## 2 Communication

### 2.1 Team Managers and Officials Briefing – Compulsory

This briefing will be held on Friday 28 April 2023 from 17:00 – 18:00 in the host surf club and will cover event rules, program, revised rules of competition and a Q & A.

Further details on the exact location of the briefing will be confirmed in the final event information.

### 2.2 Memos and Circulars

Memos and documentation will be available through Surf Sports Weekly and on the [2023 Sharkskin NSW IRB Premiership Series Webpage](#).

Final event information will be released along with the first round draws at least two days prior to competition with updates, as necessary.

### 2.3 Team App

Closer to and during the competitions, Team App will also be utilised to deliver important information and updates, including timetable changes to Team Managers, Competitors and Officials.

It is highly recommended that everyone planning to attend any IRB event download TeamApp when entries are submitted. If you cannot download the App onto a phone or tablet, you may also access TeamApp in a web browser on any computer.

**To register for these event updates please follow the below instructions:**

1. Download the “TeamApp” application from the App Store or Google Play
2. Log in / Sign up to receive live event notifications.
3. Once logged in search “**2023 Sharkskin NSW IRB Series**”
4. Click the “Become a member of this TeamApp” icon at the top of the screen then select the “Competitors” group. There will also be an “Officials” group and a closed “Team Managers” group.

By joining the event and turning on your mobile app notifications, you will receive notifications and email updates as they are posted, ensuring you never miss any important information.

## 3 Official Quota

To support the on-going delivery and development of IRB competition, a quota will be implemented in 2023 based on a Clubs’ individual entries per Round/Championship to grow the number of IRB Technical Officials.

Clubs without sufficient currently accredited officials are advised that members should be encouraged to complete the online Technical Officials course. The face-to-face assessments will be run during the Premiership.

Members who have completed the online course will count towards the quota for the Premiership, however, must be accredited to count for the State IRB Championships.

Competitors Entered	Minimum Officials Required
0 to 4	—
5 to 11	1 Official
12 to 19	2 Officials
20+	3 Officials

Officials must be currently accredited and a current financial member of the SLSC that you are officiating for during the 2022/2023 season.

#### 5 Entry Conditions

##### 5.1 Proficiency and Patrol Hours

Team Managers are responsible to ensure that competitors comply with the pre-requisites and entry requirements at the completion of close of entries. The club will be notified of any non-compliant competitors and those competitors may be excluded from the event. To avoid any issues, Team Managers or the person completing the entries must check each competitor bronze proficiency, IRB Driver or Crew proficiencies and patrol hours prior to the close of entries. Handlers must also be entered in SEMS.

## 5.2 Quick Reference for Determining Minimum Age

Refer to the SSM for the full descriptions, provided here as a quick reference only.

## 5.3 Quick Reference for Determining Age Groups

DIVISION	SSM:	DESCRIPTION:
All	2.3.2	For the purpose of determining an age group, all competitors must have a common birth date calculated as at midnight on 30th September each year, i.e. age at midnight on 30th September determines the competitor's age category (for individual events) in that competition season. (i.e. 22/23 Season)

35+	2.3.13	(d) In Masters Team events, Masters may compete in the Open/Senior age group plus only one Masters Team age category in each event discipline conducted at a competition. (e) Masters Teams are permitted to compete only in their own Masters Team/crew age category in which their team/crew qualify by way of ages unless there are insufficient starters. In such cases the team may compete in the next youngest Masters Team age category.
45+	2.3.13	(f) (i) Two Person Events: The team age is determined by the age of the younger competitor (vi) IRB Events: 35 years plus. Refer also to Section 3.

## 6 Entry Limitations

IRB competition may be conducted in different categories of age, grade, and gender. Competitors are permitted to compete in multiple events in line with the rules stated in the Surf Sports Manual.

A driver and/or crew may compete in a particular event once e.g. a driver cannot compete in an event in one team as a driver and compete again in the same event as a driver or crewperson in a separate team. If eligible to compete in multiple grades or age categories, drivers and crewpersons may do so, but may only compete in a particular event once e.g. open male rescue is a different event to the under 23 male rescue. IRB patients are to be considered as gender neutral with respect

to their participation in male and female IRB events. Patients may compete in any grade, age or gender category events but may only compete in a particular event once.

