# WELCOME MESSAGES

I'm very excited to once again be back in Lake Macquarie and the wonderful Blacksmiths Beach for the 2019 NSW Surf Life Saving Championships.

To host an event of this size requires a great deal of hard work and commitment and I would like to acknowledge the efforts of the Swansea Belmont Organising Committee led by President & Chair Graham Burge, and of course the entire membership of the club who have stepped up and done everything possible to ensure that this year's event will be another great success.

The club now has plenty of experience hosting major surf events and it's extremely pleasing to see the enthusiasm of everyone involved.

Over the three weekends of competition almost 6,000 of our members ranging in age from 9 to over 70 will be competing for medals in around 400 events, and I know that we are all looking forward to seeing our members test themselves against the best from around the state.

An exciting addition to this year's program are the Inclusive events being staged for the first time at our Age Championships. We want all our Nippers to be able to enjoy the fun of competing with their friends and we hope the

kids participating in our Inclusive program will have a great time.

I would like to thank our principal partner ClubsNSW for their ongoing support of Surf Life Saving NSW. For a number of years now this partnership has brought significant benefits to our members and I know that this ongoing support is truly appreciated by everyone.

Lake Macquarie City Council has been an enthusiastic supporter of the event ever since Swansea Belmont SLSC was named as hosts back in 2016, and it's great to see this relationship go from strength to strength with the recent announcement that we will be returning here in 2020.

I would also like to take this opportunity to acknowledge and thank all the referees, officials and volunteers, in particular our water safety and first aid personnel, who give up so much of their time during the season to make surf sports events possible at every level.

On behalf of the Board of Surf Life Saving NSW, I would like to wish everyone the very best of luck for the 2019 State Championships.

**David Murray**  
President, Surf Life Saving NSW

Welcome back to Swansea Belmont and another exciting edition of the NSW Surf Life Saving Championships!

On behalf of all our members I'd like to warmly welcome athletes, officials, and supporters back to beautiful Blacksmiths Beach for a third year.

With two in a row under the belt, our volunteers are hitting their stride and we look forward to hosting clubs and competitors from around the state. We are sure you'll leave here with many great memories, meet up with some mates from other clubs and enjoy all that the Lake Macquarie area has to offer.

It's great to see so many competitors and their families travel such long distances to participate, with clubs from the far north to the far south of the state joining us over the 10 days of competition. We wish you every success and hope you get a break between events to enjoy the hospitality of our friendly club.

I would like to take this opportunity to thank ClubsNSW, Surf Life Saving NSW, Lake Macquarie City Council, Dantia and all our event partners and suppliers for their ongoing support of this event.

Hosting an event this size takes a major team effort, so to all the members of our amazing surf club, thank you for your assistance and enthusiasm. To see the result of all the hard work and planning makes me immensely proud to be the President of such a capable club.

Finally, I would like to wish everyone good luck and encourage you to make the most of your time here in our beautiful part of the world. I look forward to welcoming you all in March!

**Graham Burge**  
President & Chair,  
Swansea Belmont SLSC  
Organising Committee

On behalf of Lake Macquarie City Council, it gives me great pleasure to welcome all visitors back to our region for the 2019 NSW Surf Life Saving Championships.

It promises to be a wonderful competition of events over the next three weekends and I have no doubt that the State Championships will create a tremendous buzz for our City.

I am very proud that Council, together with Swansea Belmont Surf Life Saving Club, Dantia, our economic development partner, can bring back the State Championships for a third straight year. This event is the perfect showcase for our beautiful beaches and to top it off we have agreed to host the championships again in 2020.

You are competing and/or supporting your friends and family in one of the biggest events on the state surf sports calendar, which attracts more competitors than almost any other surf sporting event in the country on an annual basis. So, you should be incredibly proud of your achievements across the event but also as a sporting community.

In addition to the wonderful atmosphere and fierce competition, the State Championships also generate significant economic benefits, adding millions of dollars to the local economy.

Of course, when you are not supporting or competing, I strongly encourage every visitor to make the most of their down time and explore what Lake Macquarie has to offer. In addition to our beautiful beaches, Lake Macquarie is an area of great natural beauty and with plenty of activities catering for a wide range of interests.

Hosting this peak Surf Life Saving event is a significant logistical challenge, such is the scale of the competition, and we congratulate the club on the preparation they have put into the event. Their passionate and committed members have been working hard for many months, and I am confident Swansea Belmont will again deliver a fantastic event experience for everyone involved.

