# MESSAGE FROM THE PRESIDENT

On behalf of Surf Life Saving NSW, I would like to welcome you to the 2020 Envirobank NSW Country Surf Life Saving Championships.

First hosted in 1971 and now in its 49th year, the Country Championships is one of the major events on the NSW surf sports calendar, attracting around 1,500 athletes from regional areas of NSW.

The Envirobank NSW Country Surf Life Saving Championships is a highlight of our surf sports events and we are delighted to be back at the Cudgen Headland Surf Life Saving Club and beautiful Kingscliff Beach for this year's competition.

As one of the biggest events on the surf sports calendar, the Envirobank NSW Country Championships is the only event to feature a full range of event disciplines.

I would like to acknowledge Cudgen Headland SLSC Club President Grant Rogers, Mike Crawley and the organising committee for hosting the Country Championships and for all their efforts during the lead up to the event. I would also like to

acknowledge outgoing president Adam Mills for his stewardship over the past few years.

Once again, Cudgen Headland SLSC's leaders and active membership base have been pivotal in assisting with the organisation of this event.

I would like to thank the hard-working team at Tweed Shire Council for their ongoing, enthusiastic support of the event.

Tweed Shire Council Mayor Katie Milne has been particularly supportive. It is great to see her recognition of the important role surf clubs play in the community and we appreciate the council's assistance to promote surf sports events which provide an economic boost for the Tweed region.

I would like to acknowledge the important partnership we have with Envirobank which does incredible work in the environmental and recycling sector. This is the third year of our partnership and we remain grateful for the generosity and support shown by Envirobank for our country volunteer surf lifesavers.

Surf Life Saving NSW wishes to recognise the traditional owners and custodians of the Tweed region, the Bundjalung people, where the Country Championships are held, and pay our respects to elders past and present.

Finally, I'd like to wish all competitors, coaches, officials and volunteers a safe, successful and enjoyable weekend of surf sports competition.

## **George Shales**

President, Surf Life Saving NSW

# No matter where you finish, we're proud to support you.

From the beach to the bush, local clubs across  
NSW are proud partners of Surf Life Saving NSW.

**NEW SOUTH

**Your local club**

# WELCOME FROM THE MAYOR

Welcome to Kingscliff and the beautiful Tweed. On behalf of Tweed Shire Council, I extend a warm welcome to all those who have travelled here for the 2020 NSW Envirobank Country Championships.

The NSW Country Surf Life Saving Championships are recognised as the biggest regional Surf Life Saving carnival in NSW and attracts around 1,500 competitors and supporters from regional Surf Life Saving Clubs throughout NSW over the two days of competition.

The Country Championships are always a highlight on the calendar for regional athletes and Tweed Shire Council is pleased to be able to once again play our part in supporting this wonderful event.

Well done to Cudgen Headland Surf Life Saving Club, who are hosting these important championships for the second year in a row. After Cudgen topped the overall rank and pointscore at the 2019 NSW Envirobank Country Championships, there are sure to be plenty of clubs keen to topple the hosts this year!

Friendly competition aside, at its heart, Surf Life Saving is driven by community spirit and desire to help and protect others. It also promotes friendship and a healthy lifestyle, which I hope you find in abundance during your stay on the Tweed Coast.

Volunteers have been patrolling Kingscliff beach since 1922 and the current Cudgen Headland SLSC members continue in this great tradition which allows visitors and locals to enjoy their holidays and leisure time in safety.

I acknowledge the hard work and dedication of everyone in the Cudgen Headland SLSC who made this event possible, particularly President Grant Rogers and his organising committee.

We have a wonderful community here, full of people who love the beautiful beaches, coastal vegetation and wildlife. Kingscliff beach is just one part of the Tweed's internationally significant environment, which I hope you find the time to explore during your stay. To find out what else is on while you're here, visit [whatsontweed.com.au](http://whatsontweed.com.au)

In particular, make sure you check out the spectacular new Rowan Robinson Park along the foreshore, which was part of the \$21.8 million Kingscliff Foreshore Revitalisation Project and was officially opened in 2018.

We have a favour to ask of you. Like most areas of NSW, the Tweed has been in drought, so please observe water restrictions and reduce water use as much as possible during your stay.

To all competitors, coaches, officials and support crews, I wish you all the very best for the competition ahead. Enjoy your stay in Kingscliff and on the Tweed!

**Mayor Katie Milne**  
Tweed Shire Council

# FUNDRAISE FOR YOUR SURF CLUB

**Did you know your club could participate in Envirobank's SLSNSW collections, where, under the NSW Government's Return and Earn initiative, you can earn valuable funds for every eligible container recycled.**

Your donations will help raise valuable funding to train lifesavers, run community education programs, and purchase lifesaving and rescue equipment!

