Subject: Surf Life Saving Clubs Public Liability Certificate of Currency 2019/20

As we approach October 7, which is the deadline for the renewal of the Surf Life Saving Australia Insurance Program, we appreciate all clubs will require their Public and Products Liability certificates of currency for 2019-2020.

All Club officials can retrieve their certificate from Tuesday 1 October at <https://www.jltsport.com.au/slsa/certificate-of-currency/search>.

Should you wish to have an interested party noted, please complete the request on the website and you will be sent the certificate within one (1) working day.

If you can't download your certificate, it is likely the Club have not returned their 2019/2020 Insurance Declaration and should contact Marsh/JLT immediately on 1300 130 373 or email at surflifesaving@jlta.com.au.

All other certificate requests pertaining to any policy other than Public & Products Liability should be requested from Marsh/JLT directly.
