Teams must compete in 4 of the 5 marches, with the FINAL being compulsory.

Rule 1B

Teams outside Sydney or Sydney Northern Beaches Branches can compete in the handicap competition by entering two rounds so as to obtain an average for the third round and must compete at the State Championship (FINAL).

Rule 2

Teams competing in all 5 marches can drop their worst score, not including the final.

Rule 3

Handicap March Past results to be tabulated on total points — no middle mark.

Rule 4

Handicaps to be on points from previous year's State Titles. Open teams not starting in previous season handicap will be 20 points. Under-23 teams not starting in previous season handicap will be 30 points.

Rule 5

Should there be a dead heat the winner is to be determined by the team that has reduced their handicap by the most during the handicap competition.

The preceding rules are to be read in conjunction with the March Past Rules currently in use. These handicap rules were compiled by the NSW March Past Support Group.
