

## Powercraft Roster Circular

<b>Title:</b> Australian Surf Life Saving Championships 2021- Powercraft Circular
<b>Document ID:</b> Circular 29/20-21
<b>Department:</b> Sport
<b>Audience:</b> State/Territory Surf Sport Managers, Directors, Club Secretaries, Branches, Officials, Managers, Coaches, Competitors
<b>Summary:</b> This circular further details the requirements of powercraft drivers and crew for the Australian Surf Life Saving Championships 2021.

The following circular outlines all details regarding the IRB allocation, water safety rostering system and briefings for the 2021 Australian Surf Life Saving Championships.

### KEY INFORMATION

- Powercraft Roster
- How to Guide: Deputy
- Clubs Providing IRB's
- Pro-Rata System
- Competency Tests/Briefings

**PLEASE NOTE:** Given the current environment and people's ability to travel due to COVID restrictions, it would be greatly appreciated if any volunteers who would like to do more shifts than their club is required to do, could you please email [events@slsa.asn.au](mailto:events@slsa.asn.au) with their days of availability to help cover any holes that may appear in the roster in the lead up and duration of the championships.

Further to the above, some clubs will struggle to fill their shifts and ask for help, please keep a close eye on the deputy rostering system to be engaged to assist, or alternatively pass on your name and details to the events team at [events@slsa.asn.au](mailto:events@slsa.asn.au) for SLSA to distribute your details to clubs who may require assistance.

### FURTHER INFORMATION

Should further information be required please contact the events team at:

[events@slsa.asn.au](mailto:events@slsa.asn.au)

Please Note: Clubs MUST report to the compound one hour before the start of their shift

#### RWC Operators Roster (12)

As selected by RWC Co-Ordinator Dougal Forsyth

Newport  
Wanda  
Umina  
West Beach  
Freshwater  
Redhead  
Currumbin  
Manly  
Henley  
Scarborough  
Fingal Rovers  
Collaroy

#### Duty Boats (3)

As selected by Powercraft Co-Ordinator Peter Hogarth.

Umina  
Urunga  
Lorne  
Alexandra Headland

## DEPUTY ROSTERING SYSTEM

This year to help clubs access their rosters, input their availability, and have the ability to communicate the need to swap shifts, we will be again using the smart phone application and website called 'Deputy'.

Setting up your account is easy, just email [events@slsa.asn.au](mailto:events@slsa.asn.au) and a log in/account will be created for you. You will then be able to access your profile, view your roster and submit your availability. If you have previously used Deputy for Aussies Powercraft before, your details will remain the same.

Deputy is an online rostering system that helps clubs enter their availability, receive immediate text updates when they are allocated or change shifts, and most importantly, it gives all clubs access to an up to date roster via their smart phones. The system is user friendly however, you need to set up an account and read the instructions and watch the 'how to' guides below to ensure you get the most from the application.

In order to understand Deputy, please use the link below to watch a series of how to guides to walk you through the Deputy system. Otherwise please continue to read below for a step by step how to guide.

Click Here: [YouTube How To Guide](#)

## DEPUTY – HOW TO USE THE APPLICATION

### HANDY HINTS:

Employee – Refers to your Club

Employer – Refers to SLSA

### Before You Start

Before you get started, you'll need to make sure that you have signed up to Deputy and that you are logged in as an employee (Club). You will need to accept the invite sent to your designated email address and follow the prompts. This initially must be done by the email owner; however once active the username and pin can be shared with any club members needing access.

Subject: Setup your Deputy account for SLSA Powercraft Rostering

Dear MANLY,

Surf Life Saving of SLSA Powercraft Rostering is using Deputy to simplify scheduling and improve your workplace communication. You have been invited to Deputy, which allows you to view your shifts and timesheets on both smartphone and computer. To log in, you'll need to accept your invitation and create a password. To get started, click the link below NOW to activate your account:

<https://once.deputy.com/my/accept-invite?key=1656ad42f5761a201000296402be39518c27bb36>

If your workplace uses the Deputy Kiosk for iPad, you can login using this PIN: **9157**

Always keep your PIN private. You can change it on Deputy at any time.

Kind Regards,

Deputy

### Navigating Deputy

When you first log in as an employee (Club), you will land on the Me tab. At the top of your screen, you will be able to see the Navigation Bar, which looks like this.

## Me

In the Me tab, you will find a general overview of your weekly shifts and previous timesheets. From this page, you can also view future shifts or previous timesheets via the date range selector. If you have a shift for the day, you can Start and End your shift in the top right-hand corner.

