# WELCOME MESSAGES

On behalf of the Board of Surf Life Saving NSW, I would like to welcome you to the 2020 NSW Surf Life Saving Championships, proudly supported by Your local club. These championships showcase our amazing competitors and enable them to enhance their skills used as volunteers on the beach to save lives.

This is the fourth year the NSW Championships have been hosted by Swansea Belmont. The location and hospitality of the Lake Macquarie region makes this a favourite among our surf sports competitors.

Last year was the first time we held specific inclusive events for competitors living with disability and this year we are looking forward to seeing even more of our members participate in an expanded number of inclusive events in the program.

To host an event of this size requires a great deal of hard work and I would like to acknowledge the efforts of the Swansea Belmont Surf Life Saving Club Organising Committee and the entire membership of the club who have worked hard to ensure that this year's event will be another great success.

More than 6,000 competitors, aged from nine to over 70 years, will compete over three weekends of competition in around 400 events.

It will be fantastic to see our surf sports athletes battle it out and test themselves against the best from across the state.

I would like to thank our principal partner Your local club, for their ongoing support of Surf Life Saving NSW. Our strong partnership brings significant benefits to our members and the ongoing support is truly appreciated by everyone in Surf Life Saving NSW.

Lake Macquarie City Council has been an enthusiastic supporter of the NSW Championships ever since Swansea Belmont was first named as hosts in 2016 and it's great to see this relationship go from strength to strength.

Our volunteers are pivotal to the smooth running of our surf sports events and we thank all the referees, officials and volunteers, including our water safety and first aid personnel, who dedicate their time during the season.

Finally, Surf Life Saving NSW would like to acknowledge the traditional custodians of the land on which the NSW Championships is held, the Awabakal people, and pay respect to elders past and present.

In closing I would like to wish all competitors the best of luck.

**George Shales**  
President, SLSNSW

Welcome back to Swansea Belmont and another exciting edition of the NSW Surf Life Saving Championships!

On behalf of all our members I'd like to warmly welcome athletes, officials, and supporters back to beautiful Blacksmiths Beach for a fourth year.

With three eventful championships down, our volunteers are excited and we look forward to hosting clubs, competitors and supporters from around the state. We are sure you'll leave here with many great memories, meet up with some mates from other clubs and enjoy all that the Lake Macquarie area has to offer.

It's great to see so many competitors and their families travel such long distances to participate, with clubs from the far north to the far south of the state joining us over the 10 days of competition. We wish you every success and hope you get a break between events to enjoy the hospitality of our friendly club.

I would like to take this opportunity to thank ClubsNSW under the banner of Your local club, Surf Life Saving NSW, Lake Macquarie City Council and all our event partners and suppliers

for their ongoing support of this event.

Hosting an event this size takes a major team effort, so to all the members of our amazing surf club, thank you for your assistance and enthusiasm. To see the result of all the hard work and planning makes me immensely proud to be the President of such a capable club.

Finally, I would like to wish everyone good luck and encourage you to make the most of your time here in our beautiful part of the world. I look forward to welcoming you all in February!

**Graham Burge**  
President & Chair,  
Swansea Belmont SLSC  
Organising Committee

On behalf of Lake Macquarie City Council, it gives me great pleasure to welcome all visitors back to our region for the 2020 NSW Surf Life Saving Championships.

I am very proud to be welcoming you for the fourth consecutive year to our beautiful Blacksmiths Beach, home to the Swansea Belmont Surf Life Saving Club. I have no doubt that the State Championships will again create a tremendous buzz for our City.

We know that competitors and their families love this beach and coming to our incredible City, and we love having you. It promises to be a wonderful competition of events over the next three weekends.

If you are competing over the coming weeks, I would like to wish you all the very best with your events. You are a part of one of the largest events on the state surf sports calendar, which attracts more competitors than almost any other sporting event in the country on an annual basis. So, you should be incredibly proud of your achievements across the event but also as a sporting community.

Of course, we also need to thank all our amazing supporters, family and friends that turn up every week and get behind you. Surf Life Saving Clubs across the state offer a wonderful community outlet for people, and everyone visiting the beach across the next few weeks is a crucial part of that community.

When you are not supporting or competing in the championships, I strongly encourage every visitor to make the most of their down time and explore what Lake Macquarie has to offer. If you are after a few local tips of where to head for dinner, the best spot to catch a wave or the place to head to shop up a storm, then I'm sure one of the Swansea Belmont members can point you in the right direction.

Hosting the NSW Surf Life Saving Championships presents a significant logistical challenge, such is the scale of the competition, which will see more than 6000 competitors take to the beach. I congratulate Swansea Belmont Surf Life Saving Club on the preparation they have put into the event this year. Their organisation has been seamless once again and their passionate and committed members have been working hard for many months. I am confident Swansea Belmont will again deliver a fantastic event experience for everyone involved.