It's easy to collect containers, and as an added bonus it reduces the litter from entering the ocean!

**Raise Money For  
Your Club Today!**

For more information  
on how to register your  
club, see Ashleigh at the  
merch tent today!

# WELCOME FROM ENVIROBANK

On behalf of Envirobank, I would like to wish a warm welcome to all clubs and members participating in the 2020 Country Championships, as well as to all those here supporting at this fantastic event. We are proud to continue to be an official sponsor and look forward to a great weekend.

We are thrilled to continue our fundraising work with NSW Surf Life Saving Clubs and support the community through collecting refundable drink containers under the NSW Government's Return and Earn scheme.

The NSW Government's scheme provides the fantastic opportunity for surf clubs to create a long-term source of fundraising revenue through the collection and recycling of drink containers. This is a rewarding project to be a part of and we are happy to provide the best service, advice and equipment to NSW surf clubs. Over the summer

months we have set up a number of collection points all along the NSW coast, where members of the public can drop off their containers for the Surf Clubs to cash in on, as a long-term source of fundraising.

Envirobank's ultimate vision is to change the way Australians recycle and reward people for the good they do. We dream about cleaning up our country, including our oceans, for future generations, so our partnership with Surf Life Saving NSW is a natural fit. With surf clubs' involvement, this vision will only extend further as we work hand in hand to keep our coastline pristine.

We at Envirobank pride ourselves on being Australia's most innovative recycling company, combining technology with Australians desire to recycle is a no brainer considering we are fast moving into a digital age.

Best of luck to everyone competing this weekend, have fun and play fair and don't forget to stay hydrated and return your drink containers for recycling once you're done.

# WELCOME FROM CUDGEN HEADLAND SLSC

On behalf of Cudgen Headland SLSC and our members we are delighted to welcome athletes, officials, and supporters of the 2020 Envirobank NSW Country Surf Life Saving Championships to Kingscliff.

I would like to acknowledge and thank Adam Mills for his eight terms of service to the Cudgen Headland SLSC as President. His commitment and service to our club and Surf Life Saving has been inspirational.

Building on our very busy 18/19 season where we successfully hosted last year's Country Championship Titles and the Australian IRB Titles, we are looking forward to making this year's Country Championships even more enjoyable, with an amazing setup that is sure to deliver another captivating weekend of competition.

Thank you in advance for making the trip to the most northern part of NSW. Furthermore, we would like to recognise our southern clubs who may not be able to attend this year due to the bush fires and impact on their communities. It has been

inspirational to see how they have stepped up as an emergency support service in this time of need.

The Tweed Coast has been fortunate to escape the fires, however due to water shortages Water Restrictions have been imposed by Council.

Unfortunately, that means equipment cannot be hosed off during the event, and our beach showers are turned off. We thank all participants, families and supporters in advance for respecting our water restrictions.

To all our volunteers that make this weekend a success, we thank you, and I encourage all participants to do likewise over the weekend. Our acknowledgement, appreciation and thanks also go to the event's organiser, Michael Crawley (CHSLSC Director of Lifesaving) whose skills have been an invaluable asset to making the Country Championships event run smoothly.

Hosting an event on this scale would not be possible without Council support and I would like to thank Mayor Katie Milne and the team at Tweed Shire Council.

We look forward to continuing the proud tradition of Surf Life Saving New South Wales efforts to encourage and support inclusivity, so all Australians are inspired and motivated to participate.

I hope you will all enjoy the hospitality of our club and look forward to seeing you on our beach for a weekend of healthy competition.

## **Grant Rogers**

President, Cudgen Headland SLSC

# Welcomes

## ALL COUNTRY CLUBS

While you are enjoying your weekend with us in Kingscliff for Country, we have geared ourselves up to cater to your needs, competitors, family & friends alike

### COMPETE. EAT. REPEAT.

#### *Saturday at the Surf*

For a more relaxed way to end the day, come chillout under the marquee & enjoy a cold one from our *Pop up Can Bar* and also order some delicious *Pizza and Chips* while the kids enjoy the jumping castle.

Then boogie the afternoon away to the Club Jukebox.

#### *Sunday at the Surf*

Celebrate your achievements!

*Live Music* w/ Eureka Funk in the afternoon and enjoy a well deserved debrief session, while the kids enjoy a celebratory bounce on the Jumping Castle from 3pm – 6pm

UPSTAIRS BISTRO BOOKINGS ESSENTIAL, CALL – 02 6674 1573

Scan me

*Bistro*  
*Opening Hrs*

Sat + Sun from 5pm

TO SEE FULL BISTRO MENU

*Pop up*  
*Can Bar*

Sat from 3pm

All Country Competitors will receive a complimentary membership for the duration of the Event, giving Adults discounts upstairs for Food & Beverage in the Club Bistro.