I hope every athlete, official, and spectator involved in the 2019 NSW Surf Life Saving Championships has an enjoyable event and I look forward to watching and cheering on as lifesavers from all across NSW compete for glory at the picturesque Blacksmiths Beach.

**Councillor Kay Fraser**  
Mayor of Lake Macquarie

It gives me great pleasure to welcome all competitors, officials, volunteers and visitors to Blacksmiths Beach, home of the 2019 NSW Surf Life Saving Championships proudly supported by Your local club.

For the sixth consecutive year, ClubsNSW under the banner of Your local club, are proud to be the naming right sponsors of this major surf sports event. The event celebrates the true spirit of volunteerism and showcases the outstanding talents of those who protect our beaches.

Like registered clubs across New South Wales, Surf Life Saving is an inclusive organisation and we congratulate the surf movement who continue to innovate this world-class event by introducing the first inclusive mini-event for members living with disability together with a new B-Division for 20-29-year-old competitors.

We also look forward to witnessing the traditional water, beach, surf boats and lifesaving competitions this year.

Registered clubs in the Lake Macquarie region have once again thrown their full support behind all athletes and their families and we look forward to welcoming you to one of many clubs in the area whilst you make the most of your time in Swansea-Belmont.

I wish you all the best of luck and applaud you all as you give your best for your surf club.

**Anthony Ball**  
CEO, ClubsNSW

SURF LIFE SAVING  
NEW SOUTH WALES

**Your local club**  
**Newcastle & the Hunter**

# the beach is set for **EVERYONE**

Whether you love to sprint, dive, swim, paddle, ski or march, Blacksmiths Beach will be the centre of the action when thousands of athletes and their families come to compete at Swansea Belmont SLSC.

As part of the NSW Age Championships, a group of Nippers from 10 clubs will come together to participate in the new Inclusion program being trialled this year.

The division is open to Surf Life Saving members living with disability and will include Beach Flags, Beach Sprint, Board and a Surf race. The events will be included in the schedule for Sunday 3 March.

The inclusive events have been added to the program after the success of other similar programs and events run by NSW clubs and branches in recent years.

Mona Vale SLSC led the initiative and recently hosted the Sydney Northern Beaches Branch event, attended by 45 competitors, including members from Sydney and Central Coast branches. It was a day filled with fun competition and where laughter and high-fives featured all round.

Mona Vale Inclusion Coordinator Jeff Fry said after the event, "To see the kids participating, there's really nothing better. Now that these events are emerging they can see what is achievable. The kids strive to do everything and are challenging themselves."

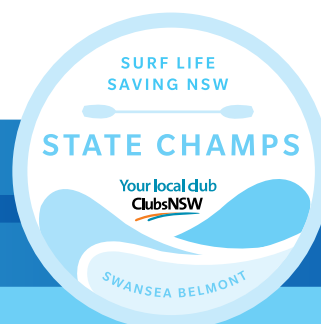

The new State Championship events will give these energetic young members another chance to compete, with many of them having the opportunity to participate at the same event as their siblings.

Michael Wasley has been the driving force behind the event and says it's a unique and rewarding opportunity for the competitors to take ownership of their skills on the beach and in the water.

"Many of these members have been coming to events and watching their siblings for years. They're really looking forward to showing everyone what they can do and are stoked to be part of the whole State Champs carnival."

Many NSW clubs run Inclusive programs and the number is growing each year including; North Steyne, South Curl Curl, Mona Vale, Newport, Avoca Beach, Cook's Hill and Pambula.

With support from so many clubs and members, and the increased benefits of the programs to our communities, this is sure to be just the beginning of Inclusive Surf Life Saving events.

# RAISE FUNDS FOR YOUR CLUB

Did you know that NSW Surf Clubs raised over \$22,000 last year through collecting refundable drink containers? Every eligible bottle and can is worth 10 cents when returned for recycling, and Envirobank is making it easy for even more SLSCs to collect and cash-in.

A young girl with brown hair, smiling, is the central figure. She is wearing a bright pink tank top that has 'NEW SOUTH WALES FINALIST' and 'envirobank' printed on it. She is holding a small silver coin in her right hand and a clear plastic water bottle in her left hand. The bottle has a black label that says 'thankyou'. The background is a beach with other people and the ocean under a clear sky.

