

# Memorandum

<b>To:</b>	Branch Presidents, Branch Directors of Sport and Members
<b>From:</b>	Narelle Duggan – Sports Manager
<b>Date:</b>	Tuesday 16 <sup>th</sup> February, 2021
<b>Pages:</b>	1
<b>Subject:</b>	NSW Surf Life Saving Championships - U23 and Open March Past Event Date Change and Relocation

Due to the restrictions relating to bio-zones and mixing limitations required for the NSW State Championships, the Open, U23 and Age March Past events will not be able to be delivered at Swansea Belmont SLSC or Redhead SLSC.

SLSNSW is currently progressing plans to host the U23 and Open March Past State Event at Narrabeen Beach SLSC on Sunday 21<sup>st</sup> March.

Entries will re-open for these events in Carnival Manager. Teams who have already entered the State Championships will be copied across with no further action required from team.

The March Past Championship will form the 9<sup>th</sup> Bio-zone for the 2021 NSW State Championships. Competitors taking part in any of the State Bio-zones will be required to complete the [2021 NSW State Championship Cross Bio-zone Register](#) should they also wish to enter the March Past Bio-zone on 21<sup>st</sup> March.

Additional information will be provided as soon as permits have been finalised.

Please note that due to the COVID restrictions and the crossing of bio-zones, the Age March Past has been cancelled this year.
