Subject: Envirobank Super Surf Team Series – Round 2 at Bulli

A meeting was held this evening with key stakeholders, including the event Safety Committee for the Envirobank Super Team Series. The forecast conditions for Saturday from a number of services was discussed in great detail. For the safety and wellbeing of all competitors, it was agreed to postpone Round 2 of the Series to another date that will be communicated in the coming weeks.

It is important to make an early decision due to the distance that some team members are required to travel. We trust that you will understand why this decision was made and why it was made early.

We look forward to the next Round of the Series and will be in touch soon to provide a date and location for this postponed Round 2.

Kind regards,

Don van Keimpema
Director – Chair of Surf Sports