**Ask your club  
if they're  
signed up to  
fundraise with  
Envirobank.**

**Win \$500 for  
your club over  
Age Champs  
weekend!**

**Winner will  
be announced  
on Sunday 3rd  
March.**

To find out more or to sign up your club, visit the Envirobank tent or contact Karen Vaughan.

SURF LIFE SAVING  
**NEW SOUTH WALES**

# the only cap on THE BEACH

**Elli Beecham is from Narooma SLSC. It's 536km from her home to Swansea Belmont, but she wouldn't miss competing at the 2019 State Championships for the world.**

The 14 year-old has just returned from the Country Championships as the Under 15 Beach Flags champ. Unlike most other competitors, Elli doesn't have a club coach or training squad, her Dad is her coach and together they're seeing great results.

When she joined Narooma SLSC nine years ago in the Under 7s, there were just 40 Nippers. "Our club was tiny," says Elli, "but over the last few years it's grown so much and we have over 200 Nippers now thanks to Brendan and Leanne Constable working so hard."

Now a vibrant and active SRC member, Elli also helps out with beach training for the younger kids and with water safety. She says it's important to have someone to look up to, especially on the Far South Coast. She loves when the kids come up to her to see her medals and ask how her training is going. There is no doubt she is already an inspiration for the next generation.

"For me, I look up to Melissa Hall who was an Australian Champion from our club. She's now moved overseas but whenever she's home she helps me out with training and is a great support."

The lack of team and other competitors doesn't seem to bother Elli, nor affect her results.

"I love the difference in the competition and higher level that you get to experience at State Champs because it's not like anything we have at home. It's great to see where you stand in the state each year to drive you to go harder and see what everyone else is doing in their training."

She says that when travelling away from home to compete, one of her favourite things to do is to give herself plenty of time to watch what the

other athletes are doing before their races. She uses it as a development opportunity to expose herself to as many of the elite competitors' training and preparation techniques as possible.

This year Elli is just one of two competitors from Narooma, but the only one in the Opens. "I'm usually the only person who travels to compete but it doesn't matter to me if I'm the only Narooma cap on the beach, I just want to give it my all and do my best for myself and my club," she said.

"It's so great when you return home when you have a medal that no one else has and everyone asks about it."

So what is it about the beach events that this cadet loves so much? "I love that it's the luck of the day and anything could happen," she said. "Breaking too early, a trip or missing a flag can happen to anyone. It just takes a slip of your concentration and it's all over."

Elli's Dad is a personal trainer and helps her work on the specifics of her flags and sprint training. In the lead up to this year's State Champs she's been preparing with a breakdown of the specific skills as well as cross training through netball and rugby league which she says helps with her speed and agility.

**I'm usually the only person who travels to compete but it doesn't matter to me if I'm the only Narooma cap on the beach, I just want to give it my all and do my best for myself and my club**

"I do a lot of plyometric work with Dad which includes explosive push-ups for my starts and weighted activities for my upper body.

"My other sports are very complementary with my beach training but we also work specifically on breaking down each section of the events. I've been working on the back end of my sprint race to build strength to keep pushing at the end when it matters. And knee drive is so important in the soft sand."

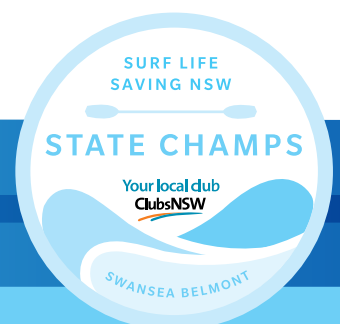

Elli Beecham

Flags is not only down to luck on the day, it's also about getting in the zone and reacting fast. "We break flags down into three main areas; the push-up, the foot turn and the drive out. Breaking it down is key when you're training and it makes it a lot easier to focus on exactly what you need to do when you're lying down waiting for the whistle.

"If you don't block everything out it can take something as small as a person coughing or yelling in the crowd to make you break early. In Opens, one early break and flinch and you're out."

Her outstanding results at Country Champs have given her the confidence she needs to line up against the top competitors in the state. She may not have a crowd of supporters or teammates on the sidelines, nor any other red, black and white caps in her race, but surf sport loves an underdog.

# Upgrade your Club's Little Anne manikins

Little Anne is now available with QCPR feedback technology, to help instructors improve CPR training quality, efficiency, and learner engagement.

Little Anne QCPR works with an Instructor app that connects to each manikin and allows you to monitor and coach up to six students at once. Also the Learner app lets students monitor their own performance by connecting to their own manikin.

