Action	Please complete the online nomination form by 11pm Wednesday 9 November 2022

INTRODUCTION:

The Super Surf Teams League (SSTL) returns for the 2022-23 Season to provide states with high level competition across varying disciplines.

Super Surf Teams League 2023 will be held at Maroubra SLSC, across 3 rounds from Friday January 13 – Sunday 15, 2023.

SLSNSW will select four teams made up of discipline specific athletes. Each team will consist of 4 male and 4 female athletes to be eligible to compete in each round of SSTL. Once a competitor represents one team, they are not able to transfer to another team during the 2023 series.

SLSNSW understands many athletes will be awaiting the Kelloggs Nutri Grain (KNG) Trials in mid-November. We encourage those athletes to nominate for the Super Surf Teams League and SLSNSW will adjust the SSTL teams based on qualification into the KNG series.

NSW athletes will be selected based on regions. There will be no draft selection process. Teams will be as follows; NSW Country Dolphins, Hunter Central Coast Orcas, Sydney Northern Beaches Rays and Sydney Illawarra Sharks. Athletes will be selected based on the most geographically aligned Branch.

SLSNSW is calling for nominations from athletes wishing to compete for NSW in the SSTL which will feature Swim, Board, Ski, Sprints and Flags as well as mixed team relays in each of the disciplines.

Please see [SLSA Circular 25/22-23: Super Surf Teams League \(SSTL\) Entry Circular](#) for more information.

SLSA ANTI-DOPING POLICY

Surf Life Saving Australia supports the Australian Government, SportAus, the AOC, and the Australian Sports Anti-Doping Authority (ASADA) in their efforts to eradicate the use of drugs in sport. SLSA has published an Anti-doping Policy, which will be adhered to for this event.

Please be aware that random drug testing by ASADA could take place during the SSTL. It is highly recommended each State/Territory team member (including management and staff) complete the ASADA online e-learning program (Level 1) to ensure all personnel are aware of contemporary issues pertaining to anti-doping.

The link to access this e-learning program is <http://elearning.asada.gov.au/>. Further to this, it is highly recommended that each team, under the direction of the management, undergo at least one anti-doping education and awareness activity as a group.

It is recommended each State/Territory team member (including management and staff) utilise the ASADA [Check Your Substances](#) reference site, or phone 13000 ASADA (1300 027 232).