# CATCH'YA AT CUDGEN

Scott McCartney is Cudgen Headland SLSC's head coach and the NSW Country Team coach as well as a successful high performance athlete himself. In preparation for the 2020 Envirobank NSW Country Championships, he has given us some top tips for competing at Kingscliff Beach to beat the sweep and maximize your ability on the sand and in the surf.

"Conditions leading into the event look to be consistent with what we've been experiencing the last couple of weeks on the Far North Coast. It will most likely be between two and four feet surf during the event and the wind will be up so be prepared for chop out in the surf, along with a southerly swell," said Scott

Understanding each unique beach can be tough and can take time. Scott says it's important to understand the Kingscliff sweep and how it will affect your race.

"The beach wraps around the point. At the southern end there is a break wall which means the sandbank wraps around and in towards the north.

"On the beach, the sand at Kingscliff is very soft so athletes who prefer harder sand will need to spend some time ahead of their heats getting used to the foot wells."

## Top Surf Tips from Scott McCartney

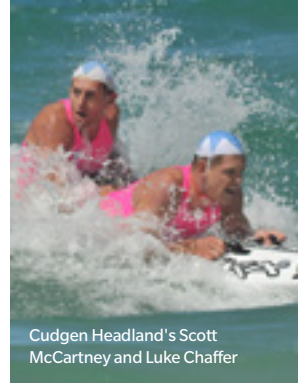

**1 Warm ups are essential;** do them continually before racing throughout the day as conditions change. At Kingscliff the sweep is very strong from south to north. It's important to warm up just to judge the speed of the sweep, especially for the swim event. It's the most common mistake people make.

**2 Pick your point;** in the warm up, pick a stationary landmark on the beach then head out at between 60-70% intensity. Observe how far you moved up the beach from your landmark. When you race you can counteract the sweep by running up the beach first.

**3 Watch out for potholes;** they can cause serious injury and are really common on our low tides.

**4 Low tides** will have a stronger sweep but longer areas to wade but the high tides will provide channels and currents that can help you out, look out for them in your warm up.

**5** Ski paddlers should be aware **swell bounces** off the break wall. When you're catching waves in, make sure your ski is heading slightly northwest to follow the direction of the waves in.

Cudgen Headland's Scott McCartney and Luke Chaffer

## Forgotten Water Skills

**1** In the bigger swell and during the sets, dive down and grab onto the sand then push up with power after the wave has passed and go hard.

**2** Don't be afraid to roll your board. Popping through the bigger sets won't work and will bring you unstuck. Once you come up put your head down and paddle hard.

*"If you want any advice when you arrive at Kingscliff, all the senior coaches from Cudgen Headland are more than happy to help any competitors and coaches. We want everyone to have a good go and race well over the weekend."*

# 5 MINUTES WITH STORM BALMAIN

At just 12 years old, Storm Balmain is one of the most promising young athletes coming out of the South Coast. The Warilla-Barrack Point Nipper has won the Board Race at the NSW Country Championships for the last three years in the Under 9s, Under 10s and Under 11s. In 2020 he is looking to continue his winning streak to take the Under 12s at Kingscliff Beach.

Storm will travel over 1,000 kilometres to compete at the Country Championships with almost 80 of his club mates. Warilla-Barrack Point is hoping to up its position on the overall point score by improving the third place finish in 2019 behind Cudgen Headland and Byron Bay. With the efforts of talented young athletes like Storm, they could pose a serious threat.

***Storm, you've dominated the board race for the last three years, any other events and achievements you're proud of?***

Yes, last year I came third in both the Iron and Surf races at State Champs and won the Sydney Water Surf Series. It was really cool to be named South Coast Branch Competitor of the Year for Under 12s and I was lucky enough to be picked for the South Coast Interbranch team which was so much fun.

***What do you love most about Country Champs? I love going to Country every year and Kingscliff.***

I love it because I get to see other parts of the country and meet all the other competitors in the state.

***What do you love about being in a surf club? I love the sport and challenging myself against others. It's pretty cool to be able to compete in the surf. I also really like the fitness and surf awareness, and doing it all with my friends.***

***Do you have any pre-race rituals?*** I need to be on time. I hate being late. I also listen to music before I compete.

***What's for breakfast on race day?***

I like eggs and toast and protein shakes.

***What are your tips ahead of Country Champs?*** For board racing, if you've done the training, trust your ability.

***What do you want to be when you grow up?*** I want to do Marine Science or something environmental.

***Who are your heroes in surf?*** Past Warilla-Barrack Point athletes Ali Day, Hayden White and Benny Carberry.