Providing feedback based on just watching students perform can be challenging for instructors. The next generation of the Little Anne manikin includes QCPR measurement and feedback technology that takes the guesswork out of instruction all from the palm of your hand.

All existing Little Anne manikins can be upgraded quickly and easily with the Little Anne QCPR Upgrade Kit. Come visit our stall at the NSW State Championships where you can see the Little Anne QCPR in action.

# 5 MINUTES WITH...

## Daniel Collins Redhead SLSC

### How long have you been involved with Surf Life Saving and why did you join Redhead?

I started when I was three-years-old. I would tag along with my older sisters' age group. My mum let me follow them and all I wanted was to be doing what they were doing and the three of us were just always trying to outdo each other.

I remember hanging out on the beach with them having wade relays and races. It definitely contributed to me becoming competitive in surf sports.

When I was six I officially got to join my own age group and couldn't have been happier.

### What is it about the water events, team events and surf sports that you love?

I love when the surf is up. That's what the sport is all about and that's when it's most satisfying to complete and win a race.

Being able to get out in messy, inconsistent waves and testing yourself in conditions that you can't predict.

I love being out in the elements and being challenged in big surf. Surfing, swimming and being in the water, it's where I love to be.

### How have your preparations for State Champs been going?

I've had an interesting preparation this year. My sister Jess suffered a spinal cord injury over winter so I had a small backwards step with training after shifting my priorities. I'm staying fit and keeping my hand in and working on the skills I know I need to meet the best in the state on the start line.

### What makes Blacksmiths a good racing beach in your opinion?

It is protected from the south swell so we won't be called off on a big south swell. The sand bank is solid and it allows the beach to manage swell well. You can have a shore break and then potentially a second break near the cans which can make for a great water course.

When you're a competitor you don't want it dead flat and Blacksmiths Beach always provides fun conditions with a small to moderate wave to keep the field spread.

It's always a good idea to get there a couple of days ahead of the event. I remember even as a Nipper we'd get there on the Wednesday to assess the conditions before the event. Knowing when the high tide and low tide will fall and how the tides will work with the conditions help you set the course in your head. It's always an advantage knowing the beach before race day.

### What do you most enjoy about State Championships and what has been your favourite memory?

It's hard to pick one. I love racing in the Open Taplin Relay with five other guys who put in so much time and effort towards competition.

Last year I had a great result in the Ironman. It had always been my goal to win an Open State Title but to win the Open Ironman against the guys I've been looking up to for a lot of my life was incredible.

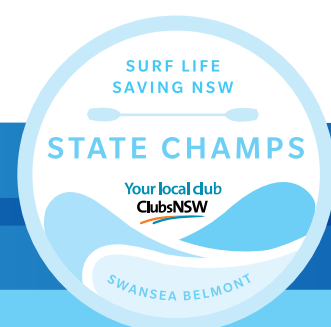

Best of all though, I think coming up through the club as a kid, making friends and building a community around you is something really special. It's one of the greatest things I've got out of it all.

### What does it mean to be able to represent your club?

A lot of people put in so much time and effort for us to be able to compete. There's so much encouragement from family, coaches and mentors and it's so rewarding to be able to show them that their support is worthwhile.

Reigning Open Ironman Champion

# 5 MINUTES WITH...

## Lizzie Welborn North Bondi SLSC

### **How long have you been involved with Surf Life Saving and why did you join North Bondi?**

I've been involved for my whole life. I started Nippers in Under 10s at Bronte and then moved to North Bondi because I wanted to train under Scott Thompson. It turned out to be one of the best decisions of my life because he's now one of my mentors and is like family to me.

After my first season with Scott I really improved with the squad and it cemented in my head that I wanted to become a professional. I wanted to be as good as I could get because the racing was so exciting.

### **What is it about the water events, team events and surf sports that you love?**

I don't even know how to answer that because I just love the sport so much. I love to race and the Ironwoman event is the pinnacle of our sport.

I fell in love with the Ironwoman as soon as I gave it a go. It was 2015 and I'd just turned 17. That first race was such a shock to the system. I came second last but it was one of the best experiences of my life and I was racing against my heroes.

Aside from the racing, everyone was so nice and I formed some unbelievable friendships.

### **What does your training schedule look like?**

We train two-to-three times a day with swimming or gym in the morning and craft in the afternoon. Our whole North Bondi team trains so hard together and we are ready for State Champs. We have a strong team with a lot of Under 14s and 15s this year and we will have a good presence on the beach.