### 6.1 Competitor Audits

All competitors will be audited after the close of entries to the Premiership Round and the State IRB Championships to ensure the compliance with relevant rules set out in the Surf Sports Manual (SSM) and SLSA Policies (see appendix for a list of the most relevant).

Team Managers shall refer specifically to the following sections of the SSM:

- 3.3.2.4 Competitor Pre-Requisites (a-e)
- 3.3.2.5 Entry Limitations (a-g)

All entrants must meet SLSNSW award and proficiency requirements. **It is a Clubs responsibility to check and ensure that all members comply.**

### 6.2 Rookie Division

**Please note: Rookie division is condition dependent.**

- The Rookie Division events are restricted to entry by IRB Drivers in their first two seasons of IRB competition.
- Rookie IRB Drivers are encouraged to utilise an experienced crewperson; however a Rookie crewperson is also permissible.
- Rookie events will not contribute to the overall point score at any round/event.
- If you compete in Rookie Division as a Driver you cannot compete in any other category/events (as a Driver)
- If you compete in the Rookie Division as a Crewperson or Patient you can compete in any other division in the same events as long as it complies with 3.3.2.5 Entry Limitations (a-g).

### 6.3 Composite Teams

Composite teams will be considered in the Rookie division only. Requests must be received prior to entry close for Round 1 and must remain consistent across all rounds.

If you would like to apply for a composite team, please email [surfsports@surflifesaving.com.au](mailto:surfsports@surflifesaving.com.au) by Sunday, 23 April 2023.

## 7 Entry Process

### 7.1 Sport Event Management System (SEMS)

Club entries to the 2023 Sharkskin IRB Premiership Rounds and Championship must be submitted using SEMS.

To be assigned SEMS functions the user must have an active Members Area log in account. If you have already been assigned access, please login to SEMS using your Members Area login details.

If you do not have access to SEMS, kindly complete a [SLSA Form49](#) requesting SEMS access and return completed form by logging a support ticket at <https://help.sls.com.au>, Fax or Post as per details at the top of the form.

Entries may be altered by clubs at any time up to the closing date of each round listed in this Circular.

For assistance with SEMS, please contact [sems@slsa.asn.au](mailto:sems@slsa.asn.au)

## 7.2 Team Names

Clubs that have more than one team in any event should **give each team a name** rather than a letter or number **for the duration of the Premiership**. Team names must be alpha characters only and **must not** contain numbers or non-alphanumeric characters such as exclamation marks or commas. This affects the reports generated impacts on the calculation of the point score. SLSNSW reserves the right to reject team names deemed offensive.

If a team composition is changed from round to round, it is asked that clubs use the same team names as the previous round. If a new team is created and that team would like to accumulate points from a previously named team, a new team name must be created and entered.

Team names must be suitable for publications and public facing documents. If in doubt, please contact SLSNSW for approval.

## 8 Finance

### 8.1 Competitor Entry Fee

The cost of entry per competitor is \$44.70 (incl. GST) for each of the Premiership Rounds and State IRB Championships. Members who are entered as handlers only are not required to pay an entry fee.

#### **LATE ENTRIES WILL NOT BE ACCEPTED**

The only entries accepted after the closing date will be for athletes replacing other athletes that have already been entered at that round.

Entry fees are **not** refundable if members withdraw or do not take part in these events due to illness (COVID included) or injury.

Please see [Refund Policy](#) of this document for more details regarding refunds in the event of cancellation/suspension or change of contingency location.

### 8.2 Invoicing

SLSNSW will forward an invoice to each club after the close of entries. Clubs will be able to view a summary of the fees that are due within SEMS. Please do not pay until the invoice is received.

## 9 Event Cancellation and/or Suspension

### 9.1 Background

SLSNSW always strives to deliver the best competition experiences for our membership, however, safety will remain the first priority and some changes may be necessary. As has always been the case, weather, surf, or other weather conditions may also present safety concerns resulting in postponement or cancellation of events.

### 9.2 Go / No Go Dates

In order to reduce the impact of cancellations, a “Go” or “No Go” cancellation process will be in place. Approximately 72 hours and 24 hours prior to the commencement of the event, a review of conditions will be made by the Organising Committee and a decision will be subsequently communicated to Clubs and Teams.

