Join the Surf Life Saving NSW 'Corporate Lifesavers Challenge'

Hosted by experienced and professional facilitators, the Surf Life Saving NSW 'Corporate Lifesavers Challenge' is a fun, fast-paced and highly interactive session, filled with activities that promote greater teamwork, with prizes to be won.

Your colleagues will get a unique insight into this amazing charity and the opportunity to self-reflect and draw parallels from how Surf Life Saving NSW operate with their own team and work environments by: understanding what makes a great team member; learning from beach safety to better navigate problems at work; and celebrating the power of belonging to a strong community culture and using these insights to brainstorm practical ways to work better as a team.