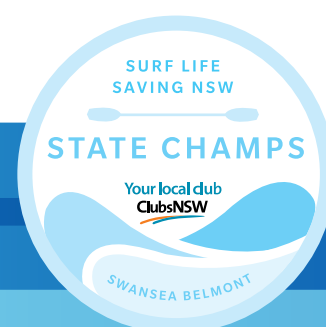

### **What do you most enjoy about State Championships and what has been your favourite memory?**

There are so many. State Champs is where memories are made, especially in the teams events. There's no greater excitement than

getting to share your success with your team and your club. We're a very driven team and hopefully this year we'll be a force to be reckoned with.

### **What does it mean to be able to represent your club?**

It means everything to me. I love to be able to represent North Bondi. We've been known as a smaller club but now we're making our mark out there. We all do it because we love being part of the surf club and love to be with the people who make it up.

# new LIFE MEMBERS

**George Shales**  
**Maroubra SLSC**

George Shales joined North Bondi SLSC in 1981 before obtaining his Bronze Medallion in 1982. He has served in many roles including junior captain, assistant IRB captain, club vice-captain, assessor and patrol captain. In 1995 he joined Maroubra SLSC continuing his valuable involvement as an assessor and patrolling member. George holds more than 80 surf awards and is heavily involved in support operations.

George became involved with his Branch in 1986 and has spent last two decades serving as Sydney Director of Lifesaving, Director of Administration and gear inspector among many other roles.

He is the current Surf Life Saving Sydney President with the branch enjoying plenty of success under his watch.

He was awarded with Branch Life Membership in 2012.

**Jayne Morrison**  
**Nambucca Heads SLSC**

Jayne Morrison has been a patrolling member since 1980 and has made an incredible contribution to Nambucca Heads SLSC and to the North Coast Branch during that time.

She is the Chief Training Officer/Registrar, Vice President and Member Officer.

In addition she manages her duties as Director of Lifesaving for the North Coast Branch, a position she has held since 1997.

Jayne was a member of the original SLSNSW Lifesaving and Education Board and was made Life Member of her club in 2002 and North Coast Branch in 2013.

**Peter Rowlands**  
**Freshwater SLSC**

Peter's journey began as a member of North Bondi SLSC in 1949 where he would remain for the next 30 seasons.

In 1979 he signed on at Freshwater SLSC.

One of his great passions has been March Past competition and for over two decades he has been involved as a coach, mentor and competitor during an era where his club has achieved much success.

Between 1990 and 2008 he was the organiser of the annual Freshwater Australia Day carnival and is an integral member of the NSW March Past Panel.

Since 2010 he has served as a member of the SLSNSW History Panel.

Peter gained Life Membership of Freshwater SLSC in 1998 and for Sydney Northern Beaches Branch in 2011.

**Donald Hay**  
**Pambula SLSC**

Pambula's Donald Hay has been a significant contributor to Surf Life Saving for almost four decades.

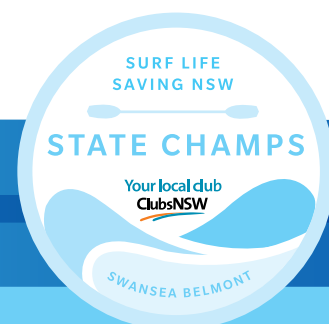

He obtained his Bronze Medallion in 1980 and quickly became involved in all aspects of the club including club President in 1994.

He held the role 17 years straight, and a further two seasons in 2014.

Donald played a key role in the club house rebuild and was a key lobbyist for a Support Operations Group on the Far South Coast where the first branch jetski based at Pambula from 2008.

Always ready to help others, he was a member of Pambula's call-out on the Bega River helping evacuees during the Tathra bushfire in 2018.

Donald achieved Life Member Status at Pambula SLSC in 1997 and the Far South Coast Branch in 2008.

# MEET THE

## Jeff Mowbray Swansea Belmont SLSC

### When and why did you become an official?

Too long ago. I have my 30 year recognition award.

I did it because there were very few officials in the Hunter Branch and we needed to do something about it to grow our Branch and run events like State Champs.

I was a coach at the time so I had a good knowledge of the competitors and the members which made it easier during the events.

### What is it about being an official that you like?

I love seeing the competitors getting a fair go. There's a lot of pressure on you as an official, but we have all the best intentions to make sure everyone gets a good start. I love watching the locals compete and go well and have a good time at the carnivals.

