Subject:	NSW Limited Entries for Aussies 2022

Surf Life Saving NSW is pleased to announce the recipients of the Limited Entries for Champion Patrol, Champion Lifesaver, First Aid Competition and Lifesaver Relay to compete at Aussies 2022.

The criteria for selection of the restricted entries is based upon the following:

- 1) The competitor and/or team were entered into the 2022 NSW Surf Life Saving Championships in selected event(s)
- 2) Results from 2021 Aussies Championships
- 3) Results from 2021 NSW Surf Life Saving Championships
- 4) Results from 2022 Branch Championships
- 5) Consideration of age categories (e.g. U17 competitor now in the U19)
- 6) Total points achieved at Branch competition for U14 and U15

SLNSW understands that there will be disappointed competitors, however, believes that the outcome has been delivered in the fairest possible way under the cancellation of many State Championships events. SLNSW is hopeful that a portion of selected NSW reserves will have the opportunity to compete at The Aussies due to similar challenges faced by many other states.

Please note Surf Boat Relay limited entries will be confirmed next week.
