## PRE CARNIVAL

### Wristband information

Is your wristband correctly assigned to you?

Check by scanning the QR code on the underside

Don't have a wristband?

Tell your Team Manager ASAP

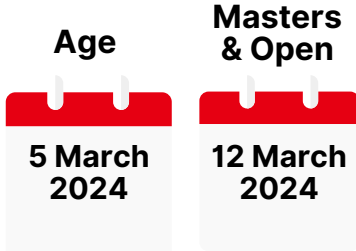

No wristband = No race

Need a replacement wristband?

Purchase a new one from the Competition Admin Area

### Draw information

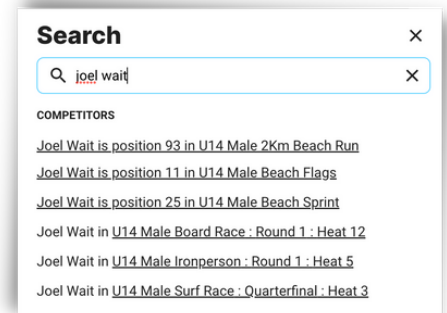

Event entries will be published via [liveheats.com/slsnsw](https://liveheats.com/slsnsw) on Tuesday prior to the competition.

It is the athlete's job to check they are entered correctly

Athlete	Pos.
1 Benjamin Maher Brighton (SA)	1
2 Danny King North Curl Curl	2
3 Zachary Coman Southport (Qld)	3
4 Harry Nielsen Mermaid Beach	4

The random draw will be visible on the LiveHeats - SLSNSW State Champs page

[liveheats.com/slsnsw](https://liveheats.com/slsnsw)

You can also search your name to find your random position in an event and then your progression afterwards

### Random number and pre marshalling information

Your athlete number will change each event

It's the responsibility of the athlete / Team Manager to know your random draw number! This can be done using any device with internet via [liveheats.com/slsnsw](https://liveheats.com/slsnsw)

Do NOT forget your random draw number OR your wristband!

Once you hear the FIRST CALL for Marshalling, please approach the area Marshalls in high visibility rash vests.

## MARSHALLING

### Important information

**NO team changes after marshalling has commenced.**

Team changes must be made via the Team Manager Portal in Live Heats OR at the administration centre **BEFORE** the first marshalling call

SW 47  
B 161

**Remember your random draw number!**

We suggest writing your random draw number on the athlete's hand  
Eg. SW (Swim) 47,  
B (Board) 161 etc.

**Athletes will be scanned into a marshalling pen**

Once you enter you can't to leave until you are called to the start line

No parents, team managers are permitted in this area

Marshalling Officials will confirm your participation in the event by scanning of the wristband as you enter the marshalling area

Once marshalling has finished, heats will be drawn and event progression announced by marshal

Marshalls will use your random draw number to assign you to your heats, **NOT** calling names individually!

**Craft NOT permitted in marshalling area**

Once the first heat is assigned they are instructed to collect craft (if required) and go straight to the line

A line marshal will ensure you are in correct order

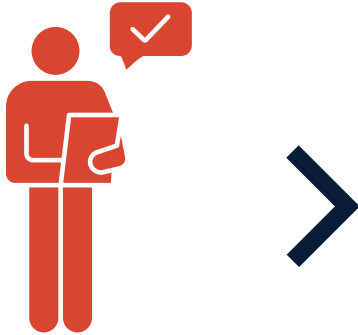

Marshals will continue to assign the remaining heats in the marshalling area

Stay in your heat when you have been lined up!

## RECORDING & FUTURE ROUNDS

Every athlete **MUST** be scanned to record their results regardless of progressions

### General guidance

Parents and Team Managers should always use [liveheats.com](https://liveheats.com) to see athlete progression through the rounds

It will also inform athletes, parents and team managers of their heat number and line position as the event progresses

As the event progresses, the next rounds will be called into marshalling, via the PA announcing system with athletes **EXPECTED** to know their heat and position in the subsequent rounds