Working with the other officials is great too. Working in a big team and having a laugh with hard working people is what it's all about.

### Tell us about your first carnival as an official?

My first carnival was at Wanda and I was the starter for the under 11s. Back then all the kids had water starts and it was so hard to get it right, especially with a steep shore dump. I just remember all the heckles from the parents behind me to get it started, but trying to get a heat of kids aligned in the water is tricky. There was so much pressure but I just wanted to give all the kids a fair start.

### What are you looking forward to about State Champs?

This is our third consecutive year and I look forward to it every year. We have a huge team that bring the event together that includes hundreds of volunteers and officials. Everyone puts in so much to make it a successful event.

This year I'm so glad to see that we've got the Inclusive events and the 20-29 years B-Division being trialled. I think these kinds of additions will keep more people coming back to our events outside of the elite divisions and are a really positive step forward.

### Who was your mentor and what did they do to help you love what you do?

Rick Wright was a mentor to me as I was making my way through the ranks as an official. I have also worked closely with Steve (Bob) Marley from Catherine Hill Bay SLSC who is now an Australian referee. He's one of the most efficient and hard working officials on the beach.

### Best memory as an official?

The best times are when the job is done. But the reason I love being an official is because of the laughs you have on the beach and in the debriefs.

# OFFICIALS

## Jenny Kenny Cudgen Headland SLSC

### What will be your role at the 2019 State Championships?

I'll be the referee at the Age Titles and Deputy Referee of the Opens.

### How long have you been involved in Surf Life Saving?

I joined the organisation while living in Tasmania. I did my Bronze in 1980 before moving to the mainland and up to Kingscliff in 2013.

It was so great being a member of Surf Life Saving and it made the move easier because of the friendships I'd already formed with NSW and Queensland members at the Australian Championships.

### What is it about being an official that you love?

I love watching the competitors representing their clubs, branches and State fairly and to the best of their ability. I also really like working with people.

One of the best feelings is to have worked on a successful carnival – it's just so rewarding.

### Tell us about your first carnival as an official?

It was 32 years ago and it was the Life Saving Championships. I was the Director of Lifesaving in Tasmania at the time and I started on that side of things, then I moved across to the competition side.

### What are you looking forward to about State Champs this year?

I'm really hoping that the conditions are good. Moderate surf for the younger ones and better surf for the Opens.

### Who was your mentor and what did they do to help you love what you do?

I've had a few mentors over my time as an official. Gordon McNaughton was one. I met him at Aussies years ago, and he encouraged me to be a Referee.

My husband was Referee at the Aussies for 13 years and he encouraged me to step up and have confidence in my role.

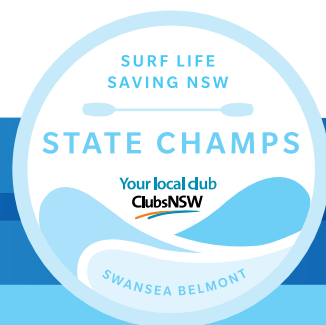

Rick Wright, Wayne Druery, Donny Van and Steve Marley also played parts in my development and are now all great friends.

### Best memory as an official?

It's hard to pick but I really enjoy when a team manager or competitor comes up at an event to say thank you, great job, I had a great time. You can't beat that feeling of gratitude.

### In 2018 you were awarded NSW Official of the Year, how did it feel to be recognised by your peers?

I have to say I was so excited, but I was also a bit surprised.

# EXPLORE LAKE MACQUARIE CITY

With 32 kilometres of coastline and four surf clubs, Lake Macquarie City is closely linked with surf life saving. The ocean is a big part of our lifestyle and our dedicated surf lifesavers make it safe and easy for us to enjoy our beautiful beaches.