I hope every athlete, official, and spectator involved in the 2020 NSW Surf Life Saving Championships has a successful and very enjoyable event. I look forward to watching the fierce competition and cheering you on as part of the fantastic atmosphere as you compete for glory at our magnificent Blacksmiths Beach.

**Cr Kay Fraser**  
Lake Macquarie Mayor

It gives me great pleasure to welcome all competitors, officials, volunteers and visitors to Blacksmiths Beach, home of the 2020 NSW Surf Life Saving Championships proudly supported by Your local club.

For the seventh consecutive year, ClubsNSW under the banner of Your local club, are proud to be the naming right sponsors of this major surf sports event. The event celebrates the true spirit of volunteerism and showcases the outstanding talents of those who protect our beaches.

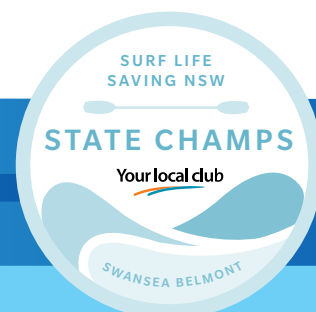

Like registered clubs across New South Wales, Surf Life Saving is an inclusive organisation and we congratulate the surf movement who continue to innovate this world-class event by introducing the first inclusive mini-event for members living with disability together with a new B-Division for 20-29-year-old competitors.

We also look forward to witnessing the traditional water, beach, surf boats and lifesaving competitions this year.

Registered clubs in the Lake Macquarie region have once again thrown their full support behind all athletes and their families and we look forward to welcoming you to one of many clubs in the area whilst you make the most of your time in Swansea Belmont.

I wish you all the best of luck and applaud you all as you give your best for your surf club.

# on the mic WITH HAROLD

Harold Marshall is a member of the 2018/19 NSW Club of the Year, Umina SLSC. This year he celebrates a decade since completing his Bronze Medallion. Not only is he attending the State Champs as the proud parent of upcoming athletes (Davara, 14 and Lucy, 12) and an official, but he will also be the host of the 2020 live stream and highlights show to be aired on Fox Sports.

Like many members in our movement, the surf club has played a major part in the upbringing of Harold and his wife Skye's three daughters and their own personal skills development.

He says being part of Umina SLSC has helped everyone in their family find their place within the community and contribute in a way that means giving back and becoming happy, healthy individuals. "The best part is being able to spend so much time with my wife and kids whilst teaching the real values that will get them far in life," he said.

"Ayya, my eldest daughter was really enjoying her time in Under 8s back in 2010 and I wanted to get involved too," recalls Harold. "I wasn't a great swimmer, never paddled a board and had no tangible first aid skills. My wife knew my limited capabilities and encouraged me to try. I did and have never looked back, always looking for more opportunities to help out in any capacity."

Harold says they have always measured their kids on how much fun they're having, how many new friends they've made, what they've learnt and how they've made a

positive contribution back to the club and community. "Try your hardest and whatever happens, happens," says Harold. "You can't do anymore than that."

He had no idea that walking through the doors of Umina SLSC ten years ago would have such a profound effect on their family and their lives. "Family is everything to us at Umina. It's not your own bloodline but everyone dons the black, blue and white cap. It's a special bond that isn't akin to many other sports," said Harold. "There just aren't many other sports or activities where a family does everything together."

In 2011 Harold gained his officials accreditation and has been religiously on the beach at surf events since. He says being an official has been great for him on many levels. "You always have the best seat in the house, first up," he said.

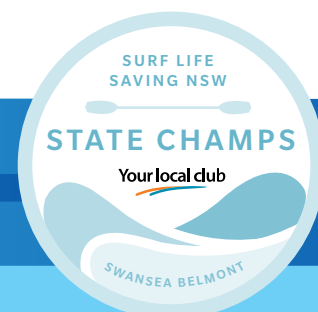

"Also, you're actually helping, you're part of the fabric of the event. You learn so many technical aspects of sport from watching the best athletes right down to the fine

details of the surf sports manual." Finally he says it's not just about the job you're doing to help out, it's also the people you are on the beach with.

Harold doesn't have any favourite events but says what does stand out for him is the character shown by the competitors.

"Being an official means you are exposed to the interactions between people directly after a race. It always is the one thing that gets me," he said. "Do they smile, do they congratulate all competitors who finish in front or behind them? Do they look to their parents for a smile and thumbs up? There are so many things going on but to see the exhaustion and smile knowing they've given their all, is great to see."

And that's what the 2020 NSW Championships are all about. Look and listen out for Harold and the whole commentary crew during the event and live on Surf Life Saving NSW Facebook and YouTube channels (@surflifesavingnsw).

## Hayley Smith Cudgen Headland SLSC

Hayley Smith from Cudgen Headland SLSC is attending her 10th State Champs this year. At 18, Hayley has developed into a talented surf competitor representing the Far North Coast Branch and the NSW Country Team at Interstate Championships. At last month's Country Championships Hayley took out almost every event in the Under 19s division including the board, swim, ironwoman and the in the Opens she doubled up with the ironwoman and the sprint race.