These decisions will be made with the best judgement based on the information available at the time. This may include, but will not be limited to:

- Bureau of Meteorology weather forecasts and warnings
- Advice from medical or safety personnel

The intent is to provide fair and timely communications to avoid undue costs/impact to members travelling to an event where it is subsequently cancelled **before** the scheduled competition start time. It is noted that some members will not be able to access refunds for accommodation and although beyond the control of SLSNSW this process aims to provide members with enough time to make alternative arrangements.

This builds on the standard risk assessment process in place and given that conditions change, there is still the possibility of cancellation or suspension of competition even after “Go” decision. The difference is the earlier notification where possible.

### **Go Decision**

This refers to the event going ahead as per plan and/or with amendments to the procedure in place. A Go Decision is determined by the organisers being confident as at the specified Go / No Go date & time, that the event is able to start safely with a likeliness of completion within the scheduled timeframe.

Amendments may include changes to schedule of events, including cancellation of some events or change of event location.

### **No Go Decision**

This refers to the event not going ahead as per plan. A No Go Decision is determined by the Organising Committee having a low confidence in the event starting and/or reduced likeliness of completion within the scheduled timeframe, due to weather, surf, and other environmental conditions and other information available at the time of the Organising Committee meeting.

This does not preclude SLSNSW from making a decision that is in the best interest of the event and the safety of event attendees.

## **9.3 Refund Policy**

- No refunds for competition withdrawals or did not compete.
- No refunds in the event a **Go Decision** is made and subsequently competition is suspended or postponed.
- If a **No Go Decision** is made:
  - Premiership Rounds
    - Entry fees in that specific Round will be carried over to the Back Up Round only (if available).
    - If a backup round is unavailable, 75% of the fees of the affected round(s) will be credited to the Club (invoice will be reversed and fees paid will be credited). 25% will be retained for administration costs.
  - State Championships
    - 75% of the fees will be credited to the Club (invoice will be reversed and fees paid will be credited). 25% will be retained for administration costs.

**Disclaimer: This policy is intended as a guideline for competitors, officials and spectators when making their accommodation and travel plans and/or taking time off work. It is the responsibility**

of competitors, officials, and spectators to investigate their own personal situation and potential financial consequences and make their own decisions as to whether they wish to attend the Championships.

## 10 Point Score

### 10.1 Premiership Series Point Score

Points will be awarded from 1<sup>st</sup> to 8<sup>th</sup> in each event point score:

(1<sup>st</sup> = 10 points | 2<sup>nd</sup> = 8 points | 3<sup>rd</sup> = 6 points | 4<sup>th</sup> = 5 points | 5<sup>th</sup> = 4 points | 6<sup>th</sup> = 3 points | 7<sup>th</sup> = 2 points and 8<sup>th</sup> = 1 point).

The Premiership Series Point Score will be decided by the accumulation of the four best results throughout the season for **both event category and club points score**. The overall point scoring winner for each event in the **Premiership** will be the team who accrues the greatest number of points over the best four rounds. If a round is cancelled due to adverse conditions, the Premiership will be decided by the accumulation of the best three results and so forth.

The top placed crew from each club in the final will only receive points towards the overall point score. i.e. If Forster A finish 1<sup>st</sup>, Forster B finish 2<sup>nd</sup> and Windang A finish 3<sup>rd</sup>, only Forster A will receive points towards the overall point score, Forster B will not and Windang will get points for 3<sup>rd</sup>. The next highest placed club will be awarded the points for the consecutive places.

If a team is disqualified or fails to finish an event, then that team fails to gain points for the event and club point score.

Where a dead heat (as defined in Section 2 of the Surf Sports Manual) occurs in the final of an event the teams will share the placing points. The club of the next teams to finish will receive the relative placing points based on the number of teams finishing ahead of them. For example, if two teams finish equal 1<sup>st</sup>, both teams shall receive 10 points each. The next placing team shall be awarded the 6 points and the bronze medal.

The overall point scoring winner for each event in the **Premiership** will be the team who accrues the greatest number of points in all the carnivals. In the event of a tied overall point score, a 'count back system' will be enforced where the club with the greater number of first or higher placing positions will determine the winner.

### 10.2 State IRB Championships Point Score

Points will be awarded from 1<sup>st</sup> to 6<sup>th</sup> in each final:

(1<sup>st</sup> place = 6 points | 2<sup>nd</sup> place = 5 points | 3<sup>rd</sup> place = 4 points | 4<sup>th</sup> place = 3 points | 5<sup>th</sup> place = 2 points | 6<sup>th</sup> place = 1 point).