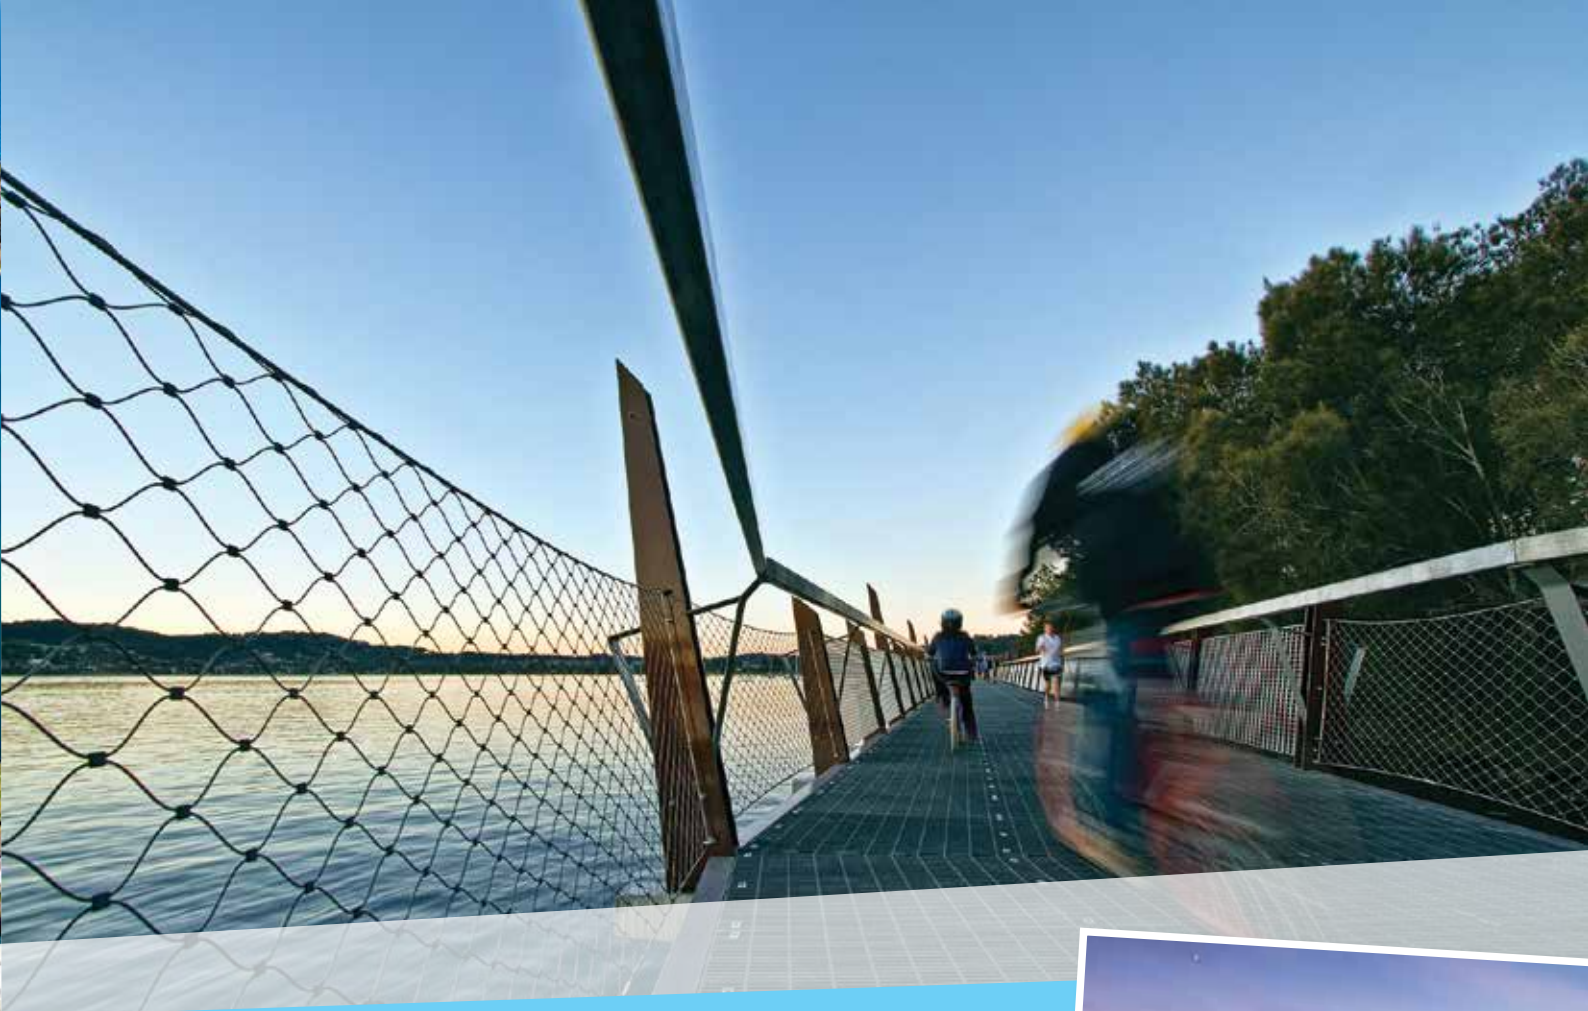

Swansea Belmont, the host club for this year's NSW Surf Life Saving Championships, has been patrolling Blacksmiths Beach for over 90 years. At the northern end of Nine Mile Beach, Redhead Surf Life Saving Club was established in 1908, making it one of the oldest clubs in NSW. Catherine Hill Bay, our City's southernmost club, traces its history back to the formation of the Wallarah Surf Club in 1923, while neighbouring club Caves Beach was founded in 1929.

