E-Learning:

All successful athletes and team management members will be required to complete both the ASADA Level 1 Anti-Doping and Match Fixing e-learning courses. Both of these courses are free of charge and provide an opportunity to develop a knowledge and understanding of anti-doping and match fixing in sport. Moving forward, SLSNSW strongly believe this is a great additive to the structure of any touring team and/or squad and is vital for elite competition and athlete development. [Sport Integrity Australia eLearning](#)

SLSNSW fully supports the new SLSA Anti-Doping and Match Fixing policies (SLSA Members Portal>Library/Governance/SLSA/Policy 5.1 1 & 5.02). Following the completion of each course, a completion certificate/email must be forwarded to Narelle Duggan nduggan@surflifesaving.com.au. SLSNSW have organised with SLSA to have these courses uploaded on to SurfGuard as an award. Once completed, the courses do not have to be completed again, unless there is an update in information from the organisations.
