Document ID: Circular 03/2021-22
Department: Sport
Audience: State/Territory Surf Sport Managers, Directors, Club Secretaries, Branches, State/Territory CEOs, SLSA Chair of Sport and Advisers, Officials and Competitors
Summary: Entry Circular for the Coolangatta Gold 2021 to be held across Coolangatta, Currumbin, Burleigh and Miami beaches, QLD from 16-17 October 2021.

KEY INFORMATION FOR COOLANGATTA GOLD 2021

- Entries for the Coolangatta Gold 2021 & Youth Challenge open Thursday 8th July 2021. All entries can be completed at <https://sls.com.au/coolangattagold/>
- Once the entry form is completed, competitors will be emailed a confirmation of entry along with a medical form and handler form to complete. The medical form and handler form must be completed by close of all entries at 11:59pm on Sunday 3rd October 2021. Competitors will not be allowed to start unless a medical form and handler form has been completed and submitted.
- All athletes must complete the online briefing prior to competition. All athletes and at least one handler must be present for online athlete briefing.
- The starts for both the short course and long course, dependent on conditions, will be a dry or traditional ski start (from the beach).

While SLSA is accepting entries for Coolangatta Gold 2021, due to potential COVID-19 restrictions in place at the time of the event (border closures, social distancing, venue numbers, quarantine requirements etc.), SLSA reserves the right to reduce both the number of event categories and the number of participants per category as well as potential days/times in which Short Course, Long Course & Youth Challenge events may be held. It is currently not possible to predict the impact of COVID-19 on events into the future. Members must make their own assessment in relation to entering this event.

This document has been prepared with the best intentions based on current State Health Authority information regarding COVID-19 restrictions and related border movements. However, as has been noted over many months, this information is constantly changing and as such, all athletes, coaches and supporters should be prepared to allow for some flexibility in their planning. SLSA will do their best to provide advance notice on the listed options and possible further amendments. However, as has been witnessed over many months, COVID-19 restrictions can be amended with little to no notice by the various State Health Authorities.

SLSA is actively working with QLD Health and the Gold Coast City Council to finalise a COVID Safe Plan for the Coolangatta Gold 2021. Due to the dynamic nature of the COVID-19 pandemic, and related restrictions, SLSA cannot guarantee there will be no amendments to the event and/or the timetable of Short Course, Long Course or Youth Challenge events. All possibilities are being examined and discussed to keep the event as normal as possible however SLSA acknowledges that due to the COVID-19 pandemic there are likely to be restrictions in some form placed on the Coolangatta Gold 2021.

If supplied, compulsory sponsor stickers must be affixed to craft prior to, or during scrutineering and other stickers may be required to be removed or otherwise covered.

Competitors may be called upon to remove from craft all other identification, save for personal and/or official Club sponsor identification, which is considered to be of a conflicting nature to a Event sponsor.

The Competition Committee will nominate the approximate area on the craft for such numbers or identification.

Surf craft may be required to carry branding of the Event sponsors in accordance with the attached diagram above. In addition to the branding set out in the attached document, competitors may also carry personal sponsors only if:

- The signage/branding is positioned in the locations reserved for branding of sponsors or personal sponsors as shown in the Diagram 1 above, and specifications below.
- The branding does not conflict with the interest of a sponsor of the Event.

If your surf craft carries branding of sponsors which conflict with the Event sponsors, these will need to be covered up or removed before attending the Event.

If your surf craft is carrying any branding which is inconsistent with this policy or if you wish to discuss any aspect of this policy please contact the Events Team at Surf Life Saving Australia.
