

## Surf Life Saving NSW – Club Guide Access

The **SLSNSW Club Guide** is a key resource designed to support club committees, administrators, and members in delivering safe, effective, and well-governed surf lifesaving operations.

The guide outlines helpful information covering all aspects of club management and lifesaving delivery. From governance and compliance to patrol operations and member welfare, this resource is intended to provide practical, up-to-date guidance in one easily accessible location.

To ensure you're always accessing the most current version of the Club Guide, we've moved this content to an online platform where updates can be made in real time.
