Subject: Rescheduled 2021 NSW State Surf Boat Championships – IRB Roster

Dear Club representatives,

The following roster has been populated to reflect the number of crews rowing in the rescheduled NSW Surf Boat Championships.

It is essential all crews scheduled in the roster attend the carnival in order for it to proceed. With limited numbers of people on site, the potential to pull a crew from the spectator group if crews do not show up will be extremely limited. The carnival cannot proceed without the required number of safety personnel on the water.

Crews are to report to the powercraft compound a minimum of 45 mins prior to the shift time. There are no reserve crews as such, all listed crews should expect to be put out on the water in some capacity during their shift time. All crews must bring their own PFD's (helmets and wetsuits as they wish).

Please advise crews that due to the limited nature of the event, hot food will not be available this weekend as the club is not intending to run a BBQ.

Clubs required to bring IRB's have also been allocated on the basis of attendance. As we are trying to minimise the number of IRBs required, redundancy in case of break down is limited, so please ensure all craft and engines are in very good working order. Clubs are requested to have IRB's on site by **6pm Friday 9th April**, checking in at the compound North of the club.

Clubs required to bring IRBs are:

- Nth Cronulla
- Collaroy
- Avalon
- Elouera
- Sth Curl Curl
