

Dear Member (past and present) and family

On behalf of the Management committee of the Evans Head-Casino Surf Lifesaving Club, the organizing committee would like to extend a cordial invitation to attend and participate in the 100th anniversary celebration of surf lifesaving of our club.

The celebration is to be held on the weekend of the 23rd/24th/25th of September 2022. **Please refer to attachment 1 Re: program.**

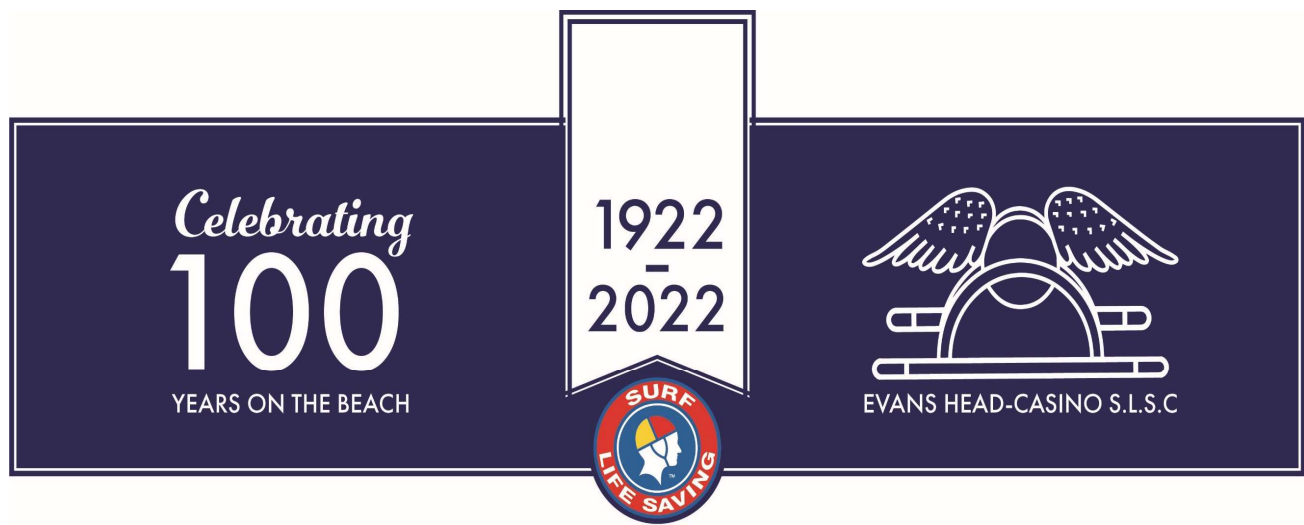

The Major functions will be a meet and greet on Friday evening at the Surf club- finger food provided. Dinner and dance at the Sandbar on the Saturday night and a morning tea/brunch on Sunday at the Surf club. The theme for the dinner is smart casual. **Please refer to attachment 2 Re: RSVP.**

Souvenirs will be available on the 100th anniversary weekend. T-Shirts, long sleeve white shirts, stubbie holders and magnets. We are compiling a 100 Years of History book, but unfortunately due to the catastrophic floods we have experienced earlier this year, the book will not be available on the weekend of celebrations. We ask that these books be ordered and pre- paid and we will post when available. **Please refer to attachment 2.**

Although many hours have been spent to compile a complete list of past and present members there are still some gaps, we ask that if you are in contact with other members who have not heard from us, please contact or ask them to contact us so as an invitation may be extended to them also.

On behalf of the organizing committee

Debbie Pawsey