From here, you can also Request Time Off, which is accessible by clicking the 'Request Time Off' button. This will be a great tool for clubs to use, by going online and manually entering the times you prefer, thereby giving SLSA an understanding of how to work the roster around competitor schedules to the best of our ability.

**Note:** While SLSA will endeavour to allocated rostered shifts according to club's availability, it is no guarantee that all "Request for Time Off" will be accepted. Clubs must be mindful that they still may be allocated a shift for this time and are expected to fulfill it.

## News Feed

The News Feed is the main communications hub between the Clubs and SLSA. You can post messages to locations, or even specific people. e.g. 'Currumbin are looking for a shift cover on Saturday 16<sup>th</sup> 7.00-10.00am'.

News Feed posts can have files attached to them (image and document files) if you would like to add clarification to the post. You can also attach 'Confirmation' notices to posts. These posts have a button that Clubs can click so that you can see who has read the post.

## Tasks

The Deputy tasks page allows you to assign tasks to other Clubs and team members. To assign tasks, navigate to the Tasks page and click 'Add Task' in the top right-hand corner. e.g. Kurrawa are available to cover shifts throughout the Youth Championships'.

## Tasks

Search Locations...

Showing 1 location

Location Name	Location Address	
SLSA Powercraft Rostering	 Scarborough Beach	Edit Settings

## Profile

Your Profile can be accessed by clicking “Profile” at the top right corner of your screen. To update personal; information such as email etc. you can click ‘Edit my Global profile’.

The Profile screen displays a number of important details. At the top, you can see your access level and contact details (which only you may edit). Beneath, you can see your next three upcoming shifts and your last three timesheets. To view a list of your timesheets in chronological order, please click “View All”, just above your most recent timesheet. Once the list appears, please scroll down to see more.

Below your timesheets, you can see your unavailability and leave. Unavailability is an informal request for time off, for example ‘All clubs and crews competing – no available club members and limited resources to fill shifts’. You may add new unavailability and leave from just above their respective fields.

At the very top of your profile, you will see a button that reads “Edit My Global Profile”. Clicking this will take you to your Global Profile, which contains settings for your Deputy account.

From the Global Profile, you can edit your personal details, Kiosk PIN (click “Show Me”), login password and profile photo. You may also connect to Google and Facebook, which will allow you to sign in with the same email that you used to register with them.

### SCHEDUELING SHIFTS:

Please take the time to review the below link for a basic overview of allocating shifts. Below is also an attached example of what a roster will look like:

<https://www.deputy.com/online-employee-shift-scheduling-software>

## SHIFTS

In 2021, the quota is based on the number of shifts required to be covered by different clubs. The below table outlines the number of shifts each club must fill.

PRO RATA								
Average number of competitors entered For Aussies 2015, 2016, 2017 & 2019 <i>(combined Youth, Masters &amp; Opens competitors including late entries for east coast-based Aussies)</i>	20 - 29	30- 39	40- 49	50- 69	70- 89	90- 109	110- 129	130+
Maximum number of powercraft shifts	2	4	6	10	12	14	16	18

**1 shift = 1 IRB driver and 1 crew provided by the rostered club**

**Note 1:** Club entries will not be accepted unless these requirements are met.

**Note 2:** If an IRB driver does not attend as required, the Club risks being ineligible to participate in competition until the matter is resolved.

**Note 3:** Conditions may dictate an increase in the number of shifts and crews must remain available and contactable.

**Note 4:** Please note: handlers are the only exception and are not included in competitor numbers for the above calculations.

**Note 5:** Please ensure both driver & crew are at the Maroochydore compound at least half an hour prior to the shift commencing for briefing.

## CLUBS

The Aussies 2021 Powercraft requirements are as follows:

- 29 fully equipped IRB's
- 8 spare fuel cells & 5 spare IRB motors
- All IRB's provided are not to be Gemini's – due to length of use at Aussies and duty of care to the operators
- All IRB's (including all components) are in good working condition. Every IRB will be checked thoroughly by a marine mechanic, any component that does not meet minimum operating standards will not be accepted and that Club will be responsible to find alternative solutions. If the marine mechanic can fix the fault the club can opt to have it fixed by the mechanic at their cost. Clubs to provide Boats & Motors from after 2012.
- RWC's are not required as they are provided by BRP
- If any IRB's are damaged during the championships, SLSA will, if possible have the marine mechanic fix the IRB, otherwise SLSA will pay for any damage repairs.
- If any clubs required assistance with transporting their IRB's and or motors, please contact [events@slsa.asn.au](mailto:events@slsa.asn.au)

