Dear Club & Branch Presidents

Please be advised that the Public and Products Liability certificates of currency for 2020-2021 have been prepared by our Insurance Broker – Marsh and are now available.

All Club officials can retrieve certificates for your SLS Club or Branch directly from the Marsh/SLS portal, where you can download a copy. Please go to the Marsh/SLS Insurance portal at:

<https://sport.marshadvantage.com.au/slsa/certificate-of-currency/search>

Should you wish to have an interested party noted, please complete the request on the website and you will be sent the certificate within one (1) working day.

If you can't download your certificate, it is likely the Club have not returned their 2020/2021 Insurance Declaration and should contact Marsh immediately on 1300 130 373 or email at surflifesaving@marsh.com

All other certificate requests pertaining to any policy other than Public & Products Liability should be requested from Marsh directly.
