- b) In the event of a crew outside of NSW finishing in the top seven in a division at any of the selection events, the next highest placed NSW crew will be allocated these points. This will continue down until all points have been allocated to NSW crews.
* In the case of equal position in two separate semi-finals (i.e. two NSW crews coming 4th in separate semis) the points will be allocated based on the position (i.e. 4th) and the position below (i.e. 5th), the points for those positions will be added together and divided between the two crews (i.e. point allocation will be 3.5).
- c) Points from the two selection carnivals will be added together.
- d) The crew/s in each division with the highest number of points at the conclusion of the two events will be deemed as the successful team that will represent NSW at the Interstate Challenge (pending approval).
- e) In the unlikely event that a crew/s is tied on points, the decision will rest with the NSW Surf Boat Commission's recommendation after a review of crews performances to date.