Where a dead heat (as defined in Section 2 of the [Surf Sports] Manual) occurs in the final of an event the teams will share the placing points. The club of the next teams to finish will receive the relative placing points based on the number of teams finishing ahead of them. For example, if two teams finish equal 1<sup>st</sup>, both teams shall receive 6 points each. The next placing team shall be awarded the 4 points and the bronze medal for coming 3<sup>rd</sup>.

Unlike the IRB Premiership, if 2 crews from the same club earn points from a final, both teams **will be** eligible for points towards the club point score. If a team is disqualified or fails to finish an event,

then that team fails to gain points for the event and club point score. The Club with the highest accumulated total at the completion of all finals will be deemed the Overall Champion Club.

## **11 Approved Gear and Equipment**

### **11.1 IRB Surf Rescue Registration**

All IRBs taking part in the IRB Premiership and the NSW IRB Championships must be registered with SLSNSW and carry the appropriate 'SR' number. If you have any questions regarding registering of IRBs with SLSNSW please contact Laura Schuetz on 9471 8000.

Prior to the Premiership Round, all Clubs will be required to submit the SR numbers of the vessels which will be used throughout the Premiership Round and the NSW Championships. Please Complete the [SR Number Survey](#) by **Sunday 23 April 2023**.

## **12 Scrutineering**

Full Technical Scrutineering will be conducted on the day prior to Round 1 of the IRB Premiership AND prior to the NSW State Championships. No teams are permitted to compete without undergoing Full Technical Scrutineering. i.e. If a Club or Crew decided not to compete in Round 1, they must arrange for their Motors/Hulls/Fuel/ Propellers to be scrutineered prior to participating.

All gear and equipment must be presented ready for inspection i.e. floors out, air boxes off, restrictor plates and props separate. Team Managers MUST complete Scrutineering forms for Motors/Hulls/Fuel/Propellers with all the required information and submit the forms to the scrutineering registrar prior to entering the competition area.

No post manufacture modifications will be permitted i.e. engine must be as is "out of the box". Any clubs found to be using equipment in the 2023 Premiership Rounds or 2023 NSW State Championship that does not meet manufacturers or SLSA specification as set out in the current SLSA Bulletin Surf Sport IRB Competition - Gear and Equipment Regulations will be excluded from the event and may face disciplinary action.

### **12.1 IRB Premiership Round 1**

Full Scrutineering will take place on the Friday prior to Round 1 commencing. Please fill in [Round 1 IRB Premiership Scrutineering Form](#) by Sunday 23 April 2023.

### **12.2 IRB Premiership Round 2, 3, 4 & 5.**

During competition, (on Saturday & Sunday) random scrutineering will take place in the competition area and some clubs may be selected to present all their equipment to the scrutineering team for a detailed technical examination at the end of the day. Any equipment that are to be used in these rounds or any new clubs competing in the Premiership MUST arrange for full technical scrutineering prior to arrival.

### **12.3 State IRB Championships**

Full technical scrutineering will take place on Friday 7 July, the day before competition. Timeslots will be available between 10am and 4pm.

Clubs may complete expression of interest for their preferred time by filling out the [Form online](#) by Sunday 25 June, however, high demand timeslots will be allocated to clubs based on distance clubs are required to travel.

Clubs are to be ready 30 minutes prior to their allocated timeslot with completed paperwork and equipment ready for inspection.

***More detailed information about scrutineering will be provided in subsequent Memos to be released in due course and may supersede any information detailed above.***

#### **12.4 One Hull Policy**

From January 1, 2024, SLSA will implement the one hull policy in IRB sport racing. NSW IRB competition Clubs are reminded of this transition whereby all hulls in competition shall be as per the one hull policy applicable to the IRB competition season of 2024. Clubs using previous models of Class 1 soft hull and former Class 2 rigid hull IRB's, will be allowed to continue to use these hulls for surf sport purposes until 1 January 2024. Approved technical specifications are available online in the Members Area [https://members.sls.com.au/members/document\\_library](https://members.sls.com.au/members/document_library)

### **13 Training Logs**

At the close of entries for IRB Round 1, please submit copied of training logs for each competitor to [surfsports@surflifesaving.com.au](mailto:surfsports@surflifesaving.com.au).

