	Cooks Hill (2)	Mona Vale (1)	North Curl Curl (2)	
	Cronulla (3)			

The numbers in brackets, next to each club, indicate the minimum number of Water Safety Personnel that are required by that Club, for that shift.

**IMPORTANT INFORMATION:**

Sign-on will be outside Queenscliff SLSC on the ground level of the club. Personnel will then be allocated to a water area after sign on.

- Water safety is not restricted to those clubs on this roster. Volunteers will be taken in each area.
- Clubs can provide more water safety.
- All water safety are to be proficient financial members of a surf club.
- Two rescue IRBs and a roving RWC will be assigned to each water safety area.
- At the end of each sign on period the water safety briefing will be given, and the in-shore rescue teams selected.
- Water safety personnel will be issued an orange rash vest.
- Water safety personnel are requested to bring their own:
  - Orange high visibility caps;
  - Rescue tubes (with Club Name clearly identified);
  - Sun screen;
  - Water bottles;
  - Snacks;

- Wetsuits (if required);
- Fins (if required);
- Rescue or racing board (a pool of rescue boards will be made available, however water safety personnel are welcome to BYO).
- Any changes or swapping of shifts will be the responsibility of the clubs. If a club swaps a shift with another club and that club does not meet the requirements/show up then it will be the originally rostered club that will be held to account.
- **Strictly no split shifts**
