

Memorandum

To:	Club Presidents, Club Secretaries, Club Competition Officers, Team Managers, Officials & Competitors
From:	Alistair Notley, Sports Officer
Date:	Tuesday 20 January, 2020
Subject:	Pink Lycra Rash Vest Collection 2021 NSW State Championships – Proudly supported by Your local club

For the 2021 NSW State Surf Life Saving Championships, clubs will **not** be required to place bulk orders for Pink competition Lycra Rash Vests.

This year, each individual competitor will be responsible for the collection of their own competition rash vest upon checking into their respective Championship bio-zone. The vests will be available at the bio-zone COVID pre-screening area.

Further information regarding this process will be communicated by SLSNSW in the Final Event Information Guides.
