Subject:	YPC and Interstate Honorary Team Selection for 2020/21

SLSNSW would like to acknowledge that this year has been a difficult year for our competitors to remain focused and motivated. The prospect of events being cancelled and the uncertainty of whether key events were/will be able to proceed due to COVID.

Whilst the Youth Pathways Cup (YPC) event was cancelled and the Interstate Championships are likely to be cancelled, SLSNSW would still like to proceed to select these squads in recognition of the dedication and commitment our competitors have made this year.

As such, our selectors will be present at the NSW State Championships to select our YPC and Interstate 2020/21 honorary Teams.

YPC Team Composition

The YPC Honorary Team will consist of a maximum of 20 athletes to form the honorary YPC Team.

- 5 x U14 males
- 5 x U14 females
- 5 x U15 males
- 5 x U15 females

The Interstate Team Composition

NSW Selector will select a group of 24 athletes to form the Interstate honorary Team.

- 6 x Youth males (U17-U19)
- 6 x Youth females (U17-U19)
- 6 x Open males
- 6 x Open females

A minimum of 1 beach competitor will be selected per age per gender.

Whilst we acknowledge that the selected Teams will not be participating in competition or team activities this year, it is important to recognise and nurture the wealth of home grown talent we have here in NSW.

Nominations will not be necessary for the honorary Teams and selection will be made based on State results and races executed this year whilst making considerations around how the race was won and run.
