Subject:	RWC Operators required for the Rescheduled 2021 NSW Surf Boat Championships (Swansea Belmont SLSC)

Dear RWC operators,

As you may have read, SLSNSW has decided to reschedule the 2021 NSW Surf Boat Championships to 10/11 April 2021 at Swansea Belmont SLSC. We have done this to recognise a significant cohort of our membership who were unable to compete in the state championships this year due to the entire Boat program being cancelled due to dangerous seas and weather.

As part of the safety provision, we will of course require RWC's on the water and would be very appreciative of any operators who would be available to assist over the weekend. The shift times available are:

**Saturday 10 April and Sunday 11 April**

**Shift 1: 7:00am – 11:00am**

**Shift 2: 10:30am – 2.30pm**

**Shift 3: 2:00pm – 5:00pm**

If you are available and able to assist, please contact Alistair Notley [anotley@surflifesaving.com.au](mailto:anotley@surflifesaving.com.au) or 9471 8000 and advise which day/s and times you are available.

We appreciate any assistance you can provide.