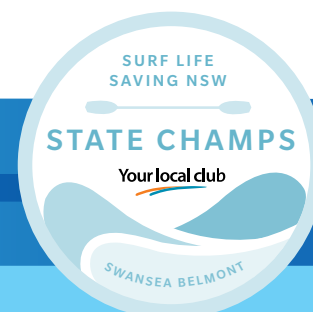

"My first State Champs was way back in the Under 8s and it was at Swansea Belmont then too," recalls Hayley. "I love it there. The surf can get really good and we've had a couple of years when it's been really big and fun."

Hayley's whole family has been involved as surf lifesavers for as long as she can remember. "My two older sisters (Amie 22 and Katelyn 25) have always been in the club I always looked up to them and wanted to have the same fun they were having." She remembers sitting on the sand when she was a little Nipper watching them have the best time with their friends and competing.

So what makes the 2020 NSW Country Championship club what it is? Hayley says it's all about having a good time, "Cudgen really is a big family and we have so much fun. We train every day together but it's not all serious. We are up at 5am for swimming squad every morning and then in the afternoons we do our specific surf skills training but before we get into it we have a game of touch footy and on Saturdays we have breakfast together."

The Cudgen crew travel together a lot to compete in events up and down the NSW coastline as well as into Queensland. Expect to see all their top competitors on the beach at Swansea Belmont with 21 opens, 2 masters and 42 age championship athletes.

Hayley is looking forward to competing in her sky-blue starred Cudgen Headland cap across all the water events in both the Under 19 and Opens as well as teams events this year. She'll be there with her foot on the line along with her greater club family.

## Tom Bridge Avoca Beach SLSC

Tom Bridge from Avoca SLSC will compete in his last Your local club Inclusive Champs this year ahead of transitioning into the Under 12s Nippers program in 2021.

Tom has been part of the Avoca Beach SLSC Sharkies inclusion program for four years. His aunty Kat who got him into the Sharkies says it has changed his life in ways she never thought possible.

Four years ago Tom was scared of water and is now thriving across all beach and water activities as well as socially. "The program has allowed Tom to develop physical and social skills and self confidence and not just on the beach, it's had huge benefits in every area of his life," said Kat.

How has Tom overcome his fear of water and evolved into a highly competitive surf sports member? He says it was all thanks to his buddies, club athletes Finn and Byron who were 16 at the time and devoted time to hanging out and playing with Tom on the weekend during the Sharkies program.

"When I first started I was scared, very scared of the water. Finn and Byron would have water fights with me. They threw buckets of water at me. It was really fun," said Tom. "I love being at the beach.

Over four years Tom has made so much progress with the program he has even started honing his beach sprint and flags skills and just this month beat all the mainstream competitors in the Avoca Beach club championships event.

"I've been practicing for State Champs with high knees, learning how to dig my toes into the sand," said Tom who is a hot contender to take out the beach sprint this year after coming in third in 2019 and second in the flags. He will also be contesting the swim this year, while still in training with the board for now he insisted we'll see him out there on a big racing mal soon.

"At the end of the day they're all just kids having fun on the beach together," said Kat. "And to watch them last year just so amped to be there, it was a teary moment for a lot of people. It's the inclusion but also the exposure and opportunity to compete against other clubs."

There are now 34 NSW surf clubs running inclusive programs for members. To celebrate and encourage these programs, the Inclusive Championships is being held as part of the NSW Championships on Sunday 1 March 2020. For the second year members living with a disability aged seven and above can enter the event in the swim, board, sprint and flags races to test their skills against others from across the state.

# THE RASHIE REINVENTED

## WHY DO TRADITIONAL RASHIES GET COLD?

The standard Rashie is made from Lycra material and is made to be worn tight. This draws blood to the surface of your skin making you feel cold and far more susceptible to wind-chill. Lycra provides almost no insulation and absorbs water too. That's why we decided there must be something better!

We looked at all the drawbacks of traditional Lycra garments and came up with a new fabric that has reinvented the Rashie.

### Water Repellent

Rapid Dry uses a lightweight, fast-drying fabric in which the material is 'infused' and then 'heat set' with a long lasting water repellent treatment (WRT).

### Construction

Rapid Dry fabric uses a specialised 3D 'rib-knit' construction which creates far superior insulation than cotton and Lycra fabrics.

### Durable

Chlorine proof, abrasion resistant, and SPF50+. Rapid Dry is colourfast and looks great year after year.

### The Result

Rapid Dry will keep you warm, protect you from the sun, dry fast and last up to 5 times longer than a traditional rashie. The relaxed fit and stylish look means you will want to wear Rapid Dry in, on and under the water all day.

#### MICK MOTTLEY

"Rapid dry is absolutely brilliant. It keeps you warm, moving freely all day, and it lasts forever."