Where competitors have previously completed and submitted their training logs, a declaration must be submitted by the coach confirming:

- (a) When training logs were completed and submitted e.g. 2022 IRB Season and
- (b) That the competitor retains fitness and competence to compete in a safe and controlled manner

### **14 Safety**

The purpose of this section of the circular is to provide awareness of the various safety components related to IRB competition. To be clear, competitors & team management shall refer to the appropriate sections of the current Surf Sports Manual for full reference.

#### **14.1 Safety Essentials**

WARNING: IRB competition can be inherently dangerous. IRB competition participants acknowledge that they are exposed to certain risks during IRB competition including but not limited to leg, spinal and neck injuries, physical exertion, contact with the IRB, temperature, weather, and water conditions and even drowning. IRB competition participants acknowledge that accidents can and often do happen which may result in IRB competition participants being injured or even killed. All members through their participation in IRB events agree with, acknowledge, and understand this warning and accept and assume the inherent risks in IRB competition.

#### **14.2 Safety Infringements**

- a) A strong emphasis will be placed on safe driving, crewing and patient safety practices. All competitors must complete each event in a safe and controlled speed and manner or will face immediate disqualification from the event, and/or issue of a safety infringement and consideration for further penalties.

- b) A safety infringement shall be issued to any competitor deemed to have committed an unsafe practice. This will result in immediate disqualification of the competitor and their entire team (i.e. crew and patient/s) from the event in which the infringement occurred. The name of the competitor and the details of the infringement shall be logged through the safety infringement register of the relevant State and National Office.
- c) If a competitor receives more than one safety infringement in any one competition they shall be disqualified from the entire competition.
- d) Should a history of safety infringements be identified by an SLSA office or official in a twelve-month period, the matter shall be referred to the relevant state or national officer/s for consideration of further penalties or disciplinary action.

### 14.3 Personal Protective Equipment (PPE)

Note: In all training and competition it is compulsory for competitors to wear high visibility (conspicuous colour) SLSA approved level 50 Australian Standard (AS4758) lifejackets or Type 2 (AS1499-1996) lifejackets. (Level 50S lifejackets unless listed on the SLSA Approved Gear and Equipment List are not approved.) It is not required for high visibility safety vests to be worn over the top of lifejackets. See also Section 2 of the Surf Sports Manual.

SLSNSW will not be issuing lifejackets (PFDs) – this is the responsibility of the individual/club.

### 14.4 High Visibility Garments

Due to the PFD requirement, pink high visibility vests are not required if wearing a PFD as stated above.

Handlers are required to wear a competition cap and shall be required to wear a distinctive high visibility vest if entering the water beyond knee depth. Alternatively, handlers may wear a high visibility (conspicuous colour) SLSA approved level 50 Australian Standard (AS4758) lifejacket or Type 2 (AS1499-1996) lifejackets. (Level 50S lifejackets unless listed on the SLSA Approved Gear and Equipment List are not approved.) It is not required for high visibility safety vests to be worn over the top of lifejackets.

SLSNSW will not be supplying High Visibility Garments – this is the responsibility of the individual/club.

To assist with judging coloured rash shirt sleeves or belts for each lane will be worn with the lifejacket. This will apply to the IRB Driver only. SLSNSW will be providing these garments.

### 14.5 Helmets

The wearing of approved helmets is compulsory for patients in all events (other than the Rescue Tube Race). IRB patients are to wear helmets in both training and in competition. See also Section 2 of the Surf Sports Manual.

**SLSNSW will not be issuing helmets – this is the responsibility of the individual/club.**

### 14.6 Warm Up Areas

Competitors who enter the competition area and warm up will be deemed to have committed an unsafe practice. A designated 'warm up' area will be communicated closer to each event.

## 14.7 Unmanned Aerial Vehicles (UAVs) and Drones

SLSNSW prohibits the use of drones or Unmanned Aerial Vehicles (UAV) at IRB competition by members and/or public unless approved by SLSNSW, 7 days prior to the event. The operator must supply an operations manual (including risk management plan), provide public liability insurance and comply with all Civil Aviation Safety Authority (CASA) requirements.

## 14.8 Injuries & Return to Surf Duties

Members who receive treatment from First Aid are to ensure their details are recorded in an incident report. Workers Compensation may be payable under the Workers Compensation Act. An iCare form must be completed within 48 hours of injury to make a claim.

More information can be found on the workers compensation page here:

<https://www.surflifesaving.com.au/resources/workers-compensation>