Based on Club location to the host venue and entry numbers the following clubs will need to provide IRB's for the 2021 Surf Life Saving Australian Championships:

No.	CLUB
1	Alex Headland
2	Northcliffe
3	Currumbin
4	North Cronulla
5	Maroochydore
6	Newport
7	Wanda
8	Kurrawa
9	Manly
10	North Bondi
11	Noosa Heads
12	Coogee SLSC (NSW)
13	Collaroy
14	Cronulla
15	Queenscliff
16	Mooloolaba
17	Burleigh Heads Mowbray Park SLSC
18	Avoca Beach SLSC
19	Sunshine Beach SLSC
20	Mermaid Beach SLSC Inc
21	Elouera SLSC
22	Redhead SLSC
23	Bondi Surf Bathing LSC
24	North Burleigh SLSC
25	Dicky Beach SLSC
26	Avalon Beach SLSC
27	Mona Vale SLSC
28	Tugun SLSC
29	Surfers Paradise SLSC

## **POWERCRAFT INSPECTIONS**

All powercraft provided for the Championships will be thoroughly inspected by a marine mechanic to certify that all components are in good working order. Components deemed not suitable may be removed and the Club required to source replacements.

All craft and components are to be presented to the IRB Compound at Maroochydore Beach Car Park (Beach Access 141 to 143), Alexandra Parade, Maroochydore by 11am Thursday 15<sup>th</sup> April until the conclusion of the championship or when deemed not required by the Powercraft Coordinator.

Insurance coverage will be provided for powercraft equipment supplied by Clubs while in use for the duration of the Championships.

Please note, any existing damage will be logged and photographed by the onsite marine mechanic and will not be covered by insurance or by repair from SLSC.

## **DELIVERING / PICKING UP POWERCRAFT**

Upon arrival at the IRB Compound Maroochydore Beach Car Park (Beach Access 141 to 143), Alexandra Parade, Maroochydore you will be required to sign your powercraft/components in,

detailing your Club name and contact details while onsite at The Aussies. These must match those that you have supplied in the Deputy rostering application.

All craft and components of craft will be appropriately labelled with Club details.

Please do not leave your powercraft/components with any additional accessories (e.g. tow ropes, paddles, rescue tubes, storage bags). If you do so, SLSA cannot accept responsibility for these items.

Following the Championships, powercraft/components will be made available for collection from 1pm – 5pm, Sunday 26<sup>th</sup> April and 7am – 3pm, Monday 27<sup>th</sup> April 2021. You will be required to sign your powercraft/components out, again detailing your Club name and contact details.

Any powercraft/components not collected by 3pm on Monday 27<sup>th</sup> April 2021 will be left in the IRB Compound for collection and will become the sole responsibility of the owner Club. Any damage or lost property incurred from this time will not be covered by SLSA.

## **ROSTER**

The powercraft roster will be available shortly on your Deputy application and sent to all clubs.

The roster is based on a 3 shift per day system:

- Shift 1: 7.00am – 11.00am
- Shift 2: 10.00am – 2.00pm
- Shift 3: 1.00pm - 5.00pm

We are aware that some clubs have enlisted the assistance of specific drivers and crews to meet their powercraft requirements for the Championships and that these drivers will be providing services for multiple clubs. Please be aware that our powercraft coordinators have a duty to ensure that drivers and crews are not attempting to perform multiple running shifts, therefore becoming fatigued. Any crews providing such services are specifically requested to work with the coordinators to ensure proper rest periods are taken and that the overall system is maintained for the Championships. Failure to do so may result in crews being stood down (at the coordinators discretion) and the club required to find a replacement crew.

## **POWERCRAFT COMPETENCY TESTS**

All powercraft operators (both IRB and RWC) will be required to undertake a basic competency test to certify they are competent in all surf conditions and will continue to be assessed throughout the Championships. Crew deemed not competent may be removed and the club required to find a replacement crew.

This competency test (approx. 30mins) will take place at Maroochydore on:

1. Thursday 15 April: 8:00am - 11:00am
2. Friday 16 April: 7:00am – 10:00am
3. Saturday 17 April: 8:00am - 11:00am

To indicate your preferred competency test time, please email the events team via the [events@slsa.asn.au](mailto:events@slsa.asn.au)

## **POWERCRAFT BRIEFING**

A powercraft briefing will take place at the Officials Marquee, Maroochydore at 2:00pm on Thursday 15 April 2021. Attendance is compulsory.
