

The contingency location is designated as Collaroy Beach, NSW

ROLLING DRAW:

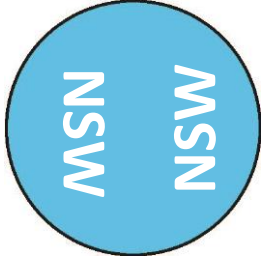

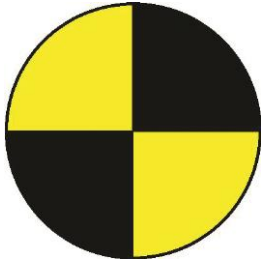

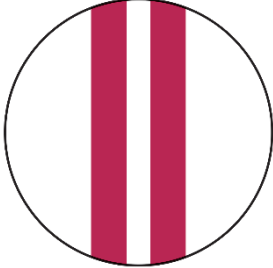

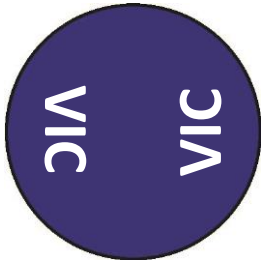

Event:	Lane 1	Lane 2	Lane 3	Lane 4	Lane 5	Lane 6
1 – 4	NSW	WA	QLD	VIC	SA	TAS
5 - 8	TAS	NSW	WA	QLD	VIC	SA
9 - 12	SA	TAS	NSW	WA	QLD	VIC
13 - 16	VIC	SA	TAS	NSW	WA	QLD
17 - 20	SA	VIC	SA	TAS	NSW	WA
21 - 24	TAS	SA	VIC	SA	TAS	NSW
25 - 28	NSW	TAS	SA	VIC	SA	TAS
29 - 32	WA	NSW	TAS	SA	VIC	SA
33 - 36	QLD	WA	NSW	TAS	SA	VIC
37	VIC	QLD	WA	NSW	TAS	SA
38	SA	VIC	QLD	WA	NSW	TAS

Note:

- A. In this rolling draw, each State is moved 1 position down the line.
- B. Where there are 2 or more starters from a State in an event, the lane order repeats in the same order as 1 – 6 as many times as required.

STATE COMPETITION CAPS:

		
New South Wales	Western Australia	Queensland
		
Victoria	South Australia	Tasmania

RESULTS LIST:

	New South Wales	Western Australia	Queensland	Victoria	South Australia	Tasmania
2018	170.00	98.00	150.00	87.00	65.00	n/a
Freshwater, NSW	1 st	3 rd	2 nd	4 th	5 th	n/a
2019						
Newport, NSW