Each of these clubs has become part of the fabric of their respective communities. They have produced many surf life saving champions, community leaders and local identities, forged strong relationships with local organisations and businesses, and taught generations of children how to navigate and enjoy the surf. This rich history is celebrated in the Waves exhibition, currently on show at SEEN@Swansea, our arts and cultural space in the Swansea Centre, located at 228 Pacific Highway, Swansea.

Water is central to the identity of Lake Macquarie. We are a big city of more than 204,000 people, but we are also unique blend of about 100 distinct communities dispersed around our namesake lake. The Aborigines of the Awabakal nation have lived in the Lake

Macquarie area for more than 8000 years, and the name Awabakal is derived from the lake, meaning people of the calm surface.

Lake Macquarie is a magnificent body of water twice the size of Sydney Harbour, with hundreds of bays and quiet inlets to be explored. It has 174 kilometres of foreshore, parts of which are lined with scenic footpaths and cycleways, including the Red Bluff Shared Pathway, a stunning over-water boardwalk. If you are visiting, you can hire a kayak or paddle board from JetBuzz Watersports to discover the delights of the lake for yourself. Or, relax onboard Lake Macquarie Cruises, the new cruise service taking the lake by storm. Take a walk along the newly upgraded Warners Bay Foreshore and follow the winding path around the lake to Speers Point Park, home of our spectacular award-winning all-abilities children's playground.

The City is even more spectacular from the air, and you can capture an aerial view via a skydive,

helicopter ride or microlight flight from Lake Macquarie Airport at Marks Point. If adrenaline is your thing, take a high-speed, stomach-turning aerobic ride with Red Bull pilot Matt Hall's joy flight company, also based at the airport.

There are plenty of things to see and do while you are in Lake Macquarie, many of them within easy distance of the State Championships venue. You may want to visit Catherine Hill Bay

and discover why the stretch of sand along this traditional mining village is one of the Australia's favourite beaches. Or you could explore the famous sea caves that give nearby Caves Beach its

name. The Wallarah Peninsula offers scenic walks with stunning bush and water views, while the Watagan Mountains, to the west, encompassing lush forest with waterfalls, walking trails and picnic areas.

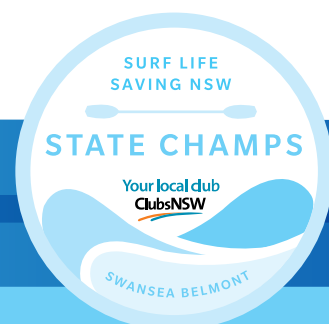

Visitors will find a cosmopolitan main-street vibe at Warners Bay, with a range of great boutiques and waterfront eateries, or relaxed waterfront dining in the Swansea and Belmont

town centres. And if you have a chance to squeeze in a few hours of retail therapy, Charlestown Square and Stockland Glendale offer hours of browsing in department and specialty stores, along with plenty of eating and entertainment options. Our tourism website, [visitlakemac.com.au](http://visitlakemac.com.au), has lots of other great suggestions.

Lake Macquarie is the perfect place to escape the fast pace of modern life and reconnect with nature – be it on the beach, by the lake or in the mountains. If you like what you see during the NSW Surf Life Saving Championships, please come back and visit us again soon. You are always welcome.

Lake Macquarie is a  
magnificent body of water  
twice the size of Sydney  
Harbour, with hundreds of bays  
and quiet inlets to be explored.

## Boats

### Friday March 8 10:00am Report

Masters Boats (H - F)

Download the Team App, search  
'2019 NSW State Championships'  
and become a member of this group.

## Please note

The Team App will be used to  
communicate important event  
information and timetable changes.

Due to Livestream and broadcast  
production, the timetable for **Sunday  
10 March** may change to enable  
maximum coverage of events.

Thank you for your  
understanding.
