#### E-Learning:

All successful team management members will be required to complete both the [ASADA Level 1 Anti-Doping](#) and [Match Fixing](#) e-learning courses. Both of these courses are free of charge and provide an opportunity to develop a knowledge and understanding of anti-doping and match fixing in sport. Moving forward, SLSNSW strongly believe this is a great additive to the structure of any touring team and/or squad and is vital for elite competition and athlete development.

SLSNSW fully supports the new SLSA Anti-Doping and Match Fixing policies (SLSA Members Portal>Library/Governance/SLSA/Policy 5.01 & 5.02). Following the completion of each course, a completion certificate/email shall be forwarded to Alistair Notley [anotley@surflifesaving.com.au](mailto:anotley@surflifesaving.com.au).

Once completed, the courses do not have to be completed again, unless there is an update in information from the organisations. If anyone has previously completed either course and it is not showing on SurfGuard, proof must be sent through to Alistair to be recognised. Certificates can be downloaded by signing in to the e-learning sites.
